Personal Foul Tim Donaghy,2010-06-29 The media has often speculated and sports fans have debated, but until now no one has known the real story. Personal Foul takes an in-depth look at former NBA referee Tim Donaghy and the betting scandal that rocked professional basketball. This is the decisive book that reveals exactly what was done and how it all happened. Which games were affected and how? Did referees target particular players or teams? Just how much did the NBA know and when? How did the mafia get involved? The book answers all of these questions and more. Thrilling and poignant, Personal Foul takes readers on the journey of one man wrestling his own demons and shines a light on a culture of gambling and directive officiating in the NBA that promises to change the way sports fans view the game forever. The book also includes a foreword by Phil Scala, the FBI Special Agent who worked the Gambino case.

Love Him, Hate Him Jason Whitlock,2004 This book contains columns dealing with personal stories, memorable events, key issues, and defining moments in KC sports filtered through Jason's eyes. There is celebration, criticism, predictions, challenges, and humor. Any serious discussion of the last ten years in Kansas City sports would have to include Jason Whitlock, and this book is

the perfect place to begin that discussion.

Inside the Cage Wight Martindale Jr., 2010-05-11
The most popular outdoor basketball court in New York City is half the regulation size, offers no seating, and has sidelines bounded by a chain-link fence. But the summer league on West 4th Street in Greenwich Village has developed its share of stars and has become known throughout the world for another reason: Here the only thing that matters is the game. Inside the Cage follows the West 4th Street's summer league through a single season, chronicling its legendary history along the way. From 1970s playground legend Fly Williams to NBA veteran Anthony Mason and L.A. Lakers guard Smush Parker, three generations of players have mastered their game at West 4th Street. And the Cage itself -- located in one of the wealthiest neighborhoods in America and frequented by men from the Bronx, Brooklyn, and Harlem -- proves that talent can flourish even in the most unlikely places.

Red Holzman Mort Zachter, 2020-02-04
The Definitive Biography of a Coaching Legend Hanging high atop the world's most famous arena, Madison Square Garden, is the name "Holzman" and the number "613." That is the total number of wins by former New York Knicks head coach Red Holzman, which is the most in franchise history. While he spent six years as a player and another six as an executive, he's most famous for his time at the helm of the Knickerbockers, where he led the team to their only two championships: the first in 1969-70 and the second in 1972-73. He coached the team for fourteen seasons during his illustrious career, was named one of the top ten coaches in

NBA history, and was elected to the Basketball Hall of Fame in 1986. Former MSG president Dave Checketts once said, "Red was the finest human being I've ever known." But not much is known about the soft-spoken and private Holzman, as he was the type of person to downplay his own accomplishments. In *Red Holzman: The Life and Legacy of a Hall of Fame Basketball Coach*, author Mort Zachter has taken on the challenge of sharing this coach's incredible story. From humble beginnings as the son of immigrant parents growing up in Brooklyn, Holzman paved a path of excellence at every level. From his time in the Navy to breaking into the NBA and his rise through the coaching channels, author Zachter leaves no stone unturned. With interviews with those who played with, against, and for Red, including Bill Bradley, Phil Jackson, Bob Cousy, and Walt Clyde Frazier to name a few, the life of a basketball pioneer—one that has since been held quiet—is shared for the first time.

Havin' a Ball Richie Adubato, Peter Kerasotis, 2020-10 In *Havin' a Ball* one of basketball's most colorful characters and storytellers chronicles his life in the game, from high school coach in New Jersey to head coach in both the NBA and the WNBA. Richie Adubato isn't a Hall of Fame name, but he's one of basketball's most beloved coaches, with a lifetime of stories that are humorous and heartfelt, poignant and personal. Adubato's career has crossed paths with many of basketball's most memorable people and events. Starting in the 1960s, he was part of the Jersey Guys, a group of young junior high and high

school coaches—including Hubie Brown, Dick Vitale, and Mike Fratello—who all later went on to coach in the NBA. He was hired as Vitale's assistant coach with the Pistons in 1979. Then, three years later, he was hired by Hubie Brown as the Knicks' assistant coach. He would stay in pro basketball for the next twenty-five years, with stints as head coach for the Dallas Mavericks and Orlando Magic and the WNBA's New York Liberty and Washington Mystics. In fact, he is the first coach to have led teams in both leagues to the playoffs. Aduvato grew up as an Irish Italian Jersey kid with modest aspirations who went on to experience a fascinating ride in pro basketball. He tells readers how a young Magic team led by Shaquille O'Neal came undone, about his years coaching the Mavericks at a time when the NBA was never more popular, what it was like to coach in the WNBA when the Liberty were outdrawing the Knicks in attendance, and what it was like to coach with, and against, other Hall of Famers. *Havin' a Ball* takes readers into locker rooms, planes, practices, games, and off court to the inner world of pro basketball with an insider's unique perspective.

