Count My Vote Steven Rosenfeld,2008 Count My Vote is a hands-on voter's guide to navigating every possible voting situation one might encounter in the upcoming elections. The extended primary and caucus season in early 2008 has shown that in state after state, numerous problems face voters -- problems that may be the beginning of a larger issue poised to surface on November 4, 2008. Count My Vote prepares the voting public to cast their ballots with confidence. Voters will learn how to deal with new voting technology and will get tips on avoiding problems at the polls in all 50 states. The guide analyzes reports by activists, public interest lawyers, and voter demographics across America, and provides suggestions on what voters should be aware of before heading to the polls. Count My Vote also offers a state-by-state description of voting procedures and deadlines and lists important resources.

"Just Buy My Vote" Joseph L. Simmons Jr.,2023-01-23 It is a federal and state felony to buy or sell votes, or to offer to buy or sell votes, yet "Just Buy My Vote": African American Voting Rights, and the Chicago Condition is a unique story that must be told. It is a story where I attempt to summarize without excruciating detail the relevant portions of nearly three centuries. "Just Buy My Vote" is also unique in that it covers race relations, black history and urban history; written from the perspective of the Southside of Chicago. "Just Buy My Vote" is intended to inform the reader about the significance of voting, by explaining voting rights in layman terms, with the use of the voting rights laws, history, philosophy, and sociology. It is an effort to raise the level of political consciousness among Americans, to help readers to realize the history of voting rights and be encouraged to use the power of the vote to further all of our best economic and social interests. Thankfully, in the presidential election of 2020, we got the voting part right! We now have a democracy to save. "Just Buy My Vote" is a tale of two stories. First, it tells a story about how African Americans in this country attained the right to vote, and utilized that power to improve their lives, and the lives of many others, for future generations. And secondly, "Just Buy My Vote" uses Chicago as a case study of how voting rights and voter apathy, helped enable an old school "political villain" and his machine, to maintain a system of public and governmental corruption in Chicago for two decades. In my writing this book, I aimed to inform on history, and have also attempted to describe a journey, within a journey.

Why Barack Obama Won My Vote Texas James (Leroy Tapia),2008-09-13 With Quotes from Barack Obama and Dr. Martin Luther King; Let freedom ring from every hill and molehill of Mississippi - from every mountainside. Let freedom ring. And when this happens, and when we allow freedom ring - when we let it ring from every village and every hamlet, from every state and every city, we will be able to speed up that day when all of God's children - black men and white men, Jews and Gentiles, Protestants and Catholics - will be able to join hands and sing in the words of the old Negro spiritual: Free at last! Free at last! Thank God Almighty, we are free at last! -Dr. Martin Luther King

I know that God is still in charge, and I thank Him for leading me to write about the way of life that I endured and how He gave the words to put on paper and I give all the Glory to God by saying yes and Amen. The trail and tribulations that I endured from my childhood, high school, military, VA, and college was just a setup to be the Help Ministry leader at our church for the homeless and brothers and sisters who don't know God yet. If you think about it, maybe it could have been me trying to live this life minus God. Thank you, Jesus.
