**Hd A Hidden Object Adventure**

**Alex Hirsch**

## **CANDLEKEEP MYSTERIES (ALTERNATE COVER) ,2021**

*Zeuglodon* James P. Blaylock, 2013-03-11 A skeletal hand clutching an iron key lies hidden within a mermaid's wooden sarcophagus; a hand-drawn map is stolen from beneath the floorboards an old museum; an eccentric sleeping inventor dreams of a passage to the center of the hollow earth, and by dreaming of the passage, brings it into being.... Pursued by kidnappers thinking of riches and murder, Katherine Perkins and her two cousins, junior members of The Guild of St. George, must descend into the depths of the hollow earth in order to return the Sleeper to his ancestral home on the shores of Lake Windermere. But to awaken him might mean the end of his dream, the closing of the Windermere Passage, and the three intrepid explorers marooned in a savage land forgotten by time itself.... *Zeuglodon*, set in the world envisioned in James Blaylock's *The Digging Leviathan*, is a landscape of color, mystery, and adventure, in which reality and fantasy are shifting currents, and nothing is quite what it seems to be. "James P. Blaylock's *Zeuglodon* is the most fun I've had reading in ages, with an unabashed budding cryptozoologist protagonist, mummified mermaid, underground passages, lost

world, and the scariest busybody since Margaret Hamilton put Toto in her bicycle basket. Don't miss it.” - Locus

ABOUT THE AUTHOR World Fantasy Award winning author James P. Blaylock, one of the pioneers of the steampunk genre, has written eighteen novels as well as scores of short stories, essays, and articles. His steampunk novel *Homunculus* won the Philip K. Dick Memorial Award, and his short story “The Ape-box Affair,” published in *Unearth* magazine, was the first contemporary steampunk story published in the U.S. Recent publications include *Knights of the Cornerstone*, *The Ebb Tide*, and *The Affair of the Chalk Cliffs*.

*The Island of Missing Trees* Elif Shafak, 2021-11-02 A REESE'S BOOK CLUB PICK Winner of the 2022 BookTube Silver Medal in Fiction \* Shortlisted for the Women's Prize for Fiction A wise novel of love and grief, roots and branches, displacement and home, faith and belief. Balm for our bruised times. -David Mitchell, author of *Utopia Avenue* A rich, magical new novel on belonging and identity, love and trauma, nature and renewal, from the Booker-shortlisted author of *10 Minutes 38 Seconds in This Strange World*. Two teenagers, a Greek Cypriot and a Turkish Cypriot, meet at a taverna on the island they both call home. In the taverna, hidden beneath garlands of garlic, chili peppers and

creeping honeysuckle, Kostas and Defne grow in their forbidden love for each other. A fig tree stretches through a cavity in the roof, and this tree bears witness to their hushed, happy meetings and eventually, to their silent, surreptitious departures. The tree is there when war breaks out, when the capital is reduced to ashes and rubble, and when the teenagers vanish. Decades later, Kostas returns. He is a botanist looking for native species, but really, he's searching for lost love. Years later a *Ficus carica* grows in the back garden of a house in London where Ada Kazantzakis lives. This tree is her only connection to an island she has never visited--- her only connection to her family's troubled history and her complex identity as she seeks to untangle years of secrets to find her place in the world. A moving, beautifully written, and delicately constructed story of love, division, transcendence, history, and eco-consciousness, *The Island of Missing Trees* is Elif Shafak's best work yet.

*Mystery in Acambaro* Charles H. Hapgood, 1999-12 The Acambaro collection comprises hundreds of clay figurines that are apparently thousands of years old; however, they depict such bizarre animals and scenes that most archaeologists dismiss them as an elaborate hoax. The collection shows humans interacting

with dinosaurs and various other 'monsters' such as horned men. Both Hapgood and Earl Stanley Gardner were convinced that the figurines from Acambaro were authentic ancient artifacts that indicated that men and dinosaurs had cohabited together in the recent past, and that dinosaurs had not become extinct many millions of years ago as commonly thought. David Hatcher Childress writes a lengthy introduction concerning Acambaro, the latest testing, and other evidence of 'living' dinosaurs.

**Gravity Falls: Journal 3 Special Edition** Alex Hirsch, Rob Renzetti, 2017-06-13 Untie the string and unwrap the brown paper to reveal . . . Journal 3 Limited Edition! This 288-page book contains all of the content of the regular edition, plus all-new top-secret black light pages on real parchment; a cover with leather texture and shiny metallic pieces; a magnifying glass; a tassel bookmark; and removable photos and notes. This \$150 limited edition will also include a signed note from the creator of Gravity Falls and co-writer of Journal 3, Alex Hirsch himself.

Secret at Mystic Lake Carolyn Keene, 2014-05-06 To celebrate her birthday, George is taking Nancy and Bess on a bike tour around Mystic Lake, but when their tour guide disappears and unknown adversaries steal their supplies and slash their tires,

Nancy begins looking for clues.

