My Dream Time Ash Barty,2022-11-01 It's a tennis story. It's a family story. It's a teamwork story.

It's the story of how I got to where and who I am today. WINNER OF THE ABIA AWARD FOR BEST BIOGRAPHY 2023 I'm only in my mid-twenties, and some might think that's young to write a memoir. Who does that, right? But for me and my team it's always been important to reflect on every part of the journey, especially the end. In that context, the timing is perfect to share my story, from the first time I picked up a racquet as a 5-year-old girl in Ipswich to the night I packed up my tennis bag at Melbourne Park after winning the 2022 Australian Open. This book gives me a chance to look back at every moment of the 20 years in between, and to think carefully through the highs and lows, the work and the play, the smiles and the tears. Telling my story also gives me an opportunity to do more than simply thank those who mean the most to me - it provides a way to honour them as an integral part of that tale, as the very secret behind my success. Some of them you might know - such as my longtime coach, Craig Tyzzer - and some of them you might not - like my first childhood coach, Jim Joyce. There are mates like Casey Dellacqua and Alicia Molik. Mentors such as tennis icon Evonne Goolagong Cawley and mindset coach Ben Crowe. My parents and sisters and my husband have sacrificed as much as I have over the years - this book is also for them. My Dream Time is about finding the path to being the best I could be, not just as an athlete but as a person, and to consider the way those identities overlap and compete. We all have a professional and a personal self. How do you conquer nerves and anxiety? How do you deal with defeat, or pain? What drives you to succeed - and what happens when you do? The answers tell me so much, about bitter disappointments and also dreams realised - from injuries and obscurity and self-doubt to winning Wimbledon and ranking number 1 in the world. My story is about the power and joy of doing that

thing you love and seeing where it can take you, about the importance of purpose - and perspective - in our lives.

Travis Kelce Michael J Mathis, 2023-11-07 Travis Kelce: My Life, My Game, My Heritage is the collection of memoirs of one of the best close finishes in NFL history. In this book, Kelce shares his story from his experience growing up in Cleveland to his school vocation at Cincinnati to his fame in Kansas City. He discusses the difficulties he faced en route, the illustrations he learned, and the individuals who assisted him with succeeding. Kelce likewise expounds on his enthusiasm for the sport of football and his obligation to his colleagues. He shares his bits of knowledge on the stuff to be a boss and how to accomplish your objectives. This book is a must-peruse for any enthusiast of the NFL or of Travis Kelce himself. It is a rousing tale about defeating hindrances, accomplishing your fantasies, and leaving a heritage.

Jimmy Connors Saved My Life Joel Drucker, 2004 Drucker provides the most thorough examination ever attempted of one of the most complex characters in recent sports history. He has combined meticulous research and dozens of interviews with his first-hand experience to craft a book that is both a comprehensive biography of Connors and a memoir of the author's life. as it intersected and ultimately clashed with the tennis superstar.

Columbia Martial Arts and Fitness My Fitness Six Weeks Gray, 2016-09-02 My First Six Weeks

My Life-Long Affair with Sport Craig Lock, 2013-06-07 A tale of my intense passion for all sports throughout my life. The important thing in the Olympic Games is not to win but to take part; just as the important thing in life is not the triumph but the struggle. The essential thing is not to have conquered but to have fought well.

Baron Pierre de Coubertin (Founder of the Modern Olympic Games) Those words apply to active sportsmen and not passive sports lovers/watchers like me. This book is not written by a famous sportsman; it has been written for the countless sports enthusiasts throughout South Africa, who like me might not have too much sporting talent. Writing this work has certainly been a pleasure reminiscing about the past and it has not been a struggle for me. This work is dedicated to my father Raymond Carruthers, who is well known in South Africa (for business and his great love for sport) and he instilled in me from a very young age a great love for all kinds of sports. RC still lives in Durban and is a great follower of Natal sport, especially rugby and cricket since changing his loyalties from Western Province many years ago. Also thank you mom (Hazel) for giving me a bit of your creativity. You weren't much of a sportswoman but you are a familiar sight walking around Claremont. I still remember your illustrious golfing career when you and your great friend Ria Louw had lessons at the Clovelly Country Club to the amusement of the pro. This work is also devoted to my beloved wife Marie, a quiet New Zealander. She gave up so many hours of her favourite TV dramas for me to watch my beloved sports and remain the ultimate sporting couch potato or lazy slob whatever you may wish to call me. However she now loves her cricket and soccer- quite a transformation coming from the most unsporty family you could wish to meet, but otherwise very kind, generous and down-to-earth people from Gisborne. For them purgatory would be having to watch a five day cricket test; they are immensely relieved that a new TV channel here has got the sport so they can watch their soapies. Also thank you Marie for the great help in the immense task of proofreading this manuscript. Finally this book is dedicated to all those

sportsman who with their exploits have filled my life with so much pleasure over the years. Some of them I have named but all the unsung heroes too numerous to mention have played a part.
