**Liferay in Action** Rich Sezov,2011-09-19 Summary Liferay in Action is a comprehensive and authoritative guide to building portals on the Liferay 6 platform. Fully supported and authorized by Liferay, this book guides you smoothly from your first exposure to Liferay through the crucial day-to-day tasks of building and maintaining an enterprise portal that works well within your existing IT infrastructure. About the Technology A portal is a website built around a collection of components that request, display, and share information. Liferay Portal 6, an enterprise-ready development platform, makes it a snap to build portals that integrate with your existing backend systems and provide a rich interactive user experience. Because Liferay uses standard Java and JavaScript, along with built-in SOAP and JSON support for web services, developers can be productive immediately. And since it's available in both a free, open source version as well as a fully-supported commercial edition, it's an affordable solution for almost any business or organization About the Book Liferay in Action is the official guide to building Liferay portal applications using Java and JavaScript. If you've never used Liferay before, don't worry. This book starts with the basics: setting up your development environment and creating a working portal. Then, it builds on that foundation to help you discover social features, tagging, ratings, and more. You'll also explore the Portlet 2.0 API, and learn to create custom themes and reusable templates. Experienced developers will learn how to use new Liferay APIs to build social and collaborative sites, use the message bus and workflow, implement indexing and search, and more. This book was developed in close collaboration with Liferay engineers, so it answers the right questions, and answers them in depth. No experience with Liferay or the Portlets API is required, but basic knowledge of Java and web technology is assumed. Purchase of the print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book. What's Inside Complete coverage of Liferay Portal 6 Covers both the commercial and open source versions Custom portlet development using the Portlet 2.0 spec Liferay's social network API Add functionality with hooks and Ext plugins ===== Table of Contents PART 1 WORKING WITH LIFERAY AND PORTLETS The Liferay difference Getting started with the Liferay development platform PART 2 WRITING APPLICATIONS ON LIFERAY'S PLATFORM A data-driven portlet made easy MVC the Liferay way Designing your site with themes and layout templates Making your site social Enabling user collaboration PART 3 CUSTOMIZING LIFERAY Hooks Extending Liferay effectively A tour of Liferay APIs

The Catcher in the Rye J.D. Salinger,2018-11-06 Anyone who has read J.D. Salinger's New Yorker stories, particularly A Perfect Day for Bananafish, Uncle Wiggily in Connecticut, The Laughing Man, and For Esme--With Love and Squalor, will not be surprised by the fact that his first novel is full of children. The hero-narrator of THE CATCHER IN THE RYE is an ancient child of sixteen, a native New Yorker named Holden Caulfield. Through circumstances that tend to preclude adult, secondhand description, he leaves his prep school in Pennsylvania and goes underground in New York City for three days. The boy himself is at once too simple and too complex for us to make any final comment about him or his story. Perhaps the safest thing we can say about Holden is that he was born in the world not just strongly attracted to beauty but, almost, hopelessly impaled on it. There are many voices in this novel: children's voices, adult voices, underground voices--but Holden's voice is the most eloquent of all. Transcending his own vernacular, yet remaining marvelously faithful to it, he issues a perfectly articulated cry of mixed pain and pleasure. However, like most lovers and clowns and poets of the higher orders, he keeps most of the pain to, and for, himself. The pleasure he gives away, or sets aside, with all his heart. It is there for the reader who can handle it to keep.

*Baseball Meat Market* Shawn Krest,2017-03-28 Shawn Krest is an incredible and gripping sportswriter who shares a detailed narrative behind the best and worst MLB player trades in history. Few topics of baseball can get fans as easily riled up as trades, and any baseball fan will spout words of rage or thrill at the big blockbuster ones. However, reviewing those mismatch trades is a little like judging the best home runs by how far they went. Instead of only focusing on the first-round knockouts, this book deals with the 12-round title fights of baseball trades. The best trades are the ones that changed the history of the sport. The worst ones didn't just get a GM fired-they cost a city its team. In this book, readers get a bird's eye view of these most important trades and how they shaped baseball into what it is today. Shawn Krest, award-winning sportswriter for the ACC Sports Journal, CBS Sports, ESPN and the MLB official website, writes in the book's introduction, To fully understand a trade, we must peek inside the front office, listen to the phone calls and read the texts. We must look through the scouting reports and see who's thought to be losing a step, and who might be able to extend his career if we move him to the bullpen. We need to check the locker room for cancers. Then we need to make a choice-Scott Pose, Tom Marsh or that kid from the Reds? There have been times when it was done better than anyone else. There have also been times where someone wishes he could take it all back-along with his job. Readers get the inside scoop on what was, what wasn't and what could have been. For any serious fan of the great sport of baseball, all the excitement and history is right here in the Baseball Meat Market.

