My Footprints on the Sands of History Mohammad Obedur Rahman, 2017-02-02 This book captures the essence of life in this world with all its whims and fancies and dreams. It takes you through a virtual tour of a common man's life in his own words. Learn from these stories as if they are shared with you, as if over a cup of tea and warm conversation. You will learn history, facts, trivia, and interesting tidbits that will make you appreciate things in general in this world: children playing, birds chirping, thunder clapping, then a silence that will set in, never to be broken, unless perhaps in the far pasture of the Milky Way. I meant this book to be entertaining, relaxing, armchair reading, and the stories are such that you can identify with them. Also, I wanted to keep my memories alive. In doing so, you will find some factoids to be chewed on.

Your Honour Can I Tell You My Story? Andi Brierley, 2019-04-17 The challenging story of a young person's progress through care, prison and social rejection to youth justice specialist. It charts failures to connect with and modify the author's chaotic early life moving from place to place, school to school, fragmented parenting and poor role models. Encircled by crime, drugs and baffling adults, Andi Brierley ended up first in a young offender institution then prison where he learned to think like a prisoner for his own survival, making everything harder for everybody on release. Until he determined to change and others saw his unenviable past could be put to good use. Shows how small things can make a difference. Contains many insights for professionals, students and others interested in young people in trouble. An addition to Waterside's acclaimed turn around stories, including Alan Weaver's *So You Think You Know Me?*, Ben Ashcroft's *Fifty-one Moves* and Justin Rollins' *The Lost Boyz*. Reviews 'Wow!! I didn't put it down once I started reading!' -- Lynda Marginson CBE, Director - National Probation Service (NE). 'Andi's compelling story shows why we should never give up on the capacity of people to change' -- Jim Hopkinson, Bradford Children's Services. *Your Honour Can I Tell You My Story* has been chosen for the Probation Insights Week 2019 Big Read. As featured in the Yorkshire Post. Contents Foreword; Introduction; Who Am I?; Party Time; Shunted Back and Forth; Bilston; A Life of Crime; The Drugs Chain; Grafting; A Taste of Custody; Cyclops and Other Fine Friends; Harehills; Work and an Evening at Elland Road; Doncaster; Deerbolt; Clubbing the Night Away; Addiction; Here We Go Again!; Sportsperson; Release; Youth Justice Volunteer; Golden Opportunity; The Professionals; 'Me, promotion?'; Back to My Youth Justice Roots; Postscript.

Shift! Ken Harrington, Jeanne Harrington, 2009-10-28 God said that we were to subdue the earth and have dominion over every living thing including the power of the enemy. We can't even begin to think in those terms because our experiences don't conform to that image of our authority. We need to start seeing things through God's eyes and start LIVING OFF THE GRID of our limited mindsets. Jesus could raise the dead, heal the sick, set captives free, rule the weather, change the economy, and drive out demonic influences. Jesus said we could do the same things if we have faith but not by using soulish power. Trying harder, changing laws, and devising more efficient systems won't change hearts or overcome the forces arrayed against Christ's kingdom. Ken and Jeanne demonstrate through the scriptures and their own journey how to access the halls of power by the Spirit. Let God impose His super over your natural and change your world.

To Hell and Back: My Life as an Abused Husband Kimber Broughton, 2012-04-28 Domestic abuse at the hands of a spouse is a bitter reality that many men experience but are conditioned by society to hide. Abuse of men at the hands of women is something that does occur, but because of male pride and cultural conditioning, it often remains in the shadows. In *To Hell and Back: My Life as an Abused Husband*, author Kimber Broughton narrates the true story of Jonathan, a man who suffered a morass of abuse, psychological torment, and financial violation by his manipulative former wife, Stacy. This memoir describes Jonathan's twelve years of abuse: the hell he experienced, how he handled the cruelty, and how he was finally able to leave the marriage and overcome the after effects. This memoir tells one man's brutally honest story in order to share it with other men who are living through the nightmare of abuse. Detailing how to recognize the warning signs of abusive relationships and how to fight to get free of them, this book expresses that rebuilding pride and finding real love again after an abusive relationship is possible.

In Our Own Right Sally Goold, Kerryne Liddle, 2015-07-17 The intimate, private, and heart wrenching stories told in this book, the first of its kind in Australia, will penetrate the hearts and souls of even the most hardened reader. Told with incredible dignity and humility, each of the individual and deeply personal stories recounted is a powerful testimony to the gross inhumanity and brutal capacity of white people in Australia - colonists who selectively destroy and humiliate, without remorse, the lives and souls of their fellow black Australians. In *Our Own Right: Black Australian Nurses' Stories* provides a powerful catalyst for questioning and calling into question the taken-for-granted humanity of us all.

