Communion with God Neale Donald Walsch,2002-10-01 Neale Donald Walsch has changed the way the world thinks about God. His books have been translated into twenty-five languages, and his Conversations With God series, book 1, book 2, and book 3, have all been New York Times bestsellers--book 1 for over two years. In the Conversations books, Walsch shared with his readers the beginning of a sacred relationship, as he began an exchange with God on everything from love and faith, to life and death, and good and evil. And then, as Walsch recounted in *Friendship with God*, something else extraordinary began to happen. His relationship with God began to strengthen and deepen, just as our own relationships do, into a friendship. Now in *Communion with God*, his most richly intimate book yet, Walsch discovers how to elevate that friendship to a state of communion. In this blueprint for seekers, he reveals The Ten Illusions of Man--the misconceptions we hold about ourselves and our world and our God. He describes with striking clarity how we might heal the great divide that has arisen from these illusions. And as he explores the true meaning of bringing God into our everyday lives, of having the courage of our convictions. Walsch shows us that we can only break free from our illusions when we act always from a place of deep fellowship with all that is holy--a place of communion with God.

Conversations with God for Teens Neale Donald Walsch,2012-10-01 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling Conversations with God series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens' questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, 'Why can't I just have sex with everybody? What's the big deal?', the answer God offers her is: Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you? There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

Conversations with God, Book 2 Neale Donald Walsch,2020-09 How to deal with twenty-first century challenges, individually and globally. The Conversations with God books are among the most popular spirituality books published in the past 50 years. They have sold millions of copies in over two dozen languages around the world. In the introduction to *Conversations with God, Book 1*, Neale Donald Walsch was told that *Book 2* would deal with more global challenges now facing the world. This is a book that looks at the big picture. What is here is a proposed paradigm shift to change the political and spiritual constructs that people have manifested on this planet. This is the challenge of the book: Now is the time to reclaim yourself. Now is the time to see yourself again as *Who You Really Are*, and thus, render yourself visible again. For when you, and your true relationship with God, become visible, then *We* are indivisible. And nothing will ever divide *Us* again.

Why? Anne Graham Lotz,2005-05-04 Called the best preacher in the family, by her father, Billy Graham, Anne Graham Lotz speaks around the globe with the wisdom and the authority of years spent studying God's Word. In her latest book, Anne shares her heart and God's teachings on the universal problem of suffering. Drawing her characteristically keen insights from the familiar story of Lazarus in the ninth and eleventh chapters of the Gospel of John, Anne offers Jesus' reassuring answers to our heartfelt cries for understanding: Why doesn't God care? Why does He let these things happen? Why me? Why doesn't God answer my prayers? Why didn't He protect me? Why doesn't He perform a miracle? The Storm Before the Calm Neale Donald Walsch,2011-10-01 Something happened in early 2011 that hasn't happened in decades, perhaps centuries—and we didn't even notice it. That is, we didn't see it for what it was. Massive unrest from Tunisia to Egypt to Libya rocked the Arab world and threw the globe into political crisis. Within days, an earthquake-tsunami-nuclear calamity of terrifying proportions shocked Japan and sent the world reeling once again, even as the globe's financial markets shuddered to sustain themselves while states and nations tottered on the brink of bankruptcy-where many still linger. All of this, of course, we did notice. What we may have missed was that ancient predictions for this period of time called for exactly this: simultaneous environmental, political, and financial disasters. Were we seeing the beginning of the end of history-and not picking up the signal? In The Storm Before The Calm, seven-time New York Times best-selling author Neale Donald Walsch offers a startling answer: yes. But Walsch also says there is nothing to fear, advancing an extraordinary explanation for what is happening even now all over the planet. Then-and more important-he provides a stunning prescription for healing our lives and our world through the answering of seven simple questions, inviting people everywhere to join in an earth-saving exchange at TheGlobalConversation.com. Compelling and perfectly timed, The Storm Before The Calm answers every question that is worth asking about December, 2012 and beyond.
