Naked Gina Gordon,2016-01-26 In this “fun, sexy, emotional read” (Lisa Renee Jones), one woman discovers the courage to face life’s greatest challenges—and explore her connection with a handsome neighbor. Violet Walker has been hiding. Withdrawn after a terrible car accident, she is worried about going back to her high-pressure job, where she’s expected to project confidence and sleek refinement. Allowing herself a distraction, she’s been watching her sexy neighbor work on his house. But when the shirtless, grinning hunk catches her in the act, Violet is struck by the unmistakable jolt of physical chemistry, a sensation that’s both thrilling and terrifying. Noah Young is used to moving from one construction job to another, never laying a firm foundation. The same goes for the women in his life—until Violet changes all that. His beautiful voyeur embraces his rough edges and shows him a hint of real love. But even Noah can tell that she’s holding back, hiding her body and her heart from what they both truly want. If only he could get a little help convincing Violet to see herself as he sees her: perfect in every way. Praise for *Naked* “Naked is not to be missed. All I can say is, more Noah please!”—New York Times bestselling author Lisa Renee Jones “A fun, sexy story that will make your heart race, *Naked* is a great swoony romance!”—New York Times bestselling author A. Meredith Walters “This book hit me straight in the feels. So powerful and sensual. I was hooked from page one. Gina Gordon is now on my one-click list.”—USA Today bestselling author Jamie K. Schmidt “I’m addicted to Gina Gordon, and it only took one page.”—Cassie Mae, author of the All About Love series “Naked is an emotional journey—sprinkled with lots of hot sex! The way Violet confronts her insecurities will move and inspire you.”—Christi Barth, author of *Risking It All* “Scorching hot! With a wickedly sexy hero and a powerful yet vulnerable heroine, you’ll absolutely devour Gina Gordon’s *Naked*.”—Jessica Lemmon, author of *Forgotten Promises* “A wonderfully moving and sensual story of a woman overcoming life’s obstacles—and how better than with a shiver-inducing hero?”—Shana Gray, author of *After the Hurt* “Naked is irresistible, steamy, and satisfying! It’s easy to identify with Gordon’s high-powered CEO heroine, who hides her deepest longing—to be valued simply for herself—under protective layers. But you know who’s good at stripping layers? A crazy-hot neighbor who works with his hands. Commence the sizzling demolition! You won’t want to miss this bold and sexy wake-up call to love!”—Amanda Usen, author of *Impulse Control* “Naked is a quick read, mainly due to the fact that I just couldn’t put it down. . . . [The story has] a lot of emotional depth.”—Book Angel Booktopia “For as unsure of herself as Violet is, at the end she gets pretty kick-ass. I enjoyed this book, and I liked the development of Violet coming out of her self-issues.”—The Romance Factor “This is one steamy book. . . . And it’s just the beginning, so this is going to be a great series!”—Once Upon an Alpha Includes an excerpt from another Loveswept title.

Look Better Naked Michele Promaulayko,Maura Rhodes,2011-04-26 *Look Better Naked* is a diet, exercise, beauty, and self-confidence plan from the editor-in chief of Women's Health, the magazine that knows how to speak to women in a smart, inspiring way. The book offers expert tips and simple plans for reshaping a woman's body quickly and easily. It reveals the powerfoods a woman should put on her plate every day and has a workout plan that delivers results in just 15 minutes a day. The plan also helps a woman: • flatten her belly • tone her legs • tighten her butt • improve her skin and hair A woman's posture, her pride, her personal power—they all go together. *Look Better Naked* shows a woman how to be the best possible version of herself that she can be.

The Nude Richard Leppert,2018-05-04 *The Nude* explores some of the principal ways that paintings of the nude function in the conflicted terrain of culture and society in Europe and America from the fifteenth through twentieth centuries, as set against questions about human sexuality that emerge around differences of class, gender, age, and race. Author Richard Leppert relates the visual history of how the naked body intersects with the foundational characteristics of what it is to be human, measured against a range of basic emotions (happiness, delight, and desire; fear, anxiety, and abjection) and read in the context of changing social and cultural realities. The bodies comprising the Western nude are variously pleased or tormented, ecstatic or bored, pleased or horrified. In short, as this volume amply demonstrates, the nude in Western art is a terrain on whose surface is written a summation of Western history: its glory but also its degradation.

Physique Peter Kühnst,2004 Kühnst's thoughtful selection of images traces the history of the nude athlete in photography from the mid-19th century to the present. This sumptuous and beautifully printed survey is sure to captivate both lovers of fine photography and sports fans.