Adversity Introduced Me to ME Dominique (Anthony) Brown, 2014-10-22 The Power of Words to win the Game of Life, Inward Outward & Upward. Sometimes we fight with the inward man Sometimes we fight with the outward man Sometime and the best way to fight is not to fight at all But to reach to the upward man which is our heavenly father. The best way to find out how a product will work to its fullest potential is to go back to the instruction manual. Looking at the pictures doesn't do it all the time. Have you ever tried to put something together by looking at the picture in the manual and when you are done there is a part left over and it wasn't an extra part. Often we don't know what it was for until the product stops working or never works properly. That part is usually a part that is needed for inside the product, without it, it just won't last or run to its fullest potential. So it is with life. We can't look at the picture we have to read the manual and put it together. There is so much more inside if we would just read the manual and apply it. GOD has given us all the parts and he also supplies the upgrades as needed. In this book you will see the inward struggle. Then the outward struggle. Then you will see when I turn towards the manual which is GOD. That when the struggle is over. That's when I reach upward for Victory. This is book one of two.

Out of the Depths I Cried Christopher L. Bishop, 2016-10-17 *Out of the Depths I Cried* by Christopher L. Bishop Christopher L. Bishop was diagnosed with Major Depression, PTSD, and SAD at the beginning of 2014. After three hospitalizations and a two-month outpatient treatment program, he finally had developed an idea of what he needed to do to get better. He kept looking for a guide to the whole recovery process in order to better understand how to reclaim his life and move forward. Since there wasn't one to be found, he decided to make one as he was going through the process to document and build upon his experiences and the things that he had to learn the hard way. *Out of the Depths I Cried* is a step-by-step guide to managing depression. It answers questions about how to ask for help and about how prayer (as he now understands it) can help one grow through depression. Learn about the tools that he placed in his backpack to carry on the road of recovery. People diagnosed with the mental disorder

and “normal” people alike can benefit from these tools to manage depression and grow closer to God through prayer.

Words of Weedsdom Cee D, 2022-12-14 I had become the princess and the pea, feeling even the smallest sensations, and everything seemed to slow down around me. I was aware of everything, and every sound, smell, and movement triggered my consciousness like a factory hard-wired for efficiency. I was detached from reality, yet still in possession of my every thought and movement . . . This is what it was to be high. As an introverted millennial growing up in the nineties, being a child of divorce and mental illness made Cee D believe that self-neglect and isolation would keep her family together. Pursuing a nursing career which continued to focus on others at her own expense, she sought psychedelic distraction from a disappointing adulthood, and turned to drugs. Discovering newfound wisdom—or “weedsdom”—through a sect of spirituality that she lovingly refers to as “Bud-dism”, the author demonstrates how psychoactive substances, particularly cannabis, may shed light on our traumas, and can be used as a tool for self-actualization and the pursuit of individual happiness. Narrated with the perfect mix of humorous anecdotes and reflective wonder, Words of Weedsdom combines Cee D’s life-changing introduction into cannabis culture with a wider commentary on the drug, including its history, as well as its effects on the mind and body. Whether you are a cannabis user, cannabis curious, or a cannabis critic, this candid and light-hearted memoir addresses stigmatization surrounding the plant, and challenges the stereotypical image of “stoners” portrayed in popular media.

Breaking Stones Herman Alves, 2011-04-15 Breaking Stones is a book about hope, about over-coming all odds, about coming to terms with ones self, and, above all, about the joy of giving back. Alves was born in a rural mountainous region of Portugal. The setting may have been mid-20th century, but the living conditions were Stone Age - no electricity, no running water, no creature comforts of any variety. Breaking Stones follows Alves odyssey from a boyhood spent with his best friend, Burro the donkey, in Portugal to the social alienation he experienced in Germany to the culture shock he felt in Montreal, where his family moved when he was a teen. The adventure continues as Alves tries to find himself as everything from a wannabe rock star to a worm picker, a club-owner to a calche-driver, a landlord to a political activist, a steel-worker to a high-tech consultant, a restaurateur to a philanthropist. In the midst of everything, Alves experiences the euphoria and heartbreak and tragedy of marriage and fatherhood. And ultimately, the kid from the Stone Age emerges intact and wiser in the Internet Age.

