Charles W. L. Hill, Gareth R. Jones

Diversity in Action R. S. Kandola, Johanna Fullerton, 1998 Drawing on in-depth research into almost 500 organisations, this revised and updated text offers evidence of the evolution from traditional group-based equal opportunity policies towards inclusive strategies focusing on the individual's own contribution. It then puts forward a detailed model of diversity based on flexibility, an empowering culture, universal benefits and business-related training defined by individual rather than group needs.
