Catch and Kill Ronan Farrow, 2019-10-15 One of the Best Books of the Year Time * NPR * Washington Post * Bloomberg News * Chicago Tribune * Chicago Public Library * Fortune * Los Angeles Times * E! News * The Telegraph * Apple * Library Journal In this newly updated edition of the meticulous and devastating (Associated Press) account of violence and espionage that spent months on the New York Times Bestsellers list, Ronan Farrow exposes serial abusers and a cabal of powerful interests hell-bent on covering up the truth, at any cost - from Hollywood to Washington and beyond. In 2017, a routine network television investigation led to a story only whispered about: one of Hollywood's most powerful producers was a predator, protected by fear, wealth, and a conspiracy of silence. As Farrow drew closer to the truth, shadowy operatives, from high-priced lawyers to elite war-hardened spies, mounted a secret campaign of intimidation, threatening his career, following his every move, and weaponizing an account of abuse in his own family. This is the untold story of the exotic tactics of surveillance and intimidation deployed by wealthy and connected men to threaten journalists, evade accountability, and silence victims of abuse. And it's the story of the women who risked everything to expose the truth and spark a global movement Los Angeles Times Book Prize Finalist Finalist for the National Book Critics Circle Award in Autobiography Indie Bound #1 Bestseller USA Today Bestseller Wall Street Journal Bestseller

Seventy Hours and Thirty Minutes NBC News, 1966 A minute-by-minute log, from the assassination of President Kennedy through his funeral.

An Unlikely Journey Julián Castro, 2018 In the spirit of a young Barack Obama's *Dreams from My Father*, comes a candid and compelling memoir about race and poverty in America. In many ways, there was no reason Julian Castro would have been expected to be a success. Born to unmarried parents in a poverty-stricken neighborhood of a struggling city, his prospects of escaping his circumstance seemed bleak. But he and his twin brother Joaquin had something going for them: their mother. A former political activist, she provided the launch pad for what would become an astonishing ascent. Julian and Joaquin would go on to attend Stanford and Harvard before entering politics at the ripe age of 26. Soon after, Joaquin became a state representative and Julian was elected mayor of San Antonio, a city he helped revitalize and transform into one of the country's leading economies. His success in Texas propelled him onto the national stage, where he was the keynote speaker at the 2012 DNC--the same spot President Obama held three conventions prior--and then to Washington D.C. where he served as the Obama Administration's Secretary of Housing and Urban Development. After being shortlisted as a potential running mate for Hillary Clinton, he is now seen by many as a future presidential candidate. Julian Castro's story not only affirms the American dream, but also resonates with millions, who in an age of political cynicism and hardening hearts are searching for a new hero. No matter one's politics, this book is the transcendent story of a resilient family and the unlikely journey of an emerging national icon.

Into the Fray Tom Mascaró, 2012-09-30 From 1961 to 1989, a committed group of documentary journalists from the National Broadcasting Company (NBC) reported the stories of America's overseas conflicts. Stuart Schulberg supplied film evidence to prosecute Nazi war criminals and established documentary units in postwar Berlin and Paris. NBC newsman David Brinkley created the template for prime-time news in 1961 and bore the scars to prove it. In 1964 Ted Yates and Bob Rogers produced a documentary warning of the pitfalls in Vietnam. Yates was later shot and killed in Jerusalem on the first day of the Six-Day War while producing a documentary for NBC News. In *Into the Fray*, Tom Mascaró vividly recounts the characters and experiences that helped create a unique, colorful documentary film crew based at the Washington bureau of NBC News. From the Kennedy era through the Reagan years, the journalists covered wars, rebellions, the Central Intelligence Agency, covert actions, the Pentagon, military preparedness, and world and American cultures. They braved conflicts and crises to tell the stories that Americans needed to see and hear, and in the process they changed the face of journalism. Mascaró also looks at the social changes in and around the unit itself, including the struggles and triumphs of women and African Americans in the field of television documentary. *Into the Fray* is the story of adventure, loyalty to reason, and life and death in the service of broadcast journalism.

La Borinqueña Edgardo Miranda-Rodriguez, 2016-12-22 La Borinqueña is a patriotic symbol presented in a classic superhero story. Her powers are drawn from elements and mysticism found on the island of Puerto Rico. The fictional character, Marisol Rios De La Luz, is a Columbia University Earth and Environmental Sciences Undergraduate student living with her parents Flor De La Luz Rojas and Oscar 'Chango' Rios Velez in Williamsburg, Brooklyn. She takes a semester of study abroad in collaboration with the University of Puerto Rico. There she explores the caves of Puerto Rico: Ventana, La Cueva del Indio, Las Cuevas de Camuy, La Cueva del Viento and the caves at the Julio Enrique Monagas National Park. At each of these caves she finds five similar sized crystals. Atabex, the Taino mother goddess, appears before Marisol once the crystals are united and summons her sons Yúcahu and Juracan. Yúcahu, God of the seas and the mountains gives Marisol her superhuman strength. Juracan, god of the hurricanes gives her the power of flight and control of the wind.

