I Had No Idea Kim Bloom,2022-02-23 The story centers around a young man that has almost no idea of where he is headed in life and is in no rush to get there. He becomes a specially selected person to carry on an age-old tradition. He develops a goal that takes him from one adventure to another in his attempt to reach the ultimate quest. The learning process and unforeseen roadblocks will baffle as well as reward his travels. He puts his friends at risk and his foes into new lives of turmoil as he moves on to complete the original whim.

The Queen's Resistance Rebecca Ross,2019-03-05 For fans of Red Queen and Grave Mercy comes the captivating sequel to the Renaissance France-inspired epic fantasy The Queen’s Rising. Brienna is a mistress of knowledge and is beginning to settle into her role as the daughter of the once disgraced lord, Davin MacQuinn. Though she’d just survived a revolution that will return a queen to the throne, she faces yet another challenge: acceptance by the MacQuinns. But as Queen Isolde Kavanagh’s closest confidant, she’ll have to balance serving her father’s House as well as her country. Then there’s Aodhan Morgan, formerly known as Cartier Évariste, who is adjusting to the stark contrast between his pre-rebellion life in Valenia and his current one as lord of a fallen House. As he attempts to restore the Morgane name, he let his mind wander—what if he doesn’t have to raise his House alone? What if Brienna could stand by his side? But Brienna and Cartier must put their feelings aside, as there are more vital tasks at hand—the Lannons' trial, forging alliances, and ensuring that no one halts the queen’s coronation. Resistance is rumbling among the old regime’s supporters, who are desperate to find a weakness in the rebels’ forces. And what makes one more vulnerable than love?