On the Nude Nicholas Chare,Ersy Contogouris,2021-11 This book provides a timely reappraisal of one of the most enduring subjects in the history of art - the naked body. Beginning with reflections on what denuding entails and means, the volume then shifts to a consideration of body politics in the context of Black political empowerment, disability, and queer and Indigenous politics of representation. Themes including the animal nude, the male nude, and nudity in childhood are also considered. The final section examines the nude from the perspective of the artist and the artist's model. The book will be of interest to scholars working in art history, comparative literature, cultural studies, gender studies, queer studies, screen studies, and trans studies--

Free and Natural Sarah Schrank,2019-07-12 From Naked Juice® to nude yoga, contemporary society is steeped in language that draws a connection from nudity to nature, wellness, and liberation. This branding promotes a free and natural lifestyle to mostly white and middle-class Americans intent on protecting their own bodies—and those of society at large—from overwork, environmental toxins, illness, conformity to body standards, and the hyper-sexualization of the consumer economy. How did the naked body come to be associated with naturalness, and how has this notion influenced American culture? Free and Natural explores the cultural history of nudity and its impact on ideas about the body and the environment from the early twentieth century to the present. Sarah Schrank traces the history of nudity, especially public nudity, across the unusual eras and locations where it thrived—including the California desert, Depression-era collectives, and 1950s suburban nudist communities—as well as the more predictable beaches and resorts. She also highlights the many tensions it produced. For example, the blurry line between wholesome nudity and sexuality became impossible to sustain when confronted by the cultural challenges of the sexual revolution. Many longtime free and natural lifestyle enthusiasts, fatigued by decades of legal battles, retreated to private homes and resorts while the politics of gay rights, sexual liberation, environmentalism, and racial equality of the 1970s inspired a new generation of radical advocates of public nudity. By the dawn of the twenty-first century, Schrank demonstrates, a free and natural lifestyle that started with antimaterialist, back-to-the-land rural retreats had evolved into a billion-dollar wellness marketplace where Naked™ sells endless products promising natural health, sexual fulfilment, organic food, and hip authenticity. Free and Natural provides an in-depth account of how our bodies have become tethered so closely to modern ideas about nature and identity and yet have been consistently subjected to the excesses of capitalism.

Live Longer, Feel Better, and Look Great Naked! Russ Yeager,2015-06-24 Have ever wondered what it really takes to look and feel 10 years younger than your actual age? Naked in 30 Days Theresa Roemer,2016-03-13 All you need is one month and the determination to change your life Naked in 30 Days is a day-by-day guide to getting yourself in shape through the insider secrets the author has learned in her decades as a fitness expert and award-winning body builder, as well as through diet and exercise and life experience. Theresa's passion for health inspired her to write Naked in 30 Days to empower women to feel as vibrant and healthy at 45 and beyond as they did at 25. Anyone can do anything for a period of 30 days, and if you put yourself on this plan, you will find that you change your approach to food and exercise, as well as your relationship to both. Before you know it, you'll be standing naked with yourself...and proud of who you are and how you got there.

The Naked Nude Frances Borzello,2022-08-18 The representation of the nude in art remained for many centuries a victory of fiction over fact. Beautiful, handsome, flawless its great success was to distance the unclothed body from any uncomfortably explicit taint of sexuality, eroticism or imperfection. In this newly updated study, Frances Borzello contrasts the civilized, sanitized, perfected nude of Kenneth Clarks classic, The Nude: A Study in Ideal Form (1956), with today's depictions: raw, uncomfortable, both disturbing and intriguing. Grittier and more subtle, depicting variously gendered bodies, the new nude asks awkward questions and behaves provocatively. It is a very naked nude, created to deal with the issues and contradictions that surround the body in our time. Borzello explores the role of the nude in twentieth- and twenty-first-century art, looking at the work of a wide range of international artists creating contemporary nudes. Her fascinating text is complemented by a profusion of well-chosen, unusual and beautifully reproduced illustrations. The story begins with a tale of life, death and resurrection an investigation into how and why the nude has survived and flourished in an art world that prematurely announced its demise. Subsequent chapters take a thematic approach, focusing in turn on Body art and Performance art, the new perspectives of women artists, the nude in painting, portraiture and sculpture and in its most extreme and graphic expressions that intentionally push the boundaries of both art and our comfort zone. The final chapter illustrates radical developments in art and culture over the last decade, focusing in particular on artworks by women, trans artists and artists of colour. Borzello links these works to their art-historical and political predecessors, demonstrating the continually unending capacity of the nude to disrupt traditional hierarchies and gender categories in life and art.

