John Hickok

Serving Library Users from Asia John Hickok,2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US. This book is a comprehensive guide to serving library users from 24 specific Asian countries. It begins with a broad overview of how libraries can better serve Asian communities and then devotes a chapter to each country, providing wealth of valuable resources.

Business, Economics, Financial Sciences, and Management Min Zhu,2012-02-11 A series of papers on business, economics, and financial sciences, management selected from International Conference on Business, Economics, and Financial Sciences, Management are included in this volume. Management in all business and organizational activities is the act of getting people together to accomplish desired goals and objectives using available resources efficiently and effectively. Management comprises planning, organizing, staffing, leading or directing, and controlling an organization (a group of one or more people or entities) or effort for the purpose of accomplishing a goal. Resourcing encompasses the deployment and manipulation of human resources, financial resources, technological resources and natural resources. The proceedings of BEFM2011 focuses on the various aspects of advances in Business, Economics, and Financial Sciences, Management and provides a chance for academic and industry professionals to discuss recent progress in the area of Business, Economics, and Financial Sciences, Management. It is hoped that the present book will be useful to experts and professors, both specialists and graduate students in the related fields.

Self-Publishing In Overseas POD Markets Yeong Hwan Choi,2024-04-13 Often,

Amazon comes to mind as a way of self-publishing e-books or paper books overseas. However, when I used international platforms such as Amazon KDP, tens of thousands of copies were posted a day. Likewise, Google Books and Apple Books were the same unless paid marketing was conducted. So I looked into various overseas self-publishing platforms. I started going into the semi-international platforms such as Kobo, Everand, Tolino, Barents & Novele, Overdrive, and SmashWords. And after visiting the Eurozone, South America, India, and Asia, where retailers are connected, I learned how to distribute them overseas. Overseas people use Google, an international search engine, but they do not use Naver. However, for Koreans, the sites such as Naver are public platforms. Likewise, the Eurozone, North America, India, and China each had local platforms distributed in local commercial districts. Even in the Eurozone, North America, and Oceania, it is easy to set up an account with Payonia and PayPal. I think reading this book can save us a lot of time because we have analyzed free/paid, distributed, platforms that are difficult to inspect depending on the content, and tax issues. It's time for us to earn foreign currency, too.

South Korea's Webtooniverse and the Digital Comic Revolution Brian Yecies, Ae-Gyung Shim, 2021-04-09 This book investigates the meteoric rise of mobile webtoons – also known as webcomics – and the dynamic relationships between serialised content, artists, agencies, platforms and applications, as well as the global readership associated with them. It offers an engaging discussion of webtoons themselves, and what makes this new media form so compelling and attractive to millions upon millions of readers. Why have webtoons taken off, and how do users interact with them? Each of the case studies we explore raises interesting questions for both general readers and scholars of new media about how

webtoons have become a modern form of popular culture. The book also addresses larger questions about East Asia's contributions to global popular culture and Asian society in general, as well as South Korea's rapid social and cultural transformation since the 1990s. This is a significant – and understudied – aspect of the new screen ecologies and their role in a new wave of media globalisation as we approach the end of the second decade of the 21st century.

Porter Anderson,

Handbook for Asian Studies Specialists Noriko Asato, 2013-10-08 An indispensable tool for librarians who do reference or collection management, this work is a pioneering offering of expertly selected print and electronic reference tools for East Asian Studies (Chinese, Japanese, and Korean). *Handbook for Asian Studies Specialists: A Guide to Research Materials and Collection Building Tools* is the first work to cover reference works for the main Asian area languages of China, Japan, and Korea. Several leading Asian Studies librarians have contributed their many decades of experience to create a resource that gathers major reference titles—both print and online—that would be useful to today's Asian Studies librarian. Organized by language group, it offers useful information on the many subscription-based and open-source electronic tools relevant to Asian Studies. This book will serve as an essential resource for reference collections at academic libraries. Previously published bibliographies on materials deal with China or Japan or Korea, but none have coalesced information on all three countries into one work, or are written in English. And unlike the other resources available, this work provides the insight needed for librarians to

make informed collection management decisions and reference selections.