Holding the Line Guy M. Snodgrass, 2019 The author offers an insider's sometimes shocking account of how Defense Secretary James Mattis led the U.S. military through global challenges while serving as a crucial check on the Trump Administration.

NBC News Picture Book of the Year, 1968 NBC News, 1968

The More We Know Eric Klopfer, Jason Haas, 2012-09-21 The rise and fall of iCue: lessons about new media, old media, and education from an NBC-MIT joint venture into interactive learning. In 2006, young people were flocking to MySpace, discovering the joys of watching videos of cute animals on YouTube, and playing online games. Not many of them were watching network news on television; they got most of their information online. So when NBC and MIT launched iCue, an interactive learning venture that combined social networking, online video, and gaming in one multimedia educational site, it was perfectly in tune with the times. iCue was a surefire way for NBC to reach younger viewers and for MIT to test innovative educational methods in the real world. But iCue was a failure: it never developed an audience and was canceled as if it were a sitcom with bad ratings. In *The More We Know*, Eric Klopfer and Jason Haas, both part of the MIT development team, describe the rise and fall of iCue and what it can teach us about new media, old media, education, and the challenges of innovating in educational media. Klopfer and Haas show that iCue was hampered by, among other things, an educational establishment focused on "teaching to the test," television producers uncomfortable with participatory media, and confusion about the market. But this is not just a cautionary tale; sometimes more can be learned from an interesting failure than a string of successes. Today's educational technology visionaries (iPads for everyone!) might keep this lesson in mind.

NBC News Division and The Economics of Prime Time Access Alan Pearce, 1979

Making the News, Taking the News Ron Nessen, 2011-09-15 For fifteen years, Ron Nessen enjoyed an extraordinary career covering the major national events of the 1960s and '70s for NBC News, and later serving as White House press secretary to President Gerald R. Ford. *Making the News, Taking the News* remembers the events and personalities that dominated national politics during Nessen's career, bringing a hard-won perspective to those tumultuous times. Through an interweaving of countless incidents and personal anecdotes, Nessen builds a story that captures the true grit of closed-door politics. Off-the-record briefings and strategy sessions, as well as descriptions of experiences with Vietnam troops in the field, provide a vivid illustration of the life of an on-the-road reporter. At the heart of the book is Nessen's White House years, as the veteran reporter gives a valuable eyewitness account of events both behind the scenes and in front of the cameras that shaped and altered America during two critical decades.

Deciding What's News Herbert J. Gans, 2004 Herbert J. Gans is the Robert S. Lynd Professor of Sociology at Columbia University. --Book Jacket.

Notes from a Public Typewriter Michael Gustafson, Oliver Uberti, 2018-03-27 A collection of confessional, hilarious, heartbreaking notes written anonymously on a public typewriter for fans of PostSecret and Other People's Love Letters. When Michael Gustafson and his wife Hilary opened Literati Bookstore in Ann Arbor, Michigan, they put out a typewriter for anyone to use. They had no idea what to expect. Would people ask metaphysical questions? Write mean things? Pour their souls onto the page? Yes, no, and did they ever. Every day, people of all ages sit down at the public typewriter. Children perch atop grandparents' knees, both sets of hands hovering above the metal keys: I LOVE YOU. Others walk in alone on Friday nights and confess their hopes: I will find someone someday. And some leave funny asides for the next person who sits down: I dislike people, misanthropes, irony, and ellipses ... and lists too. In *NOTES FROM A PUBLIC TYPEWRITER* Michael and designer Oliver Uberti have combined their favorite notes with essays and photos to create an ode to community and the written word that will surprise, delight, and inspire.

Make it Memorable Bob Dotson, 2000 The power of the written word is alive and well! Bob Dotson is a craftsman who blends fascinating subjects

with dramatic images and thought provoking words. The result is a story that grabs and holds viewers' attention. In this age of rapid-fire events and get it on the air now coverage, Bob's work stands out as artistic and mature. The perfect combination of information and intelligence. Read this book. Learn from a master.

NBC Michele Hilmes,2007-08-01 Spanning eight decades from the beginnings of commercial radio to the current era of international consolidation and emerging digital platforms, this pioneering volume illuminates the entire course of American broadcasting by offering the first comprehensive history of a major network. Bringing together wide-ranging original articles by leading scholars and industry insiders, it offers a comprehensive view of the National Broadcasting Company (NBC) that brings into focus the development of this key American institution and the ways that it has intersected with, and influenced, the central events of our times. Programs, policy, industry practices and personnel, politics, audiences, marketing, and global influence all come into play. The story the book tells is not just about broadcasting but about a nation's attempt to construct itself as a culture—with all the underlying concerns, divisions, opportunities, and pleasures. Based on unprecedented research in the extensive NBC archives, *NBC: America's Network* includes a timeline of NBC's and broadcasting's development, making it a valuable resource for students and scholars as well as for anyone interested the history of media in the United States.

