Huskerville Roger C. Aden,2007-10-15 This work reveals the storied love affair that has long existed between native Nebraskans and the University of Nebraska football team. The author draws upon his experiences as a devoted Huskerviller, and the insights of more than 500 other Husker fans who shared their ideas through interviews, questionnaires, and Internet communication, to compose a story that highlights how the culture, history, and geography of Nebraska are intimately embedded in fans' devotion to the Cornhuskers. The book features photographs and an extensive bibliography, while an appendix provides 16 essays written by devoted Husker fans.

Husker History From the Sports Writers of the Omaha World-Herald,2020-11-25 The University of Nebraska's intercollegiate athletic program began with a baseball game that produced a football-like score. The Old Gold Knights defeated Doane, 23-6, on April 12, 1889. On Nov. 27, 1890, an NU football team took the field for the first time. It rode the train to Omaha and beat the local YMCA, 10-0. Thousands of Husker athletic contests, from Lincoln to Tokyo, have followed. From those comes Husker History: The 25 Most Important Games, documented in these pages by contemporary reporting from the time and bolstered by modern reflection by World-Herald writers for a thorough vetting of the games that will live with Nebraska forever.

Nebraska Cornhusker Football Mark Fricke,2005 When Matt Davison made a diving catch on the famous flea-flicker play against Missouri in 1997, securing Nebraska's perfect season, the Husker faithful were in football nirvana. And that memorable play was preceded by over a century of Nebraska Football greatness. The team was winning conference championships back in the 1890s, and was an established national powerhouse by the time they joined the Big Eight (later Big Twelve) in 1928. Even the mediocre years brought excitement, such as the stunning 25-21 upset of the unbeatable Sooners in 1959. Five National Championships (1970, '71, '94, '95, and '97) under the coaching of Bob Devaney and Tom Osborne, when the Huskers won at least 9 games per season for over 30 straight years, is an accomplishment of which most collegiate football programs can only dream.

Red Zone Tom Shatel,1998 Red Zone: The Greatest Victories in the History of Nebraska Football looks at the greatest games in the history of Nebraska football. It takes you back to the colorful characters and the breathtaking moments that made Nebraska football the greatest program in college football and the pride of the state of Nebraska.

Nebraska Football Carla Mooney,2013-07-15 The Nebraska Cornhuskers have won 43 conference championships since the team began playing the sport in 1890. Over the past 120 years, they have amassed several amazing players, coaches, and game-stopping moments. This volume showcases the history of Nebraska football, highlighting some of these awesome moments and people in an action-packed format that leaves readers wanting more.

Go Big Red Michael Babcock,2015-08-11 Nebraska has enjoyed thirty-six consecutive winning seasons, made twenty-nine consecutive bowl appearances, and won five national championships, including three in the last four seasons. During that time, the Cornhuskers have had just two head coaches, Bob Devaney and Tom Osborne. Without question, this is the golden era of Cornhusker football, and Go Big Red is a celebration of that indisputable fact. It is much more than a trivia book-- it goes beyond the hefty and comprehensive media guides published each season by the Nebraska Sports Information Office. The book covers Nebraska football in a way no other publication has, with personality profiles, anecdotes, and original research, as well as questions of fact and trivia, some of which will test even the most devoted and knowledgeable Cornhusker fans. Some things you'll remember. There is a section devoted to the best of Broderick Thomas, the loquacious outside linebacker. And there are also some things you won't remember, or things you might not have known. Can you name all of the assistant coaches on Osborne's first staff in 1973? Can you list Nebraska's starters for the 1941 Rose Bowl game? Do you know how the Blackshirt tradition began? Devaney was a master storyteller, and the book includes a humorous story or two of his. The program became a haven for walk-ons under Osborne, and the book includes an all-walk-on team. Though Nebraska is enjoying its greatest successes now, Cornhusker football was king long ago. And the book offers insight into that past glory, achieved by the likes of Jumbo Stiehme, Ed Weir, and Guy Chamberlin. All-American Trev Albert, the Butkus Award winner in 1993, has expressed the meaning of Cornhusker football in the introduction, which is an integral part of the book's experience. Reading Go Big Red isn't the same as sitting in Memorial Stadium, awash in red on game day. But it's the next best thing.

Then Osborne Said to Rozier. . . Steve Richardson,2008-07-01 Then Osborne Said to Rozier... chronicles more than four decades of the greatest Nebraska football stories as told by coaches, players, and fans—from the growth of Memorial Stadium under Bob Devaney to the tumultuous tenure of Bill Callahan. Authored by veteran football writer Steve Richardson, Then Osborne Said to Rozier... offers an insider's view of the most important people and moments in Cornhuskers football history. Even the most dedicated Nebraska fans will discover something new about their beloved Cornhuskers.

