Landscape and the Environment in Hollywood Film Ellen E. Moore,2017-11-09 This book systematically explores how popular Hollywood film portrays environmental issues through various genres. In so doing, it reveals the influence exerted by media consolidation and the drive for profit on Hollywood's portrayal of the natural landscape, which ultimately shapes how environmental problems and their solutions are presented to audiences. Analysis is framed by a consideration of how cultural studies can make more theoretical and practical room for environmental concern, thereby expanding its capacity for critical examination. The book begins by introducing the theoretical underpinning of the research as it relates to cultural studies, landscape, and genre. In the chapters that follow, each genre is taken in turn, starting with popular animated family films and progressing through spy thrillers, eco-thrillers, science fiction, Westerns, superhero films, and drama. This book is ideal for students and scholars in a variety of disciplines, including film, environmental studies, communication, political economy, and cultural studies.

Contemporary Management Dianne Waddell,2013 This unique text follows a nonprescriptive, real-world approach to management and is written in an accessible style allowing for flexibility in both teaching and learning. Used at both an undergraduate and postgraduate level, Contemporary Management has a concise structure designed to meet the needs of trimesters and 12 week teaching schedules. The uncluttered internal design alongside the modern treatment of the topic makes this text significantly different to other texts in the market. There are all new in-chapter case studies, new Australian videos and a full range of excellent online resources. Also, this edition includes a new end of book section containing two unique integrated case studies exploring tourism management in Australian tourism destinations: Skyrail in Cairns and Flinders Island, Tasmania. Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

On Fortune's Wheel Cynthia Voigt,2013-02-26 There are some who say that the Lady Fortune has a wheel, and all men are fixed upon it. The wheel turns, and the men rise, or fall, with the turning of the wheel. Birle has agreed to be wed to the huntsman Muir as an escape from the drudgery of life at her father's inn—but the moment she looks into the bellflower blue eyes of the man she comes upon stealing one of her father's boats, Birle knows she cannot marry Muir. Even after she discovers the mysterious stranger is Orien, a Lord and as unreachable to an innkeeper's daughter as a star, Birle is determined to travel with him as far as he will allow. Their travels take Birle to a world far from home, a world where Lords may become slaves, where Princes rule by fear, and where Fortune's Wheel turns more swiftly and dangerously than Birle could have imagined. Newberry Medalist Cynthia Voigt's second novel of the Kingdom, set two generations later than Jackaroo, is a memorable combination of thrilling adventure and heart-stopping romance.

Squashed Joan Bauer,2005-06-02 Humor, agriculture and young love all come together in Joan Bauer's first novel, set in rural Iowa. Sixteen-year-old Ellie Morgan's life would be almost perfect if she could just get her potentially prize-winning pumpkin to put on about 200 more pounds--and if

she could take off 20 herself...in hopes of attracting Wes, the new boy in town. Ninth Annual Delacorte Press Prize for an Outstanding First Young Adult Novel.

Pirates of Pensacola Keith Thomson,2005-04 The Cooke and Hood families have been at each other's throats since the Spanish Main days. The latest chapter in their piratic rivalry takes place in 2004, when an old treasure map turns up. None of this seems to matter to Morgan Cooke, a cowardly, landlubbing accountant entirely ignorant of his heritage until his estranged father, Isaac, in need of crewmen, kidnaps him and thrusts him into the fray. When Morgan wakes up on a boat in the middle of the Caribbean, he learns that piracy still flourishes, albeit with far more discretion than in the old days--pirates disguise their fast boats as shrimpers or tugs--but with no less bloodshed. Judging even a shot at riches vastly preferable to a return to his lonely, fluorescent-lit work station existence, Morgan pierces his ear, dons the eye patch and peg leg, and set sail for glorious adventure.

The Latham Diaries Mark Latham,2011-04-01 Here are the political diaries of one of Australia's most promising national leaders—published within twelve months of his resignation from office—an historic first. The Latham Diaries are searingly honest bulletins from the front line of Labor politics. They provide a unique view into the life of a man, the Party and the nation at a crucial time in Australian history. Mark Latham resigned from parliament in January 2005, after only fourteen months as Leader of the Opposition, amid bitter post-election recrimination and his own ill health. From the beginning of his career he was viewed by many observers as the ALP's resident intellectual and larrikin, the great hope of a new generation with the drive and talent to become prime minister. So why did his career end so abruptly? As The Latham Diaries reveal, the rising tide of public cynicism about politics, the cult of celebrity, the dangerous liaison between politics and the media, and the sickness at the heart of the Labor machine all played their part. As did Latham's own errors, as he candidly records in these diaries. This is a riveting chronicle of life inside politics: the backroom deals, the frontroom conniving, the bitter defeat of idealism and the triumph of opportunism. The Latham Diaries is not just the story of the Labor Party in the last years of the twentieth century and the early twenty-first century, but a sobering account of the state of Australian democracy 100 years after Federation.

The Girl in the Box Ouida Sebestyen,1999-10-20 To Anybody Out There My name is Jackie McGee. I am the girl who disappeared. Listen to the news. See if other pieces of paper are scattered nearby. Left in an underground cement room by an unknown captor, Jackie has food and water but no light or human contact. She does not know when-or if-her abductor will return. As her desperation mounts, Jackie touch-types to focus her mind: letters to her family, a story for her English class, and reflections on her life in the past few months. In her isolation and fear, Jackie is forced to test her emotional boundaries, and in doing so she finds new meaning in her past as well as rich reserves of strength and courage within herself.
