Makes an excellent gift idea for birthdays, Christmas, coworkers or any special occasion. Perfectly sized at 6 x 9 120 page Softcover bookbinding Flexible Paperback

Slice Harvester Colin Atrophy Hagendorf,2016-11-08 Over the course of two years, a twenty-something punk rocker eats a cheese slice from every pizzeria in New York City, gets sober, falls in love, and starts a blog that captures headlines around the world--he is the Slice Harvester, and this is his story. Since its arrival on US shores in 1905, pizza has risen from an obscure ethnic food to an iconic symbol of American culture. It has visited us in our dorm rooms and apartments, sometimes before we'd even unpacked or painted. It has nourished us during our jobs, consoled us during break-ups, and celebrated our triumphs right alongside us. In August 2009, Colin Hagendorf set out to review every regular slice of pizza in Manhattan, and his blog, Slice Harvester, was born. Two years and nearly 400 slices later, he'd been featured in The Wall Street Journal, the Daily News (New York), and on radio shows all over the country. Suddenly, this self-proclaimed punk who was barely making a living doing burrito delivery and selling handmade zines had a following. But at the same time Colin was stepping up his game for the masses (grabbing slices with Phoebe Cates and her teenage daughter, reviewing kosher pizza so you don't have to), his personal life was falling apart. A problem drinker and chronic bad boyfriend, he started out using the blog as a way to escape--the hangovers, the midnight arguments, the hangovers again--until finally realizing that by taking steps to reach a goal day by day, he'd actually put himself in a place to finally take control of his life for good--

No More Naps! Chris Grabenstein,2020-02-04 Imagine if you could steal your toddler's nap? This picture book debut from a #1 New York Times bestselling author turns the universal dilemma of getting kids to sleep upside down! It's time for a nap but, just like stubborn toddlers everywhere, Annalise Devin McFleece won't have anything to do with bedtime. Dad tries to encourage sleepiness by pushing her around the park in her stroller. Along the way, they pass a man sitting on a bench, dog walkers walking dogs, a boy on a skateboard, kids playing ball, a girl practicing her juggling, and others. Each of them thinks that taking a nap is a great idea and if Annalise Devin McFleece doesn't want hers, they'll happy take it. And one by one, everyone falls asleep...except Annalise Devin McFleece. But when she's finally ready for her nap, all the naps are taken! Is there anyone who has an extra nap to spare? With every turn of the page, the busy city scene becomes more and more quiet...except for Annalise Devin McFleece. Will she ever take a nap?

Pugalicious Homer Pugalicious,2017-02 Homer Pugalicious is no ordinary pug. Homer has a passion for all things luxurious and fun! From long lunches and days in the park, to relaxing at home with some pizza and television, Homer does it all. Follow Homer as he goes about his fabulous life, dressed only in the best outfits. The quirky and intriguing pictures combined with amusing captions will make you laugh and love the wonderfully adorable pug prince.

Garfield's (R) Almost-As-Great-As-Pizza Guide to Technology Rebecca E. Hirsch,2019-08 Follow along with Garfield as he explores breakthroughs in technology, from the earliest stone tools to modern times, when silicon computer chips and GPS are commonplace. Al along, Garfield adds his own funny comments on each breakthrough. Join in to laugh and learn!

Naptime with Joey Laura Izumikawa,2022-02-22 From viral Instagram sensation, lifestyle photographer, and mommy blogger Laura Izumikawa comes Naptime with Joey, a ridiculously delightful photo book of her now internet-famous daughter dressed up in various pop culture costumes--a perfect gift for new parents everywhere. Lights, Camera...Nap! Joey Marie wears many hats (or, rather, wigs): she's dressed up as Inigo Montoya, Britney Spears, Beyoncé, Pikachu, Anna Wintour, Moana, and Barb from Stranger Things. She's taken trips to Hawaii, baked croissants, and blasted off to the moon as an astronaut (at least, in her dreams). She's held occupations such as pizza chef, aerobics instructor, and handy-dandy-fixer-upper (figuratively, of course). She's inspired a parenting blog, been the face of her mom Laura Izumikawa's Instagram account--and for the first time, she's taken the leap from the ranks of internet-baby-snoredom to the pages of a book. Naptime with Joey is chockablock full of over a hundred deliciously adorable photos of Joey dressed up as various pop culture characters, movie stars, musicians, vacationers, and holiday-goers, making this the most fun, festive, and downright delightful gift under the sun!

