10% Happier Dan Harris, 2014-03-11 #1 New York Times Bestseller REVISED WITH NEW MATERIAL Winner of the 2014 Living Now Book Award for Inspirational Memoir An enormously smart, clear-eyed, brave-hearted, and quite personal look at the benefits of meditation. —Elizabeth Gilbert Nightline anchor Dan Harris embarks on an unexpected, hilarious, and deeply skeptical odyssey through the strange worlds of spirituality and self-help, and discovers a way to get happier that is truly achievable. After having a nationally televised panic attack, Dan Harris knew he had to make some changes. A lifelong nonbeliever, he found himself on a bizarre adventure involving a disgraced pastor, a mysterious self-help guru, and a gaggle of brain scientists. Eventually, Harris realized that the source of his problems was the very thing he always thought was his greatest asset: the incessant, insatiable voice in his head, which had propelled him through the ranks of a hypercompetitive business, but had also led him to make the profoundly stupid decisions that provoked his on-air freak-out. Finally, Harris stumbled upon an effective way to rein in that voice, something he always assumed to be either impossible or useless: meditation, a tool that research suggests can do everything from lower your blood pressure to essentially rewire your brain. *10% Happier* takes readers on a ride from the outer reaches of neuroscience to the inner sanctum of network news to the bizarre fringes of America's spiritual scene, and leaves them with a takeaway that could actually change their lives.

My 10 Strategies for Integrative Coaching Vincent Lenhardt, 2017-09-04 This book gives coaches, and all leaders, the wider perspective and the practical tools to help those they work with to achieve deep and lasting change that generates long-term performance. Who we are, and how we relate to others, is a major factor in the sustainable development of organizations and communities today. The helping relationship—whether as coach, manager, trainer, teacher or leader—is central to developing this capacity to relate—not only to others but also to ourselves. This book provides a series of innovative concepts and practical tools for those involved in helping relationships, as they help others develop and transform. It provides five operational strategies that answers the questions “What should I do?” and “How should I do it?”. It then offers four strategies to help a person build their own identity. Finally, it describes a “crystallization” strategy that encompasses all the others, and enables a person to crystalize what has been occurring during the helping relationship. It also provides a unique perspective on the place of coaching in the context of the evolution of our species towards an empathetic civilization, of our society to and beyond the third industrial revolution, and of our companies as they reinvent the way they organize in the 21st century to give greater autonomy to those who work in them and harness the power of participative democracy in the workplace. A central theme of the book is freedom and responsibility. Having found, then fully accepted our freedom, we go beyond freedom, and take the path towards responsibility. Both client and coach chart their path on this journey through the alliance they create, and through which deep meaning is born for both.

Your Angels Guard My Steps (Rekindling the Inner Fire Book #10) Bernard of Clairvaux, 1998-09-01 Writings that touch the pure-flaming heart of God ... from the men and women who walked with Him through the ages...guiding into a deeper friendship with the Father of Lights. Today, when there is so much interest in the invisible world of angels and demons, how can we know whether the speculation about angelic interventions, swordplay in the heavenlies, and signs in the sky is true? What role do angels actually play in our lives? Bernard of Clairvaux (1090-1153) stands among the rare handful of men and women gifted with true insight into the unseen, supernatural world. Known throughout the medieval church as a spiritual doctor, he was given both a spectacular vision of angels and the wisdom to understand their purposes among men. May his words fix in your soul a vision of the beauty of God himself, and may you sense the help of angels, as they guide you to the real presence of the One true Lover of your soul.
