Secrets of a Ghost's Diary Dawn Marie Clifton, 2014-04-17 Keeping a secret is like having an active volcano inside. It's only a matter of time. Every summer Carson settles into the island routine at his grandparents' lighthouse, but this summer is different. Lured by a rumor that the lighthouse is haunted, Carson begins an investigation with his friend Levi and cousin Emma. Soon, they encounter the ghost. Hand-picked by the ghost to guard a diary from the 1800s, the trio begins investigating the old entries. Along the way, every uncovered secret produces more questions. But they aren't the only ones on a quest for answers. After the final diary entry is stolen, they learn it contains the answer to why the ghost has been haunting them. What if it's too late? What will the trio risk to reclaim the secret to their destiny? Author and Novelist Dawn Marie Clifton, has created a fresh style in the mystery genre for kids and tweens. Readers who enjoy a range from laughing to thrilling suspense, are in for a treat!

As the owner of SCI-OGH paranormal investigation team she has had several experiences with the paranormal. Her house is very well known for various paranormal activities. Over time friends and family tried to ignore the unexplained occurrences, but some of the spirits

**Ghost Hunting Diary** T. Simmons, 2014-11-19 Turn out the lights, stoke up the fire, and enjoy another set of true spooky tales from the cache of T. M. Simmons' ghost hunting diaries. *Curious Capers of the Calvert Ghosts, Parts One and Two*,: are tales of true supernatural encounters in a haunted bed and breakfast in Calvert, Texas. *Great-Grandpa and the Horseless Carriage* tells of a meeting with one of the prominent members of Texas history, close to his beautiful historic home, Griffith Homeplace. It also occurs many years after great-grandpa's death. *Attack of the Evil Pickup* is the true story of the first time Simmons ventured into the infamous Goshen Cemetery in East Texas. *Sad Little Skateboard Ghost* is a residual haunting tale (at least, Simmons hopes it is). *How I Met My Haunted House* is the story of how Simmons began to realize her home was, indeed, haunted by several paranormal boarders. *Carl's County Farm* relates the story of how Simmons and fellow paranormal investigator, Angela Rogers, banished a demon that was torturing and killing animals on a friend's farm. Simmons has added a chapter of her dark paranormal suspense, *Winter Prey* to close this volume. Perhaps you will be able to keep the lights off and go to sleep after reading these tales. Perhaps not.

*Ghost Hunting Diary* T. M. Simmons, 2017-04-15 Has it been too long since you've been scared? The long-awaited *Ghost Hunting Diary Volume VI* is finally here! Curl up in

your favorite chair, set your favorite sipping beverage beside you, and settle in for another spooky ride into the paranormal. You'll wander into Louisiana in Cajun Crossovers, although it's not the ride you think it will be. Then back to Texas for some ride-alongs with Aunt Belle and her cohort, T. M., as they investigate the Old Calvert Nursing Home and granddaughter Tara's Home. Yep, the SRT crew does do a cemetery again; graveyards after dark are still one of their favorite haunts. T.M. also continues her work to help lost, wandering souls in Crossing Over Violent Death Victims. Then you'll see what happens when one of the nasties is able to breach Simmons' own house in Demon at the Door. If you feel some eyes watching you while you read, T.M. hopes it's not too far from your chair to the light switch on the wall. Sometimes it looks like quite a distance in a dark room where ghosts might be prowling, huh?

**Sinister Island** Charles Wadsworth Camp, 2020-12-30 Miller ignores the warning about visiting a haunted island and soon mysterious things begin to occur with his friends! Excerpt: Captain's Island is not far from civilisation as one measures space. Dealing with the less tangible medium of custom, it is-or was-practically beyond perception. James Miller didn't know this. When he had thought at all of his friend Anderson's new winter home he had pictured the familiar southern resort with hotels and cottages sheltering Hammonds peerage, and a seductive bathing beach to irritate the conservative.

**The Haunted Island** Maria Hendrika Jozina Diekmann, 1959

**Diaries of a Haunting** M. Verano, 2020-09-29 The Haunting of Hill House meets Paranormal Activity in these bone-chilling accounts of hauntings that torment average teens—two novels in mixed-media journal format in one terrifying package. Letters,

photographs, and two journals...all left behind in the harrowing aftermath. This is everything that remains after the mysterious and terrifying circumstances surrounding two individuals haunted by the unbelievable. For Paige, it begins when she moves to Idaho with her mom and little brother—into a drafty old mansion, where strange things start to happen. With words appearing on the walls and her brother roaming around the house at night, Paige takes it upon herself to uncover what's tormenting her family. But the deeper she digs, the clearer it all becomes: whatever is in the house has no intention of backing down without a fight. The same rings true for Laetitia and the mysterious undiagnosed illness that has taken over her body. Her symptoms start with fevers and chills but soon escalate to the unimaginable. She begins to wonder if the voices she hears and the cryptic notes she finds in her own writing are signs of insanity or signs of something much more sinister. Something...demonic? Both of their terrifying journeys are here for you to witness these nightmares...and they are more haunting than you could ever imagine.

Within These Walls Ania Ahlborn, 2015-04-21 From indie horror author and bestselling

sensation Ania Ahlborn, this brand-new supernatural thriller questions: how far would you go for success, and what would you be capable of if the promise of forever was real? With his marriage on the rocks and his life in shambles, washed up crime writer Lucas Graham is desperate for a comeback. So when he's promised exclusive access to notorious cult leader and death row inmate Jeffrey Halcomb, the opportunity is too good to pass up. Lucas leaves New York for the scene of the crime—a split-level farmhouse on the gray-sanded beach of Washington State—a house whose foundation is steeped in the blood of Halcomb's diviners; runaways who, thirty years prior, were drawn to his message of family, unity, and unconditional love. Lucas wants to tell the real story of Halcomb's faithful departed, but when Halcomb goes back on his promise of granting Lucas exclusive information on the case, he's left to put the story together on his own. Except he is not alone. For Jeffrey Halcomb promised his devout eternal life...and within these walls, they're far from dead.