Pizza for the Queen Nancy Castaldo,2014-07-30 Raffaele makes the best pizza in all of Napoli. It is so good that even Queen Margherita has requested a taste. Raffaele runs around town collecting the finest ingredients for the pizzas he's planning for the queen, but when a sneaky cat eats the anchovies, he has to revise his plans. Inspired by the colors of the Italian flag, the pizza Raffaele creates is one that delights not only the queen but pizza lovers for generations to come. Accompanied by a generous assortment of rich and detailed acrylic paintings, the story ends with a pizza recipe meant to tempt the taste buds of pizza lovers everywhere.

Garfield's Almost-as-great-as-pizza Guide to Technology Rebecca E. Hirsch,2020

Your Best Nap Now Martha Bolton,2009-04 Comedienne Martha Bolton mixes humorous anecdotes about life after fifty with touching stories about what life's all about to help ease the way through middle age--Provided by publisher.

Borrow-A-Bridesmaid Anne Wagener,2015-06-08 When life hands you lemons, make lemonade--or, in Piper Brody's case, make a Craigslist ad offering yourself up as a hired bridesmaid! A hilarious, touching, coming-of-age novel from debut author Anne Wagener. Piper is a recent college grad who decides to sell her body on Craigslist--as a hired bridesmaid. Her airport bookseller job just isn't bringing home the turkey bacon, and no one's going to pay her to analyze Milton's poetry. Turns out, having an English literature degree from an upstanding university isn't all it's cracked up to be. Piper's Craigslist endeavor soon picks up steam, netting her clients such as Southern peach Stacey, whose interracial marriage causes a family feud, and Alex, a bride-to-be who's so type A she's type A-plus. Between fighting off matching T-shirt-wearing teams of "bustle bitches" at gown sales and learning more about fondant than the Cake Boss, Piper falls for Charlie Bell, the brother of a client. A fellow aspiring writer, Charlie's the only person recently who's encouraged Piper to follow her dreams. Not to mention, he's pretty darn cute. But when Charlie turns out to be the groom in one of her gigs--and set to marry the craziest bridezilla of them all--Piper must band together with her newfound friends and stop Charlie from making the biggest mistake of his life.

The Everyday Leader John Cross,Rafael Gomez,Kevin Money,2019-07-25 Every day, every one of us is a leader in some way - we just don't necessarily know it. Leadership is about inspiring change and movement, whether on an individual level - a person's attitude, behaviour, emotions or habits - or an organizational level - culture, goals, vision or strategy. By changing the way you approach the concept of leadership, The Everyday Leader will help you recognise and embrace your natural leadership qualities, so that you can be more motivated and empowered in the workplace and at home. The Everyday Leader tackles the main challenges that leaders face at some point in their career: leading teams; attaining buy-in from stakeholders; leading through artificial intelligence; whistleblowing; and leading from a distance. But the book also addresses the leadership issues that occur in day-to-day life: listening and empathising; making change attractive and accessible; influencing and persuading; and making the right decision through information overload. Providing advice and tools for those looking to polish their existing leadership skills or anyone who wants to take the next step in their career, The Everyday Leader also recognises that leadership doesn't stop once you clock off - these are lessons you can and should take home with you.

Grandmimi's Kisses Linda Stroud,2021-08-26 A sweet story that speaks to the special bond that exists between a grandparent and a child, Grandmimi's Kisses tells the story of the magic that happens at Grandmimi's house when a grandchild comes a long way for a much-anticipated visit. There is a cheerful flag that announces the child's arrival: Grandkids Spoiled Here! And, after the child is wrapped in a big hug from Grandmimi, the fun begins, starting with the child guessing in which of Grandmimi's hands is a delicious chocolate kiss (the child always guesses right!). The child cannot wait until bedtime at Grandmimi's house, because each night the Chocolate Kiss Fairy comes and leaves a surprise under the child's pillow. Grandmimi says, As long as you believe, the Chocolate Kiss Fairy will always come. Most importantly, there are lots of rules: The answer is always YES; No naps allowed; Always eat outside; Eat ice cream sandwiches for breakfast; You must go to the toy store at least once; Dinner is served in the hot tub; Expect endless hugs and chocolate kisses! At the close of the visit, the child is wrapped in one of Grandmimi's wonderful, warm hugs, a chocolate kiss guess is made (the child is right, again!), and on the way home, the child smiles at the special visit and also wonders if the Chocolate kisses Fairy has hidden kisses for the child to discover. The child can't wait to see Grandmimi again (maybe she will come to visit!). Filled with incredible love and memories that will last a lifetime, Grandmimi's Kisses will warm your heart and make every child long for a trip to Grandmimi's house, with special rules, chocolate kisses, and a fairy to believe in.