Adventures Among Books Andrew Lang, 2023-09-17 Of the Essays in this volume “Adventures among Books,” and “Rab’s Friend,” appeared in Scribner’s Magazine; and “Recollections of Robert Louis Stevenson” (to the best of the author’s memory) in The North American Review. The Essay on “Smollett” was in the Anglo-Saxon, which has ceased to appear; and the shorter papers, such as “The Confessions of Saint Augustine,” in a periodical styled Wit and Wisdom. For “The Poems of William Morris” the author has to thank the Editor of Longman’s Magazine; for “The Boy,” and “Mrs. Radcliffe’s Novels,” the Proprietors of The Cornhill Magazine; for “Enchanted Cigarettes,” and possibly for “The Supernatural in Fiction,” the Proprietors of The Idler. The portrait, after Sir William Richmond, R.A., was done about the time when most of the Essays were written—and that was not yesterday....FROM THE BOOKS.

The Red Palace June Hur, 2022-01-25 June Hur, critically acclaimed author of *The Silence of Bones* and *The Forest of Stolen Girls*, returns with *The Red Palace*—a third evocative, atmospheric historical mystery perfect for fans of Courtney Summers and Kerri Maniscalco. To enter the palace means to walk a path stained in blood... Joseon (Korea), 1758. There are few options available to illegitimate daughters in the capital city, but through hard work and study, eighteen-year-old Hyeon has earned a position as a palace nurse. All she wants is to keep her head down, do a good job, and perhaps finally win her estranged father's approval. But Hyeon is suddenly thrust into the dark and dangerous world of court politics when someone murders four women in a single night, and the prime suspect is Hyeon's closest friend and mentor. Determined to prove her beloved teacher's innocence, Hyeon launches her own secret investigation. In her hunt for the truth, she encounters Eojin, a young police inspector also searching for the killer. When evidence begins to point to the Crown Prince himself as the murderer, Hyeon and Eojin must work together to search the darkest corners of the palace to uncover the deadly secrets behind the bloodshed. Praise for *The Red Palace*: An ABA Indie Bestseller A Junior Library Guild Selection Forbes Most Anticipated Book of 2022 Selection A tense political thriller, a beautiful romance, and a coming of age all in one unique package. —School Library Journal, starred review This atmospheric historical mystery will transport and captivate readers ... A beautifully written story full of historical and cultural details that will leave readers aching for a follow-up. —Booklist, starred review An expertly choreographed mystery with a touch

of romance and an emotionally satisfying conclusion ... The perfect book to curl up with for a cozy winter afternoon of murder and intrigue. —NPR

Love Off God Naver End Dinah Paul Sosthenes Female, Dinah Sosthenes

Paul, 2018-10-04 have been living in hell's and back this why must say that I am not angry what did happen to me when was little girl until now have stronger mind to forgive people was hurting me. but that doesn't mean I accept their behaviour or trust them. I forgive them for me, so I can let go and move on with my life. the truth is that unless you learn and understand this can't just after learning change person who's you will just keep you going and have stronger mind set of tools have a good strength to forgetting the past and living new you. having more love to yourself more every single day have appreciation you still alive just don't send yourself backward just keeping ending in right place and trying your best two. forgetting the great pain of mankind and just moving on best directions for better future now many of you how there you will really struggling to forgive someone who's putting miserable life understand exactly how you're feeling about this. but let me explain little bit more in details if you don't stop holding against remember that you never be free to rest of your life in pain so my I encourage you and in body and your spirit can live freedoms live life you deserve your already suffering enough let them people's putting you thought this pay because you let everything go this and Satan is agreement with God. hope this information is made clear to in words to be able understand the Satan pressure with God its hidden secret who knew this would be free. it is like a trap who is going fall in the trap is belong to the devil were tormenting then days and night no spirit