### **John Dee's Five Books of Mystery John Dee, Joseph H.**

Peterson, 2003-01-01 Discovered in a hidden compartment of an old chest long after his death, the secret writings of John Dee, one of the leading scientists and occultists of Elizabethan England, record in minute detail his research into the occult. Dee concealed his treatises on the nature of humankind's contact with angelic realms and languages throughout his life, and they were nearly lost forever. In his brief biography of John Dee, Joseph Peterson calls him a true Renaissance man? detailing his work in astronomy, mathematics, navigation, the arts, astrology, and the occult sciences. He was even thought to be the model for Shakespeare's Prospero. All this was preparation for Dee's main achievement: five books, revealed and transcribed between March 1582 and May 1583, bringing to light mysteries and truths that scholars and adepts have been struggling to understand and use ever since. These books detail his system for communicating with the angels, and reveal that the angels were interested in and involved with the exploration and colonization of the New World, and in heralding in a new age or new world order. While Dee's influence was certainly felt in his lifetime, his popularity has grown tremendously since. His

system was used and adapted by the Hermetic Order of the Golden Dawn, and subsequently by Aleister Crowley. This new edition of John Dee's Five Books of Mystery is by far the most accessible and complete published to date. Peterson has translated Latin terms and added copious footnotes, putting the instructions and references into context for the modern reader.

**The Lost Book of Eleanor Dare** Kimberly Brock, 2022-04-12 The fate of the world is often driven by the curiosity of a girl. What happened to the Lost Colony of Roanoke remains a mystery, but the women who descended from Eleanor Dare have long known that the truth lies in what she left behind: a message carved onto a large stone and the contents of her treasured commonplace book. Brought from England on Eleanor's fateful voyage to the New World, her book was passed down through the fifteen generations of daughters who followed as they came of age. Thirteen-year-old Alice had been next in line to receive it, but her mother's tragic death fractured the unbroken legacy and the Dare Stone and the shadowy history recorded in the book faded into memory. Or so Alice hoped. In the waning days of World War II, Alice is a young widow and a mother herself when she is unexpectedly presented with her birthright: the deed to Evertell, her abandoned family home

and the history she thought forgotten. Determined to sell the property and step into a future free of the past, Alice returns to Savannah with her own thirteen-year-old daughter, Penn, in tow. But when Penn's curiosity over the lineage she never knew begins to unveil secrets from beneath every stone and bone and shell of the old house and Eleanor's book is finally found, Alice is forced to reckon with the sacrifices made for love and the realities of their true inheritance as daughters of Eleanor Dare. In this sweeping tale from award-winning author Kimberly Brock, the answers to a real-life mystery may be found in the pages of a story that was always waiting to be written. Praise for *The Lost Book of Eleanor Dare*: "From the haunting first line, *The Lost Book of Eleanor Dare* transports the reader to a mysterious land, time and family . . . the captivating women of the Dare legacy must find their true inheritance hiding behind the untold secrets." —Patti Callahan, New York Times bestselling author *Historical women's fiction Stand-alone novel* Book length: approximately 135,000 words Includes discussion questions for book clubs

*America* ,1925 The Jesuit review of faith and culture, Nov. 13, 2017-

*Youth's Companion* ,1925

The Story Of An Hour Kate Chopin, 2014-04-22 Mrs. Louise Mallard, afflicted with a heart condition, reflects on the death of her husband from the safety of her locked room. Originally published in Vogue magazine, “The Story of an Hour” was retitled as “The Dream of an Hour,” when it was published amid much controversy under its new title a year later in St. Louis Life. “The Story of an Hour” was adapted to film in The Joy That Kills by director Tina Rathbone, which was part of a PBS anthology called American Playhouse. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Gravity Falls: Lost Legends Alex Hirsch, 2018-07-24 A collection of four all-new strange stories from the sleepy town of Gravity Falls in one original graphic novel. Written by Alex Hirsch. Illustrated by Asaf Hanuka, Dana Terrace, Ian Worrel, Jacob Chabot, Jim Campbell, Joe Pitt, Kyle Smeallie, Meredith Gran, Mike Holmes, Priscilla Tang, Serina Hernandez, Stephanie Ramirez, and Valerie Halla.

**The Book of Disquiet: The Complete Edition** Fernando

Pessoa,2017-08-29 For the first time—and in the best translation ever—the complete Book of Disquiet, a masterpiece beyond comparison The Book of Disquiet is the Portuguese modernist master Fernando Pessoa’s greatest literary achievement. An “autobiography” or “diary” containing exquisite melancholy observations, aphorisms, and ruminations, this classic work grapples with all the eternal questions. Now, for the first time the texts are presented chronologically, in a complete English edition by master translator Margaret Jull Costa. Most of the texts in The Book of Disquiet are written under the semi-heteronym Bernardo Soares, an assistant bookkeeper. This existential masterpiece was first published in Portuguese in 1982, forty-seven years after Pessoa’s death. A monumental literary event, this exciting, new, complete edition spans Fernando Pessoa’s entire writing life.