NewsLady Carole Simpson,2010 *NewsLady* is the memoir of a trailblazing African American woman journalist whose life is about firsts. Carole Simpson was the first woman to broadcast radio news in Chicago, The first African American woman to anchor a local newscast in the same city, The first African American woman national network television correspondent, The first African American woman to anchor a national network newscast And The first woman or minority to moderate a presidential debate. Hers is a story of survival in a male-dominated profession that placed the highest premium on white males. In this book she recounts how she endured and conquered sex discrimination and racial prejudice to reach the top ranks of her profession. Along the way she covered some of the most important news events over the four decades of her illustrious broadcasting career. Her inspirational story is for all trying to succeed in a corporate environment.

Desi Divas Christine L. Garlough,2013-02-19 *Desi Divas: Activism in South Asian American Cultural Performances* is the product of five years of field research with progressive activists associated with the School for Indian Languages and Cultures (SILC), South Asian Americans Leading Together (SAALT), the feminist dance collective Post Natyam, and the grassroots feminist political organization South Asian Sisters. Christine L. Garlough explores how traditional cultural forms may be critically appropriated by marginalized groups and used as rhetorical tools to promote deliberation and debate, spur understanding and connection, broaden political engagement, and advance particular social identities. Within this framework she examines how these performance activists advocate a political commitment to both justice and care, to both deliberative discussion and deeper understanding. To consider how this might happen in diasporic performance contexts, Garlough weaves together two lines of thinking. One grows from feminist theory and draws upon a core literature concerning the ethics of care. The other comes from rhetoric, philosophy, and political science literature on recognition and acknowledgment. This dual approach is used to reflect upon South Asian American women's performances that address pressing social problems related to gender inequality, immigration rights, ethnic stereotyping, hate crimes, and religious violence. Case study chapters address the relatively unknown history of South Asian American rhetorical performances from the early 1800s to the present. Avant-garde feminist performances by the Post Natyam dance collective appropriate women's folk practices and Hindu goddess figures make rhetorical claims about hate crimes against South Asian Americans after 9/11. In *Yoni ki Bat* (a South Asian American version of *The Vagina Monologues*) a progressive performer transforms aspects of the Mahabharata narrative to address issues of sexual violence, such as incest and rape. Throughout the volume, Garlough argues that these performers rely on calls for acknowledgment that intertwine calls for justice and care. That is, they embed their testimony in traditional cultural forms to invite interest, reflection, and connection.

Deciding What's News Herbert J. Gans,1980
The FBI Way Frank Figliuzzi,2021-01-12 NATIONAL BESTSELLER The FBI's former head of counterintelligence reveals the seven secrets of building and maintaining organizational excellence A must read for serious leaders at every level. —General Barry R. McCaffrey (Ret.) Frank Figliuzzi was the Keeper of the Code, appointed the FBI's Chief Inspector by then-Director Robert Mueller. Charged with overseeing sensitive internal inquiries and performance audits, he ensured each employee met the Bureau's exacting standards. Now, drawing on his distinguished career, Figliuzzi reveals how the Bureau achieves its extraordinary track record of excellence—from the training of new recruits in *The FBI Way* to the Bureau's rigorous maintenance of its standards up and down the organization. All good codes of conduct have one common trait: they reflect the core values of an organization. Individuals, companies, schools, teams, or any group seeking to codify their rules to live by must first establish core values. Figliuzzi has condensed the Bureau's process of preserving and protecting its values into what he calls "The Seven C's". If you can adapt the concepts of Code, Conservancy, Clarity, Consequences, Compassion, Credibility, and Consistency, you can instill and preserve your values against all threats, internal and external. This is how the FBI does it. Figliuzzi's role in the FBI gave him a unique opportunity to study patterns of conduct among high-achieving, ethical individuals and draw conclusions about why, when and how good people sometimes do bad things. Unafraid to identify FBI execs who erred, he cites them as the exceptions that prove the rule. Part pulse-pounding memoir, part practical playbook for excellence, *The FBI Way* shows readers how to apply the lessons he's learned to their own lives: in business, management, and personal development.

NBC News Division Alan Pearce,1972
Gender Queer: A Memoir Deluxe Edition Maia Kobabe,2022-05-31 2020 ALA Alex Award Winner 2020 Stonewall — Israel Fishman Non-fiction Award Honor Book In 2014, Maia Kobabe, who uses e/em/eir pronouns, thought that a comic of reading statistics would be the last autobiographical comic e would ever write. At the time, it was the only thing e felt comfortable with strangers knowing about em. Now, *Gender Queer* is here. Maia's intensely cathartic autobiography charts eir journey of self-identity, which includes the mortification and confusion of adolescent crushes, grappling with how to come out to family and society, bonding with friends over erotic gay fanfiction, and facing the trauma and fundamental violation of pap smears. Started as a way to explain to eir family what it means to be nonbinary and asexual, *Gender Queer* is more than a personal story: it is a useful and touching guide on gender identity—what it means and how to think about it—for advocates, friends, and humans everywhere. This special deluxe hardcover edition of *Gender Queer* features a brand-new cover, exclusive art and sketches, and a TK from creator Maia Kobabe.

Nbc News Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Nbc News free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Nbc News free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files.

Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Nbc News free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Nbc News. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Nbc News any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Nbc News Books

1. Where can I buy Nbc News books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Nbc News book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Nbc News books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
