

Nascar Nationwide Series 2010 Schedule 10

Encyclopaedia Britannica, Inc.

The Official NASCAR Trivia Book: With 1,001 Facts and Questions to Test Your Racing Knowledge John C. Farrell,2012-11-06 Collects over one thousand trivia questions and facts about NASCAR.

Second to None Rick Houston,2001 NASCAR's Busch Series has always been about racing hard and having fun doing it. In the two decades since it grew out of the long-running Late Model Sportsman Series, the Busch circuit has become famous as a training ground for future Winston Cup stars like Jeff Gordon, Mark Martin, Bobby Labonte, and Dale Earnhardt Jr.But the Busch Series has also established its own tradition of ultra-competitive racing and colorful drivers. The series has fostered some legendary rivalries, starting with Sam Ard and Jack Ingram in its earliest years and continuing with more recent grudge matches between Dale Earnhardt Jr. and Matt Kenseth.And despite the fierce competition on the track, the Busch Series has also earned a reputation as a friendlier, less corporate circuit than the Winston tour, one in which the community of drivers, teams and fans still resembles an extended -- though often fractious -- family. When someone in that community unexpectedly misses a race, competitors will often call their home or shop to see that everything is OK.Until now, no single source has told the full story of the Busch Series from its origins to the present day. Second to None traces the beginnings of the series in the Sportsman class and reviews every season from 1982-2000.

Scholastic Year in Sports 2012 James Buckley, Jr.,2011-12 Gives you an in-depth look at all of the hottest stars and most memorable moments from the past sports season--Page 4 of cover.

Greenville-Pickens Speedway Scott Keepfer,2013 As the second-oldest NASCAR track still running weekly races, Greenville-Pickens has earned a unique niche in racing history. In 1959, local driver David Pearson sped to a record 15 victories in one season, jump-starting a Hall of Fame career. As a young boy, Dale Earnhardt played in the infield while his father, Ralph, raced to the track championship in 1965. In 1971, ABC's Wide World of Sports televised the first live, start-to-finish NASCAR race at Greenville-Pickens. Many big names have competed here, but for every David Pearson and Richard Petty, there have been dozens of Donnie Bishops and Toby Porters: local favorites providing weekly thrills for a loyal fan base.

Danica Patrick Connie Colwell Miller,2013-01-01 Chronicles the life and career of the female NASCAR driver, from her early days racing Indy cars to her top-five finish in the 2011 Nationwide Series.

Youth Cultures in America [2 volumes] Simon J. Bronner,Cindy Dell Clark,2016-03-21 What are the components of youth cultures today? This encyclopedia examines the facets of youth cultures and brings them to the forefront. Although issues of youth culture are frequently cited in classrooms and public forums, most encyclopedias of childhood and youth are devoted to history, human development, and society. A limitation on the reference bookshelf is the restriction of youth to pre-adolescence, although issues of youth continue into young adulthood. This encyclopedia addresses an academic audience of professors and students in childhood studies, American studies, and culture studies. The authors span disciplines of psychology, sociology, anthropology, history, and folklore. The Encyclopedia of Youth Cultures in America addresses a need for historical, social, and cultural information on a wide array of youth groups. Such a reference work serves as a corrective to the narrow public view that young people are part of an amalgamated youth group or occupy malicious gangs and satanic cults. Widespread reports of bullying, school violence, dominance of athletics over academics, and changing demographics in the United States has drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems.

Britannica Book of the Year 2010 Encyclopaedia Britannica, Inc.,2010-03-01 The Britannica Book of the Year 2010 provides a valuable veiwpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever changing populations, governments, and economies throughout the world. It is an accurate and comprehensive reference that you will reach for again and again.

Mark Martin Sally Ganchy,2011-06-03 Mark Martin has dedicated his life to racing. With all his Sprint Cup victories, plus a record forty-eight wins in NASCAR's second-tier Nationwide Series, he's no stranger to victory. But he also knows what it's like to try his best yet still come up short. Known within racing circles as a paragon of good sportsmanship and fair play, Martin is one of the most respected, admired, and well-liked drivers in NASCAR. Come what may, he stands tall: no compromises, no regrets, no excuses. Win or lose, Mark Martin does the right thing.

Encyclopedia of Stock Car Racing [2 volumes] Lew Freedman,2013-03-14 This two-volume encyclopedia is the Daytona 500 of stock car racing books--an essential Bible that provides an all-encompassing history of the sport as well as an up-to-date examination of modern-day stock car racing. How did stock car racing become firmly entrenched in American pop culture, especially in light of the lack of interest in motorsports overall as a spectator activity in the United States? And what has been the secret to NASCAR's financial success and growth over the last six decades? Encyclopedia of Stock Car Racing highlights approximately 250 subjects that have defined the sport since stock car racing was first organized. Organized in A-Z order, it covers all of the greatest drivers, such as Richard Petty, Jimmie Johnson, Junior Johnson, and David Pearson; the special races such as the Daytona 500 and Brickyard 400; and the famed tracks across the country, from Bristol Motor Speedway to Darlington Raceway to Talladega Superspeedway. This unprecedented resource collects information about every element of NASCAR history in one place: the early personalities who shaped the sport and set things in motion, the past greats who have now retired, and today's rising stars who continue to make stock car racing one of the most popular sports in the United States.