Eyewitness Travel Family Guide Florida DK,2015-04-07 Discover where to play, what to see, and where to stay. DK Eyewitness Travel Family Guide: Florida highlights the best things for a family to do and see together--and how to do it all with your sanity intact. Written by parents as well as travel experts, DK Eyewitness Travel Family Guide: Florida takes into account the unique needs of traveling with children ages 4 to 12. - Where to rest, recharge, and work around naps. - Inexpensive spots to refuel for meals and snack time. - Family-friendly hotels and guesthouses. - Best routes for getting around with young ones in tow. Most importantly, DK Eyewitness Travel: Family Guide Florida is packed with smart plans for outings that truly make the most of the day, from navigating the thrills of the Disney World and LEGOLAND theme parks, to seeing manatees on the St. Johns River and fishing in the Keys, swimming at the best beaches on the Panhandle, or exploring the thrills of the Kennedy Space Center on Cape Canaveral. Each major sight is treated as a hub destination, loaded with practical information on age range suitability and nearby places of interest, as well as parks, playgrounds, and places to eat. For kids, cartoons, quizzes, fun facts, stories, and interactive games bring sights and attractions to life on the page.

Introduction to Computer Science with C++ Kenneth A. Lambert,Douglas W. Nance,Thomas L. Naps,1997 Developed from the model used successfully in the Naps and Nance full-year texts in Pascal, this book combines Lambert and Nance's Understanding Programming and Problem Solving with C++ and Lambert and Naps's Understanding Program Design and Data Structures with C++ into a single CS1/CS2 text. Hence, Introduction to Computer Science with C++ solves the problem of where to begin CS2 that can occur when C++ is the teaching language. It also saves students money -- they don't have to buy two separate texts. This full-year introduction to CS1/CS2 features a gradual approach that covers problem solving and algorithm development while giving students a solid grounding in objects and classes. Throughout the book, a highly structured approach to programming produces programs that are easy to read, debug, and modify. Examples are carefully developed using pseudocode, structure charts, and module specifications. Programming Problems and Projects at the end of each chapter feature numerous programming assignments. They reflect a variety of areas (business, math, etc.) and ask students to build on programs written for earlier chapters, and to practice their communication skills.

Organized Mind : How To Think Straight And Make All The Right Life Decisions In 30 Easy Steps Scott Green,2015-06-30 Welcome and thank you for checking out Organized Mind: How to Think Straight and Make ALL the Right Decisions in 30 Easy Steps! No matter how small or big it might be; every single decision you make today will have an impact on your future. In this book, you will learn 30 Steps on how to take control of your mind and push your willpower to the right direction. These steps include methods and strategies on how to improve your motivation, improve your health, strengthen your connections, overcome your fears, and reduce stress.

Vassar College Falcone Rachel,Emily Goldsmith,2005 Provides a look at Vassar College from the students' viewpoint.

Insomnia and Fatigue after Traumatic Brain Injury Marie-Christine Ouellet,Simon Beaulieu-Bonneau,Josée Savard,Charles M. Morin,2019-10-22 Insomnia and fatigue are two of the most frequent consequences after traumatic brain injury (TBI). About 30% of individuals suffer from chronic insomnia, an additional 20% have symptoms of insomnia, and up to 75% have significant and persistent fatigue. There is a strong empirical basis for the effectiveness of cognitive-behavioral interventions for the management of insomnia and fatigue in the general population and in other patient populations, and emerging research shows that these interventions seem applicable with similar benefits to people with TBI. Insomnia and Fatigue After Traumatic Brain Injury: A CBT Approach to Assessment and Treatment is written by a team of four scientist-practitioners in psychology who are experts in sleep medicine, cognitive-behavioral therapy for insomnia, and traumatic brain injury (TBI). Together they have authored this assessment and intervention manual for insomnia and fatigue, intended for clinicians working with the TBI population. Based on cognitive-behavioral principles, the manual integrates evidence-based interventions and techniques used by expert clinicians working with these populations. Throughout the development process, there has been an ongoing integration of the best available research, specialized clinical expertise, and knowledge transfer expertise: all of these perspectives were used to choose, revise, and format the content of the manual as to ensure that it would be most useful for the target audience. Authored by specialists in sleep medicine, CBT and TBI Covers both assessment and treatment for TBI insomnia and fatigue Contains treatment plans in detail Suitable for inpatient and outpatient settings Appropriate for mild to severe TBI Includes extensive patient handouts

Homemade Pizza at Grandma'S Marie Serio,2016-09-06 Little girls are made of sugar, spice, and everything nice, but can we add some flour, yeast, and water to that? Lucy is excited to spend the day with her grandma, and is anxious to know what Grandma has planned for them to do that day. Grandma has decided she will teach Lucy how to make dough so they can have pizza for supper. This will take some preparation, but Grandma is not prepared for some very sticky situations! The day is fun-filled with lots of things to do, and Lucy is anxious to make her favorite homemade pizza with Grandma.