The Game of the Century Michael Corcoran,2007-11-01 The acclaimed author of *Duel in the Sun*, hailed as a perfect golf time machine by USA Today, takes readers into the bleachers and onto the playing field for an inside look at the legendary face-off between the Oklahoma Sooners and the Nebraska Cornhuskers. On Thanksgiving Day 1971, a record fifty-five million homes tuned in to watch two powerhouse college football teams collide. Defending national champion University of Nebraska was squaring off against the country's second-ranked team, the Oklahoma Sooners. The Huskers were riding a twenty-nine-game unbeaten streak; the Sooners had the number one offense in the country. Both teams were loaded with All-Americans and future NFL stars. The legend of the game that became known as the single finest ever played actually began a few years earlier in Texas, when coach Emory Bellard came up with an innovative plan of attack that would level defenses and give coaches sleepless nights for the next twenty years. The Texas wishbone offense became the talk of sporting America, and when Oklahoma coach Chuck Fairbanks adopted it for his team in 1970, the groundwork was laid for the epic confrontation with Nebraska. Combining a meticulously researched history of college football with in-depth interviews, author Michael Corcoran tells it all: the play-by-play strategies and techniques, the personalities of the players and coaches who conceived the plans and executed them, the formations and intricate blocking schemes that spelled victory or defeat. Highlights include: Heisman winner Johnny Rodgers's storied punt return, Rich Glover's incomparable twenty-two tackles, Oklahoma's furious comebacks each time they trailed in the game, and the poignant memories of the game after it was over. Nebraska radio play-by-play man Lyell Bremser echoed the nation when he proclaimed, I never thought I would live this long to see this kind of a football game. Filled with vivid details and nail-biting suspense, this book takes us behind the scenes and into the rich history of this practically mythical battle. From the roots of both football teams, to the players, coaches, reporters, spectators, and fans, *The Game of the Century* is a story that will resonate with football fans all across America.

The Nebraska Way Jonathan Cowl,2007-10 Covering a 45-year period, *The Nebraska Way* chronicles both the historic rise and gradual fall of the Nebraska football dynasty, from the hiring of Bob Devaney and succession of Tom Osborne to the firing of Frank Solich and rapid separation from tradition. Along with the highs and lows of the Cornhuskers' achievements, *The Nebraska Way* also attempts to define Tom Osborne's philosophy as a coach and mentor as well as the relationship between the football program and the state it represents. Also discussed is the transition from a unique and special program to one assuming the characteristics of any other major college football program, and what it means for the future of the University of Nebraska football program.

Forever Red Steve Smith,2015-09 On any given workday, any little thing might send Steve Smith's thoughts spinning back to Saturday—last Saturday, Saturday two weeks ago, Saturday two years ago, back into the thrilling minutiae of game day—until reality reminds him: this is not how well-adjusted adults act. Steve Smith is not a well-adjusted adult. He's a Nebraska football fan, and this is his rollicking account of what it's like to be one of those legendary enthusiasts whose passion for the Cornhuskers is at once irresistible and hilarious. A journey into an obsessed Nebraska fan's soul, *Forever Red* immerses readers in the mad, mad world of Husker football

fandom—where wearing the scarlet-and-cream Huskers gear has its own peculiar rules; where displaced followers act as the program’s ambassadors, finding Husker subculture beyond the pale; and where the team’s performance can barely keep pace with its followers’ expectations but sometimes exceeds their wildest dreams. Revised, updated, and expanded from the 2005 edition, Smith’s story of thirty-plus years following the team takes readers back to memorable game moments from 1980 up through the roller-coaster ride of recent years. Blending wit and insight, Smith offers a window on the world to the uninitiated and the fellow fanatic alike where fantasy and football meet, where dreams of glory and gritty gridiron realities forever join.

100 Things Nebraska Fans Should Know & Do Before They Die Sean Callahan,2013-11-01 The University of Nebraska–Lincoln is one of the most storied and decorated football programs in NCAA history—since its inception in 1890, the program has claimed five National Championships, all of which are explored in this essential guide, along with the personalities, events, and facts that any and every Cornhuskers fan should know. The book recalls the key moments and players from Tom Osborne’s reign on the Nebraska sidelines from the 1970s to the 1990s—an unprecedented period that included 13 conference championships and three national championships—as well as the program’s early years and recent success under head coach Bo Pelini. Author Sean Callahan also includes the unforgettable players who have worn the Scarlet and Cream, including Johnny Rodgers, Mike Rozier, Tommie Frazier, and Ndamukong Suh. More than a century of team history is distilled to capture the essential moments, highlighting the personalities, games, rivalries, and plays that have come together to make Nebraska one of college football’s legendary programs.