*The Glory of Their Times* Lawrence S. Ritter,2013-07-02 “Easily the best baseball book ever produced by anyone.” —Cleveland Plain Dealer “This was the best baseball book published in 1966, it is the best baseball book of its kind now, and, if it is reissued in 10 years, it will be the best baseball book.” — People From Lawrence Ritter (The Image of Their Greatness, The 100 Greatest Baseball Players of All Time), comes one of the bestselling, most acclaimed sports books of all time, The Glory of Their Times—now a Harper Perennial Modern Classic. Baseball was different in earlier days—tougher, more raw, more intimate—when giants like Babe Ruth and Ty Cobb ran the bases. In the monumental classic The Glory of Their Times, the golden era of our national pastime comes alive through the vibrant words of those who played and lived the game. It is a book every baseball fan should read!

**My Life in Baseball** Ty Cobb,Al Stump,1993-01-01 Highly successful in knitting together this story of the life of a most remarkable and dedicated player--perhaps the most spirited baseball player ever to have graced the diamond.--Library Journal. I find little comfort in the popular picture of Cobb as a spike-slashing demon of the diamond with a wide streak of cruelty in his nature. The fights and feuds I was in have been steadily slanted to put me in the wrong. . . . My critics have had their innings. I will have mine now.--Ty Cobb Frank, bitter, trend-setting autobiography.--USA Today Baseball Weekly One of the most remarkable sports books ever written.--Los Angeles Daily News The old Tiger still spits and snarls off the pages.--Cooperstown Review Of Ty Cobb let it be said simply that he was the world's greatest ballplayer.--New York Herald Tribune (1961 editorial on Cobb's death) This Bison Book edition of My Life in Baseball is introduced by Charles C. Alexander, a professor of history at Ohio University, Athens, and the author of a biogrpahy of Ty Cobb.

**The Epic of Mount Everest** Sir Francis Edward Younghusband,1926 Separate descriptions of the three mount Everest expeditions have already been written by those who took part in them, and have been published in the three books, mount Everest: the reconnaissance, 1921; The asault on mount Everest, 1922; and The fight for Everest, 1924. The present volume purports to be a condensed description of the three expeditions. It is ... based on the above-named publications.--Pref.

*The Giraffe in History and Art* Berthold Laufer,1928

**Critical Essays on Salinger's The Catcher in the Rye** Joel Salzberg,1990 It's Christmas time and Holden Caulfield has just been expelled from yet another school...Fleeing the crooks at Pencey Prep, he pinballs around New York City seeking solace in fleeting encounters -- shooting the bull with strangers in dive hotels, wandering alone round Central Park, getting beaten up by pimps and cut down by erstwhile girlfriends. The city is beautiful and terrible, in all its neon loneliness and seedy glamour, its mingled sense of possibility and emptiness. Holden passes through it like a ghost, thinking always of his kid sister Phoebe, the only person who really understands him, and his determination to escape the phonies and find a life of true meaning.

The book delves into Namecatcher Biz 12. Namecatcher Biz 12 is a vital topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Namecatcher Biz 12, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
  - Chapter 1: Introduction to Namecatcher Biz 12
  - Chapter 2: Essential Elements of Namecatcher Biz 12
  - Chapter 3: Namecatcher Biz 12 in Everyday Life
  - Chapter 4: Namecatcher Biz 12 in Specific Contexts
  - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Namecatcher Biz 12. This chapter will explore what Namecatcher Biz 12 is, why Namecatcher Biz 12 is vital, and how to effectively learn about Namecatcher Biz 12.
3. In chapter 2, this book will delve into the foundational concepts of Namecatcher Biz 12. The second chapter will elucidate the essential principles that need to be understood to grasp Namecatcher Biz 12 in its entirety.
4. In chapter 3, the author will examine the practical applications of Namecatcher Biz 12 in daily life. This chapter will showcase real-world examples of how Namecatcher Biz 12 can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Namecatcher Biz 12 in specific contexts. The fourth chapter will explore how Namecatcher Biz 12 is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Namecatcher Biz 12. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Namecatcher Biz 12.