Solving the Riddle Dr. Kevin H. Abdur-Rahman, 2019-04-29 Dr. Abdur-Rahman's life journey took on an unusual evolutionary process from delinquency to adult court, long-term incarceration, rehabilitation, and a progressive and productive life. From Pop Warner quarterback to one of the most recognized drug dealers in Philadelphia and one of the most influential people on the campus of one of America's most

historic universities. To solve the riddle of life's journey, there are questions that must be answered, mysteries that must be solved, and meaning applied to both. In this book, Dr. Abdur-Rahman has presented a case study of an at-risk youth and ex-felon that demonstrated the example that, if given healthy information, one can avoid and even transcend the environmental influences and dysfunction that create negative outcomes. In addition, he has given working professionals in the field of delinquency prevention ideas that can help them develop their own successful methodologies and has proven a vital need for Clean Slate legislation to create a second-chance forum, so other successfully transitioned ex-felons do not have to hide their past and employers can feel comfortable hiring ex-felons. You will hear him tell stories about situations and individual relationships, each giving hints to the riddle that he had to solve for himself. The Fix Is Still In Brian Tuohy, 2019-06-04 In this long-anticipated sequel to his jarring takedown of professional sports, *The Fix Is In*, internationally recognized game fixing expert and scholarly authority Brian Tuohy further reveals the truths all sports fans need to know. Based on dedicated research and previously unreleased FBI files, each chapter exposes sports in a manner none of the major leagues' broadcast partners would dare attempt. No sport or league is spared

as Tuohy rips through not only the likes of the NFL, NBA, MLB, NHL, and NASCAR, but also the PGA, UFC, eSports, horse racing, boxing, and both NCAA football and basketball. Along the way, championships are revealed as frauds, referees are exposed as accomplices, and legends are demolished. No sports fans should watch another game until they read this book and understand what truly is being presented as “pure” in America’s professional sports leagues.

Coaching Myths Rick Albrecht, 2013-04-19 Unlike the generations of coaches that have gone before them, today’s coaches are expected not only to teach motor skills to young athletes but to do so in an environment that is conducive to the ethical, emotional, social and physical well-being of each one of them. Each of the 15 chapters of this book presents, and then systematically debunks, the most pervasive, persistent and potentially harmful myths in coaching, including such chestnuts as “play by my rules,” “winning is the ultimate goal” and “there’s no I in ‘team.’” Although the information in every chapter is based on current scientific evidence (and there are numerous source notes), each is written in the everyday language of coaches and covers topics that are of particular interest to coaches, parents, athletic administrators, recreation programming specialists—and even the occasional fan.

Basketball Jackie MacMullan, Rafe Bartholomew, Dan Klores, 2019-10-15 NEW YORK TIMES BESTSELLER • Inspired by a major ESPN film series, this is an extraordinary oral history of basketball—its eye-opening untold history, its profound deeper meaning, its transformative influence on the world—as told through an unprecedented series of candid conversations with the game's ultimate icons. This is the greatest love story never told. It has passion and heartbreak, triumph and betrayal. It is deeply intimate yet crosses oceans, upends lives and changes nations. This is the true story of basketball. It is the story of a

Canadian invention that took over America, and the world. Of a supposed “white man’s sport” that became a way for people of color, women, and immigrants to claim a new place in society. Of a game that demands everything of those who love it, yet gives so much back in return. To tell this story, acclaimed journalists Jackie MacMullan, Rafe Bartholomew and Dan Klores embarked on a groundbreaking mission to interview a staggering lineup of basketball trailblazers. For the first time hundreds of legends, from Kobe, LeBron and Steph Curry to Magic Johnson, Dr. J and Jerry West, spoke movingly about their greatest passion. Former NBA commissioner David Stern and iconic coaches like Phil Jackson and Coach K opened up like never before. Those who shattered glass ceilings, from Bill Russell and Yao Ming to Cheryl Miller and Lisa Leslie, explained what it really took to lay claim to their place in the game. At once a definitive oral history and something far more revelatory and life affirming, *Basketball: A Love Story* is the defining untold oral history of how basketball came to be, and what it means to those who love it.

When he's traded to the Miami Blaze, his focus is on one thing-winning. But when he helps a fiery redhead fight off a mugger, he can't deny the sparks between them. Although she tries, neither can she. Too bad she's his new coach's daughter. Giving into the temptation is one personal foul neither of them can back down from. *Personal Foul* was previously featured in the *Playing to Win* Anthology and is now expanded to a full-length novel.