Deliverance from Toxic Memories Ken Harrington, Jeanne Harrington, 2013-11-19 Bondage to the past is not God’s plan for your present When a young elephant is chained up by its trainer, the animal’s initial response is to try and escape. Several attempts later, the elephant recognizes that freedom is not possible and accepts the chains as normal. Once this is “learned”, the trainer can use a simple rope to hold one of the most powerful animals. The same thing happens to many people with their minds. They become used to unhealthy patterns of thinking and destructive memories. Sadly, it becomes embraced as “normal life.” This is not God’s perfect will for you! Authors Ken and Jeanne Harrington provide extensive research and relevant Bible teaching empowering you to experience freedom today by: Understanding how toxic memories negatively impact your physical and spiritual health Exposing the lies you believe about yourself and replace them with transformational Truth Positioning you to live in the love and complete forgiveness of God Reclaim your memories and take your life back!

Singapore Horror Stories Loo Si Fer, 2011-12-01 Previously published in print as Paranormal Singapore, the ten stories and letters in this collection of horror are sure to scare the life out of you. Set entirely in Singapore, these accounts of vampires, ghosts, murderers and demons come with a health warning: be warned, they may frighten you to death.

The Enforcer Graeme Pearson, 2008-10-19 Graeme Pearson is one of the UK's most outspoken and respected senior police officers. In a career spanning forty years he crossed swords with some of the UK's most fearsome and brutal gangsters as he rose from the ranks to lead the fight against serious organised crime as head of the Scottish Crime and Drug Enforcement Agency. In The Enforcer - a Life Fighting Crime, Graeme Pearson now tells the inside story of the fight against some of the most notorious criminals operating in Britain. He reveals why he bought antique silver from Glasgow Godfather Arthur Thompson and how much it cost him, what Scotland's most notorious killer Robert Mone confided in him and charts the rise of organised crime in Scotland with the XYZ mob, the Chinese Triads, the UVF and the highly organised drugs gangs of the 21st century. The Enforcer is also the very personal tale of his family's battle to survive in the hard-drinking culture of working class Glasgow in the 1950s and how this shaped one of our top cops. The lessons he learned in this tough environment have stayed with him from his early days on the beat right through to showing notorious criminals like Jamie 'The Iceman' Stevenson that crime really doesn't pay. This is the remarkable and compelling story of one man's determination to succeed and his life fighting crime.

Great Minds in Management Ken G. Smith, Michael A. Hitt, 2005-09-22 In Great Minds In Management Ken G. Smith and Michael A. Hitt have brought together some of the most influential and original thinkers in management. Their contributions to this volume not only outline their landmark contributions to management theory, but also reflect on the process of theory development, presenting their own personal accounts of the gestation of these theories. The result is not only an ambitious and original panorama of the key ideas in management theory presented by their originators, but also a unique collection of reflections on the process of theory development, an area which to date little has been written about by those who have actually had experience of building theory. In their concluding chapter, Ken G. Smith and Michael A. Hitt draw together some common themes about the development of management theory over the last half a century, and suggest some of the conclusions to be drawn about how theory comes into being. Samovar on the Table Lana der Parthogh, 2016-11-16 In the spring of 1920, three ships steamed into the port of Famagusta in the British colony of Cyprus with sick and wounded officers and men of the White Russian army, together with their families and other civilians fleeing the victorious Bolsheviks at the end of the Civil War, which had raged through the country after the 1917 Russian Revolution. Britain had offered transport and temporary sanctuary in its nearest territory. 1,546 desperate men, women, and children from two of the ships were housed in a WWI Turkish prisoner-of-war camp to wait for other countries to offer asylum; the other ship sailed on to Egypt and another camp. In Cyprus, some died and some moved on, but a group of about seventy saw opportunities for a new

life on the island. They formed the core of a Russian community which attracted other migrants over the decades but whose story is largely unknown or forgotten, even on the island. One of them was the author's grandfather. The author has tracked down official documents and historical sources and interwoven them with her own notes and diaries to tell her personal and human account of a Russian family in Cyprus, through three generations and fifty years of dramatic events.