Danica Patrick Tara Baukus Mello,2013 Highlights the life and racing career of the first woman to hold the lead in the Indianapolis 500.

Talladega Superspeedway Kent Whitaker,2014 Originally named Alabama International Motor Speedway, Talladega Superspeedway was built on the site of a World War II-era Air Force base in the heart of Alabama. NASCAR founder Bill France and his family envisioned a race track that would be faster, larger, and more exciting than any track built to date. Construction began on May 23, 1968, and was completed on September 13, 1969. The end result is the most modern speedway ever built. Often simply referred to as Dega, the track is 2.66 miles long, its high-banked turns are nearly three stories tall, and race cars have reached speeds over 200 miles per hour. It is so popular that it is said to become one of the largest temporary cities in the state every race weekend.

Uncle John's Bathroom Reader Vroom! Bathroom Readers' Institute,2012-08-15 Uncle John will get your motor running with this all-new edition dedicated to cars, trucks, trains, buses, motorcycles, mopeds, roller coasters...and of course, the Wienermobile. Uncle John has the need...for speed! (But he always uses his turn signal.) Hop on in and let the Bathroom Readers' Institute take you on the ultimate road trip. From the first motorized vehicles to the flying cars of tomorrow, you'll race around the world to learn about some great sets of wheels and the gear heads who make them go. And not just cars, this book has planes, trains, roller coasters, yachts, and massive machines that literally move mountains. So strap on your seatbelts--it's going to be a fun ride! Read about... * Secrets of Hollywood car chases * The original Cannonball Run * Taking a ride in the hot-tub limo * The drag queen * The history of airships * The Black Beetle: a New York Central train outfitted with jet engines * The yacht that cost more than some countries' GDP * Around the world in 25 ways * A car without a driver * A look at how a jet engine works * Ghost planes and haunted ships * Pal Newman buys a Beetle * The origin of crash-test dummies And much, much more!

Sports Business Management George Foster, Norm O'Reilly, Antonio Dávila, 2016-01-08 Sports Business Management will equip students with a comprehensive understanding of the sport industry. With a focus on management, strategy, marketing, and finance, the decision-making approach of the book emphasizes key concepts while translating them into practice. Foster, O'Reilly, and Dávila present a set of modular chapters supported with plenty of examples, mini-cases, and exercises to help students apply the decision-making approach to real-world situations. Covering an international array of sports and organizations - including the Olympic Games, FIFA World Cup, US Major League Baseball, and more - the book also covers unique topics such as diversity in sport, the impact of technology, and social media. Rounding this out, the book provides around 50 Harvard/Stanford cases, along with case notes for instructors. This is an ideal textbook for upper-level undergraduate and graduate students of sports business and management, fully supported by a companion website featuring PowerPoint slides, test questions, teaching notes, and other tools for instructors.

Encyclopedia of Sports Management and Marketing Linda E. Swayne, Mark Dodds, 2011-08-08 This four-volume set introduces, on the management side, principles and procedures of economics, budgeting and finance; leadership; governance; communication; business law and ethics; and human resources practices; all in the sports context. On the marketing side this reference resource explores two broad streams: marketing of sport and of sport-related products (promoting a particular team or selling team- and sport-related merchandise, for example), and using sports as a platform for marketing non-sports products, such as celebrity endorsements of a particular brand of watch or the corporate sponsorship of a tennis tournament. Together, these four volumes offer a comprehensive and authoritative overview of the state of sports management and marketing today, providing an invaluable print or online resource for student researchers.

The Grade 1-Grade 3 Workbook Contains: Biographies and activities covering 53 people 64 flash cards 53 stickers 1 motivational poster

Pocono Raceway Gene A. Card, 2013 The framework for the creation of Pocono Raceway began in the late 1950s, when a group of investors formed Racing Incorporated. In 1962, a spinach farm near Long Pond, Pennsylvania, was chosen as the site for the multifaceted racing complex. Construction on the track began in 1965, but progress moved very slowly. The three-quarter-mile oval portion of the facility was completed in 1968, but it was not until 1971 that the two-and-a-half-mile superspeedway was ready for competition. From its humble beginnings, Pocono Raceway has grown to attract great numbers of enthusiastic spectators to both of its NASCAR® events each year.

Road America Steve Zautke, 2013 Located one hour north of Milwaukee in Wisconsin's scenic Kettle Moraine, Elkhart Lake's Road America race course is one of the world's most famous permanent road racing tracks. Dating back to 1955, the scenic race course has seen the finest in motorsports, such as NASCAR, open wheel, and sports cars, and the best in amateur racing. The track also hosts year-round activities for corporate outings, go-karting, motorcycle/driving schools, and even paintball.

Kyle Busch Mary Ann Hoffman, 2010-08-01 Looks at the life and racing career of NASCAR driver Kyle Busch.