Naked Fitness Andrea Metcalf,2010-12-28 Naked Fitness is not about working out in the nude. And it's not about being dressed in the best workout attire either. Naked Fitness is about stripping away all the clutter that stops you from getting your wonderful, beautiful body into the best shape possible. It's about breaking down the barriers and fears that are keeping you from becoming motivated and staying on track. It's about learning how to move your body without pain, align it to its fullest potential, and recognize how the correct alignment impacts your daily health. Naked Fitness is not just another exercise book. Instead, it uniquely tailors a solution specific

to your body and build. In Naked Fitness, you will look in the mirror and find your fountain of youth. Whether you are a couch potato or an agile athlete, you will learn how to look at your body and understand exactly what it needs to be in perfect alignment, and to feel and look your very best. The “Daily Ten” personalized routines are specific to which part of your spine needs alignment to function better. Whether you’re looking to lose weight, live healthier, or improve your performance on and off the field, you will find the answers in Naked Fitness. You can then take your routine one step further by completing the Naked Fitness web questionnaire and download your personalized exercise routine DVD.

Locker Room Diaries Leslie Goldman,2007-09-10 Often dressed in no more than a towel, author Leslie Goldman spent five years talking with women of all ages, shapes, and sizes about what goes into “shaping” not just their bodies but their body image. From compulsive workouts to daily dates with the scale to body fat measurements, American women are swept up in a constant quest for perfection. But the loudest voices here are those of the senior women who speak candidly of their long road to self-acceptance. Funny, smart, and confiding, Locker Room Diaries is a wake-up call for any woman who has ever wished her body were something other than it is; this book “reminds you that the ‘perfect’ body is your body.” (Wendy Shanker).

How to Feel Good Naked Sheila Bridge,2012-07-18 The concept of the ideal sexy body still dominates fashion, advertising - and our thinking. Success, status and sex appeal are all interwoven. Sheila argues that this is dangerous to our well-being and contrary to the central Christian idea of our acceptance in Christ. She shows how we can break bad habits of body and mind, make the most of our corporeal selves and enjoy being the way God made us. As we learn to love our bodies we learn to love ourselves. Makeovers, she writes, are just not enough. 'I don't think you can just fix up the outside of a person. If you don't ever take a look on the inside and unpack all the self-loathing, and replace it with a deep down self-acceptance and a sense of being unconditionally loved, then no amount of surface rearrangement will ever be enough.'

The Naked Man Desmond Morris,2009-08-18 Examines biological features of the male anatomy in detail while considering how features have been modified, suppressed, or exaggerated by customs and fashions, in a history that combines zoological perspectives and anecdotes.

Feel Good Naked Ana Wilde,2014-04-02 Feel Good Naked No Matter How You Look There are many books on how to look good naked. There's even a TV show that seems to focus (ironically) on how to look better in clothes. However, the advice in most of the books focuses on diet and exercise to help you get in shape and tone up. But we all know changing your body is not easy. Perhaps you've tried many times and failed. What do you do then? This book will help, because it's different. Even if you don't change a thing about your shape, you'll feel better! In Feel Good Naked, you'll discover 35 practical strategies for making you feel great about your body especially for those times when you feel most vulnerable - getting naked in the bedroom with your guy. Each powerful strategy is completely stand alone so feel free to pick and choose the ones which appeal to you most. As you take each one on board, it will build another layer of confidence until your self-esteem is rock solid. Feel Good Naked: 35 Secrets Of Irresistible Body Confidence is for you if you feel inhibited about taking off your clothes with a new guy (or one you've known forever) you find it hard to be relaxed in bed with your guy because of how you look you worry that he will criticize or go off you once he sees you unclothed you think about your muffin top, love handles, wrinkles, breasts, scars or cellulite (or anything similar) instead of focusing on your pleasure and his you'd rather make love with the light off. Every woman deserves to feel good about her naked body. And confidence is such a turn-on - every man wants her to feel that way. If you're less than happy with your naked body, start building irresistible confidence in yourself today. Enjoy how good being confident feels!