sleep. this not anyone wishing end up there. understand is not everyone going getting the. about in time been some off lucky they well reach in time and space. whos on lucky naver seen the beautiful light of going dont have enught time two explaining more in sentence and lam not trying worrying you can to person research in your one time and space two find out more and meditations in god words so you can digest everything before too it's to late it your one benefit my love is that putting this out the in worldswider so my bother's and sister's whos stuck on the questions maybe why lots peoples angry at god becuase if god intervene or revealing secret there well be no worlds for as its very in important after keep quiet so that its in agreement if god trying blacking them rule we're must paying all world of death hope this does bring the bell. in someone mind. this what happens that god must not interfering so that whos lucky find the trueth well be save who;s stubborn well loose now is not god sending you to hell's peoples with attitude does sending myself to the torment forever naver escape great pain. even its hard two will understand the words and why well happens to someone out there maybe didnt wanted me to exprincing happiness in life perhaps was sent by god for is mercy so that can showing great of is hard works racing thought me. can only try say what is only my mind cant answers all people is pain entire universe just he's behind me. its hard to believing in myself living within great pain and lam still talking to you. its after been in god miracle lam not angry god or human lam angry at devils with dack Angels putting. me thought this agony with nasty pain been dearling with all those years . its much hard to explaining to someone probably naver experiencing bad thing like myself bout I after say wasn't that easy thing been going thought me just hoping someone else would polish my madness of life and death

The Triple Asian Olympics - Asia Rising J. A. Mangan, Sandra Collins, Gwang

Ok, 2018-12-07 Realpolitik as a component of the Olympic Games held in East Asia has been largely ignored by historians. However, sport was an integral part of cultural diplomacy and the expression of national prowess for the three Games held in East Asia: 1964 Tokyo, 1988 Seoul and 2008 Beijing. It is time this was recorded. The Olympic Games had transformational political, economic and cultural effects for the host cities and countries. This also is a neglected topic. The Triple Asian Olympics: Asia Rising explores the realities of global transformation, regional ascendancy and metaphorical modernity of the East Asian Olympics and, by extension, East Asia. As the axis of global geo-political and economic power shifts to the East, analyzing the significance of the Olympic Games in East Asia becomes significant to an understanding the shifting nature of the nations of East Asia. The Triple Asian Games are harbingers of dramatic geopolitical change. This is the first study to record, confront and examine this contemporary phenomenon. For this reason, this unique collection promises to attract a wide readership. This book was originally published as a special issue of The International Journal of the History of Sport.

The Perfect You Dr. Caroline Leaf, 2017-07-04

There are a lot of personality and intelligence tests out there designed to label you and put you in a particular box. But Dr. Caroline Leaf says there's much more to you than a personality profile can capture. In fact, you cannot be categorized! In this fascinating book, she takes readers through seven steps to rediscover and unlock their unique design--the brilliantly original way each person thinks, feels, relates, and makes choices--freeing them from comparison, envy, and jealousy, which destroy brain tissue. Readers learn to be aware of what's going on in their own minds and

bodies, to lean in to their own experience rather than trying to forcefully change it, and to redefine what success means to them. Released from the suffocating box of expectations, they'll embrace their true identity and develop a clear sense of divine purpose in their lives. Knowing and understanding our identity empowers our choices. Unlocking one's you quotient is not optional--it is essential.

Science Found God M.S.A. Jauber,2019-09-08 The most beautiful thing we can experience is the mysterious. It is the source of all true art and science. Science is beautiful when it makes simple explanations of phenomena or connections between different observations. Examples include the double helix in biology and the fundamental equations of physics. New discoveries in science will continue to create a thousand new frontiers for those who still would adventure. The universe is an amazing place. It is vaster than it is possible to measure, stranger and more magical than any science fiction or fantasy, more beautiful than any art, and far more complex than can ever be imagined. Studying the universe - studying science - whether that is on the grandest scales of cosmology, the smallest scales of quantum physics and subatomic chemistry, or the beautiful complexity of life, is to set yourself on the path to an adventure that will stay with you forever. Scientific and Critical Thinking. When one uses the scientific method to study or investigate nature or the universe, one is practicing scientific thinking. All scientists practice scientific thinking, of course, since they are actively studying nature and investigating the universe by using the

scientific method. All copyrights are recorded at Library of Congress, Washington, D.C., USA.
