Girl A Abigail Dean, 2021-02-02 AN INSTANT NEW YORK TIMES BESTSELLER “Pitch-perfect... Dean tells this story with such nuance and humanity, you’re desperate to step into its pages. —The New York Times “Heart-stopping psychological drama... A modern-day classic. —Jeffery Deaver, New York Times bestselling author “A gripping story about family dynamics and the nature of human psychology.” —Good Housekeeping She thought she had escaped her past. But there are some things you can’t outrun. Lex Gracie doesn’t want to think about her family. She doesn’t want to think about growing up in her parents’ House of Horrors. And she doesn’t want to think about her identity as Girl A: the girl who escaped, the eldest sister who freed her older brother and four younger siblings. It’s been easy enough to avoid her parents—her father never made it out of the House of Horrors he created, and her mother spent the rest of her life behind bars. But when her mother dies in prison and leaves Lex and her siblings the family home, she can’t run from her past any longer. Together with her sister, Evie, Lex intends to turn the home into a force for good. But first she must come to terms with her siblings—and with the childhood they shared. What begins as a propulsive tale of escape and survival becomes a gripping psychological family story about the shifting alliances and betrayals of sibling relationships—about the secrets our siblings keep, from themselves and each other. Who have each of these siblings become? How do their memories defy or galvanize Lex’s own? As Lex pins each sibling down to agree to her family’s final act, she discovers how potent the spell of their shared family mythology is, and who among them remains in its thrall and who has truly broken free. For readers of *Room* and *Sharp Objects*, an absorbing and psychologically immersive novel about a young girl who escapes captivity—but not the secrets that shadow the rest of her life.

Jesus, My Father, the CIA, and Me Ian Morgan Cron, 2011-06-06 A touching memoir of life with an alcoholic father who secretly works with the CIA, a dark pilgrimage through the valley of depression and addiction, and finding a faith to redeem and a strength to forgive. This is a record of my life as I remember it—but more importantly, as I

felt it. At the age of sixteen, Ian Morgan Cron was told by his mother that his father, a motion picture executive, worked with the CIA in Europe. This astonishing revelation, coupled with his father's dark struggle with alcoholism, upended the world of a teenager struggling to become a man. Born into a family of privilege and power, Ian's life is populated with colorful people and stories as his father takes the family on a wild roller-coaster ride through wealth and poverty and back again. Decades later, as he faced his own personal demons, Ian realized that the only way to find peace was to voyage back through a painful childhood marked by extremes—privilege and poverty, violence and tenderness, truth and deceit—that he'd spent years trying to escape. A fast-paced, unique memoir about the power of forgiveness from the bestselling author of *The Road Back to You*. Details his father's struggle with alcohol and Cron's own journey from addiction to twenty-three years of sobriety. Encouragement to see God's redemptive power through life's struggles. In this surprisingly funny and forgiving memoir, Ian reminds us that no matter how different the pieces may be, in the end we are all cut from the same cloth, stitched by faith into an exquisite quilt of grace.

Anti Diva Carole Pope, 2023-08-15 Throughout her career, Carole Pope has blazed a trail for the diva and anti-diva in all of us, and here she offers a no-holds-barred look at her adventures in the music scene – on the concert stage, in the recording studio, and in the bedroom. Known for ushering Canada from the punk movement of the 1970s to the new wave sound of the 1980s with Rough Trade, she candidly shares her thoughts on AIDS, sexuality and sexual politics, and the new breed of music divas that dominates the charts today.

Clickety Clack Joy S. McDiarmid, 2010-10-06 Clickety Clack is Joy McDiarmid's self-portrait of bipolar mental illness and one of the most ambiguous sexual identities imaginable for a woman coming of age in the 1950s. Amidst gender and sexuality confusion, this Winnipeg woman began to look for romantic love and sexual fulfillment: sometimes wanting to dress as a man, sometimes as a woman, sometimes attracted to men, sometimes to women. In candid accounts of this paralysing complexity, which McDiarmid tried valiantly to understand and express despite oppressive social stigmas and parental strictures, her insights about human sexuality and living the lie are startling even in this age of open commentary about sex. Along primitive frontiers of treatment for bipolar disorders and dramas of shock therapy in psychiatric wards, entire years of McDiarmid's life would slip by even as earlier years were being erased from her memory. Yet there came triumphant accomplishments in her competitive and stimulating world of advertising, university work, private enterprise, photography, travel, touring in her MG sports car, skilful tennis, and love. Such juxtaposed experiences of despair and defiant courage, supplemented at the end of each chapter with medical commentary by Joy's psychiatrist Dr. Frances Edye, make Clickety Clack a rare road map to life.

I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Mental Health Ethics Phil Barker, 2010-11-09 All human behaviour is, ultimately, a moral undertaking, in which each situation must be considered on its own merits. As a result ethical conduct is complex. Despite the proliferation of Codes of Conduct and other forms of professional guidance, there are no easy answers to most human problems. Mental Health Ethics encourages readers to heighten their awareness of the key ethical dilemmas found in mainstream contemporary mental health practice. This text provides an overview of traditional and contemporary ethical perspectives and critically examines a range of ethical and moral challenges present in contemporary 'psychiatric-mental' health services. Offering a comprehensive and interdisciplinary perspective, it includes six parts, each with their own introduction, summary and set of ethical challenges, covering: fundamental ethical principles; legal issues; specific challenges for different professional groups; working with different service user groups; models of care and treatment; recovery and human rights perspectives. Providing detailed

consideration of issues and dilemmas, Mental Health Ethics helps all mental health professionals keep people at the centre of the services they offer.