I Once Was Penny Williams, 2011

Swoon Susan Scott Shelley, Chantal Mer, 2022-09-20 Firefighter Gage Garrison prides himself on being strong and reliable. Since his last relationship's humiliating end, he's kept to himself, but thanks to the rec league rugby club he joined, he's slowly gained new friendships and a place to belong. A place that is threatened when his attempts to rescue a kitten in a tree thrusts his secret fear of heights into the spotlight, in full view of his new friends, and the teammate he's been crushing on all season. Dendrologist Valentine Bartley loves plants and trees with a passion. Settled in a new city, a new house, and a new job, he's now part of the rugby club he used to love playing against, and has formed some solid friendships there. He's also developed a crush on his fearless teammate Gage. Taking part in the tree rescue gives him a glimpse behind the tough mask Gage shows the world and he's determined, quirks and all, to pursue the intriguing man. Caring for the kitten bonds the men. Sharing vulnerabilities and wants, they find support, honesty, and a connection that feels like the solid foundation for a relationship. But with Gage's worries over how his phobia could color Valentine's and his teammates' opinion of him, and Valentine's doubts over whether he can trust Gage to keep his word when others haven't, will fears of history repeating itself keep them from the promise of new beginnings they've found in each other?

Pregnant Girl Nicole Lynn Lewis, 2021-05-04 A NPR BOOKS WE LOVE 2021 Selection "[T]his book is so much more than a memoir Her prose has the power to undo deep-set cultural biases about poverty and parenthood."—New York Times Book Review An activist calls for better support of young families so they can thrive and reflects on her experiences as a Black mother and college student fighting for opportunities for herself and her child. *Pregnant Girl* presents the possibility of a different future for young mothers—one of success and stability—in the midst of the dismal statistics that dominate the national conversation. Along with her own story as a young Black mother, Nicole Lynn Lewis weaves in those of the men and women she's worked with to share a new perspective on how poverty, classism, and systemic racism impact teen pregnancy and on how effective programs and equitable policies can help teen parents earn college degrees, have increased opportunity, and create a legacy of educational and career achievements in their families. After Nicole became pregnant during her senior year in high school, she was told that college was no longer a reality—a negative outlook often unfairly presented to teen mothers. Nicole left home and experienced periods of homelessness, hunger, and poverty. Despite these obstacles, she enrolled at the College of William & Mary and brought her 3-month-old daughter along. Through her experiences fighting for resources to put herself through college, she discovered her true calling and founded her organization, Generation Hope, to provide support for teen parents and their children so they can thrive in college and kindergarten—driving a 2-generation solution to poverty. *Pregnant Girl* will inspire young parents faced with similar choices and obstacles that they too can pursue their goals with the right support.

Love & Rugby, Vol. 2 Susan Scott Shelley, Chantal Mer, *Love & Rugby, Vol. 2* contains the last three books in the *Love & Rugby* MM romance series: *Shine*, *Surprise*, and *Swoon*. *Shine*: After their matchmaking friends scheme to get them together, Hercules and Apollo take a tentative step that quickly falls into a heady rush of firsts. Kisses, dates, sharing pieces of themselves, they form a bond that opens up their worlds. But as Hercules wars with doubts about himself and Apollo navigates the unfamiliar territory of a romantic relationship, their summer romance is tested by Hercules's belief that people don't stick around and Apollo's worry about what will happen when he trusts someone with his heart. *Surprise*: After months of secret hookups, rugby teammates Greer and Owen realize they're catching feelings for each other, and a New Year's Eve spent with their mutual crush Storm shows the trio they click together like nothing else they've ever experienced. They want more of what they can bring to each other, but their deepening bond also brings vulnerabilities to light. Neither Greer nor Storm have been in a relationship with more than one person before, and Owen fears the reason his last triad ended could repeat itself. Sharing secrets, needs, and feelings isn't easy for three men who have good reasons for keeping defenses in place, but if they don't learn to trust in each other, they risk losing everything. *Swoon*: When proud firefighter Gage gets stuck in a tree while rescuing a kitten, his secret fear of heights is thrust into full view of his rugby teammates and the guy he's crushed on all season. Taking part in the rescue, tree doctor Valentine glimpses the vulnerability behind the tough mask Gage wears and is determined, quirks and all, to pursue the intriguing man. Caring for the kitten, the men form a connection that feels like the solid foundation for a relationship, but will Gage's worries of how his phobia could color his teammates, and in turn, Valentine's opinion of him and Valentine's doubts over whether he can trust Gage to keep his word when others haven't, keep them from the promise of new beginnings they've found in each other? The *Love & Rugby* series features friends who are connected through a rec league rugby team in Philadelphia. The MM romance stories are low to medium angst and all have HEAs.