Feel Good Naked Laure Redmond,2003 We all know a woman who turns heads whenever she enters a room, even though her legs are not perfect, her body not classically proportioned. And we all wonder, 'What does she have that I don't?'Æ Laure's 10-step Feel Good Naked program will teach you that her magnetism has everything to do with the way she feels about herself and little to do with isolated body parts. Most women are obsessed with their bodies, never happy with how much they weigh or how they look. Laure Redmond used to be one of those women, paralyzed by female body hatred, insecure and uncomfortable with her overweight appearance. With self-motivation, her specifically designed 10-step 'no diet' program (and a few setbacks along the way), Laure changed her perspective and her appearance. She has spent the last twenty years counseling other women with her unique 10-step program that sheds pounds easily and naturally while building self-esteem. Her clients are always amazed at how good they feel-lean, energetic, and most importantly, confident! Laure's Feel Good Naked program is the secret to finally loving the way you look. For ten years, Laure operated Body Design By Gilda, one of New York City's most respected exercise studios. Her clientele included many top celebrities like Helen Hunt, Andie MacDowell, Mary Tyler Moore and Madonna. In working with such high profile clients as well as many top models, Laure realized that how you look has nothing to do with how much you weigh, and everything to do with how you feel. Her fabulous innovative program has worked for countless women all across the country, and ten of these women share their success stories in Feel Good Naked. The 10

steps are simple, gradual, and require no special equipment, foods, or gadgets. All you need is the desire to feel better about yourself. You'll meet: -Erin, who needed to eat more and exercise less in order to lose weight - Susan, who has lost 100 pounds-without dieting -Theresa, who saved her marriage by learning how to feel better about herself and her body Discover: -Why just switching from diet soda to water will cause you to lose at least five pounds -How ten minutes of exercise can change your face and your life -Why you should never deprive yourself of your favorite tastes -Why learning how to breathe consciously is essential for losing weight -Why you don't need to meet Mr. Right to receive the ideal love letter -How to trim ten pounds off your appearance instantly! Let's face it-you'll never be a size 4 if your body was made to be a size 12. However, Feel Good Naked will teach you how to change the way you feel about your body, which ultimately determines how you look. Finally, there is a program to help you celebrate and love your body, making it as healthy and balanced as possible. You can feel strong. You can feel beautiful. You deserve to look and Feel Good Naked.

The Naked Truth Alys X. George,2022-01-21 In the popular imagination, turn-of-the-century Vienna is a cerebral place, marked by Freud, the discovery of the unconscious, and the advent of high modernist culture. But as historian Alys George argues, this stereotype of Viennese Modernism as essentially heady overlooks a rich cultural history of the body in the period. Spanning 1870 to 1930, The Naked Truth is an interdisciplinary tour de force that recasts the visual, literary, and performative cultures of the era and offers an alternative genealogy of this fascinating moment in the history of the West. Starting with the Second Vienna Medical School and its innovations in anatomy and pathology, George traces an emerging culture of bodily knowledge by analyzing a variety of written and visual media, including theater and dance, and by drawing connections between scientific and artistic discourses. Paying equal attention to both low and high culture, bringing gender and class issues back to the fore, and highlighting the role of female thinkers and writers, George's book makes a signal contribution to our understanding of late nineteenth- and early twentieth-century Viennese and European culture. The Naked Truth shows us that the inward turn cannot be understood until it is set against the backdrop of a culture obsessed with exploring and displaying humanity in its embodied, carnal form--

Public Nudity and the Rhetoric of the Body Brett Lunceford,2018-12-15 Public Nudity and the Rhetoric of the Body examines instances of public nudity where sexuality is at the forefront of public body display. It presents case studies that raise discussions about identity, self-determination, and sexuality, and illustrate the complicated rhetorical nature of the human body in the public sphere.

Naked Politics Brett Lunceford,2012 Naked Politics: Nudity, Political Action, and the Rhetoric of the Body by Brett Lunceford, examines the rhetorical power of the unclothed body as it relates to protest and political action. This study explores what the disrobed body communicates, and how others are invited to make sense of this display. The actions examined range from grassroots protests to those of professionalized social movement organizations. Specifically, Lunceford examines PETA and the use of chained women and the Running of the Nudes; lactivists, or women engaging in public breastfeeding as protest action in both online and physical space; the World Naked Bike Ride's worldwide protest against oil dependency and attempt to raise awareness of the vulnerability of cyclists; and a contest held on College Humor that invited women to write their preferred presidential candidate on their exposed breasts and send the picture to them to post on the site. Although these actions may seem to have little in common beyond their use of body exposure, they all share the notions that something can happen when you take your clothes off and that the act of disrobing can have social and political consequences. Moreover, these groups illustrate the often paradoxical views of the exposed body--by both the participants and the observers--and how such bodies operate in the public sphere. Even when the voice is silent, the body still speaks; Naked Politics considers what is being said.

The Body Exposed Michael Köhler,1995 Secondly, the conventional distinction between tasteful nudes and tasteless pictures of naked bodies has outlived its usefulness, since this allegedly aesthetic evaluation merely conceals the moral standards of the last century with their long since outdated notions of propriety and decency.
