Digital Gambling César Albarrán-Torres, 2018-03-28 This book develops the concept of gamble-play media, describing how some gambling and gambling-like practices are increasingly mediated by digital technologies. Digital gambling brings gambling closer to the practices and features of videogames, as audio-visual simulations structure users' experiences. By studying digital gambling from media studies, videogame and cultural studies approaches, this book offers a new critical perspective on the issues raised by computer-mediated gambling, while expanding our perspective on what media and gambling are. In particular, it critically analyses terrestrial, mobile and online slot machines, online poker and stock trading apps through a selection of case studies.

Vegas or Bust Johnny Kampis,2018-05-22 Can a former semi-pro win against the best poker players in the world? In 2006, Johnny's pie-in-the-sky dreams of becoming world champion were dashed when his kings ran into aces in the World Series of Poker Main Event. But lady luck was with him when he met Amy, the woman of his dreams, who soon became his wife. Like many players, he drifted away from the game after Congress passed a law later that year that cut off funds to online poker and harkened the decline of the game. But even as Johnny returned to the

working world, the itch remained. A decade later, now with two small kids in tow, Johnny convinces Amy to take a six-week family trip from their home in rural Alabama to Las Vegas, where he will risk his \$10,000 bankroll in hopes of playing in the Main Event again and winning millions. Along the way, he examines how the game has changed since 2006. Although the Unlawful Internet Gambling Enforcement Act was the beginning of the end of the poker boom, the game still thrives, and WSOP is Exhibit A. Johnny also muses on the outlandishness of the adult fairyland that is Vegas.

High Stakes Gary Provost, 2017-10-08 For decades, the name Las Vegas summoned up the image of a neon world of nonstop gambling, gangsters, sex, and adult entertainment. But today, Las Vegas has transformed itself into a family vacation spot second only to Disneyworld on America's leisure-time itinerary. What—and who—is responsible for this multibillion-dollar transformation? With High Stakes, Gary Provost takes the reader on a wide-ranging tour of Nevada's newly revitalized 21st-century vacation world. This inside look at both the gaming business and its new total entertainment centers, which now host twenty million visitors a year, reveals how Las Vegas became a clean, attractive, family-oriented resort. Today, casino gambling is just one attraction of many, most of them new: amazing theme parks, spectacular virtual-reality rides, futuristic glass domes, the world's tallest tower, a sky laser that can be seen all the way to Los Angeles. Circus Circus Enterprises Inc. is used as a model of

excellence to show how the Las Vegas gaming industry develops, markets, and delivers its entertainment product at a lower price, and with greater profits, than any of its competitors. Highlighted by a preview of Circus Circus' astonishing pyramid—Luxor—the new centerpiece of the greatest gaming empire in history, *High Stakes* includes extensive interviews with Luxor's legendary creator, William G. Bennett, the man who taught the entire gaming industry how to attract the vast market of family-oriented vacationers. Also covered are all the games of chance that a casino like Circus Circus offers and the odds each gives; everything the casino hands out for free and why; the different ways in which high rollers and ordinary folk are treated; how legendary casinos of the past have crashed to oblivion and the hot newcomers that have taken their place; and the increasing competition from Atlantic City and the growing list of other venues of legal gambling in the United States. Timely, wide-ranging, and well informed, this eye-opening book traces the evolution of Las Vegas from Sin City to the Orlando of the West. Whether you are interested in gambling, business, or the changing face of America, *High Stakes* is fascinating.
