Halloween Propmaker's Handbook Ken Pitek,2014-10-01 With some corn syrup, drink mix powder and water, you can make a splendid concoction of stage blood—without spending an arm and a leg. From budget-friendly frights to sophisticated props, this book offers dozens of imaginative ways to haunt a house for Halloween. Readers will find generously illustrated step-by-step instructions for creating a barbecued skull, devil eyes, bonehead tableware, a magic bottle, a glowing brain and other projects. The book details ways to enhance an eerie ambiance with effects like blacklights and music. Props use many common household items and tools. Where specialty items are required, the author tells where they can be found at a reasonable cost. Projects take anywhere from a few hours to several days to complete. The chapters ooze with tips on topics like creating apprehension and surprise, using design to guide guests, creatively using plastic skulls, and making papier-mâché masks and molded hands. There are recipes for fake blood and vomit and ideas for using them, and other creative and adaptable ideas. Appendices include "Merry Halloween," which advises, "One of the best times to look for bargains on Halloween prop-building materials is right after Christmas"; an alphabetical listing of props and supplies and where they can be found; a list of

specialty suppliers; and an “epitaph” inviting comments.

Happy Cheryl Zhang, 2021-01-26 Amazing happiness is an incredible experience within your mind, where there is no fear. You are literally living the life that you have dreamed about, you are so excited and free! Happiness is a choice that we get to make for ourselves, and it is not a result of worldly things or our circumstances. So nothing will make us happy, we must choose to be happy from within! HAPPINESS IS A CHOICE THAT WE MAKE FOR OURSELVES EACH DAY! Happiness is the highest form of energy, that we have to be in complete harmony, with the love from within. The more happy that we have, the greater and stronger our energy will be! The gift of happiness is a gift that we give to ourselves and it is the gift of love to the world! The more happiness we feel, the more love we can give to others to create a magnificent amazing life and to achieve our dreams.

The Day-Glo Brothers Chris Barton, 2009-07-01 A discovery that made the world a brighter place! Joe and Bob Switzer were very different brothers. Bob was a studious planner who wanted to grow up to be a doctor. Joe dreamed of making his fortune in show business and loved magic tricks and problem-solving. When an accident left Bob recovering in a darkened basement, the brothers began experimenting with ultraviolet light and fluorescent paints. Together they invented a whole new kind of color, one that glows with an extra-special intensity—Day-Glo. This cover reproduction is not printed with Day-Glo colors. The actual book, however, is printed using three Day-Glo colors: Saturn Yellow, Fire Orange, and Signal Green.

Visionary Marketing Ritesh Chaube, As a longtime fan of business books, I realized that there is a huge problem. There are tons of books out there on business advice. But, all of them throw information at readers in bits and pieces. These book address one small specific area of business without tying it correctly into the big picture or considering the effects of their localized advice on the larger business. This is huge problem that no one is taking the effort to address. Until now. This book changes everything. This book ties everything into the big picture and makes groundbreaking information accessible to everyday people who face real business problems. All of this in a format that is easy to read and easy to understand. Hello, my name is Ritesh and I was fortunate to attend the #1 Business School in the World for Marketing: Kellogg School of Management. This book will unleash a visionary approach to marketing using everything I have learned through continued education, research, and years of professional experience. What is different about companies that succeed wildly compared to those that don't? Is success in business largely luck or is it possible to significantly tilt the odds in your favor? This book answers these important questions. This book cuts through the noise and confusion abound in the business world and presents an actionable playbook that details how to lay the foundation for a winning business. A winning business that grows vigorously on minimal marketing and leaves the completion in the dust.

PHOTOSHOP CC - ENGLISH Özge Mardi Bayar,2020-01-01 This book is a rare resource that views Photoshop from the point of view of photography art and design. The book contains tips and application examples of using Photoshop in desktop publishing, web, and photography field. Although Photoshop program has unlimited options in image processing, it does not mean that everyone will achieve amazing images with this program. An artistic point of view is required for such applications. To gain this artistic point of view, it is necessary to train the eye and observe the nature in detail. Photoshop Creative Cloud version is only a tool to present this point of view. Yet of course, using this tool in the best way possible will help to achieve the amazing images. Photoshop CC that is introduced with Creative Cloud has become a tool with constant updates. Photoshop CC is a program that contains updates on basic Photoshop CS6 program. With Photoshop CS6, CS5.1 and CS 5.0, users can learn to use Photoshop and develop their Skills using this book.

Glow Megan E. Bryant,2017-09-01 Kirkus Reviews Best Books of 2017 - Best Teen Historical Fiction 2019-2020 South Carolina Young Adult Book Award Nominee A riveting story of ambitious and self-sufficient women, both in the present and past.—Kirkus Reviews starred review Bryant's novel will surely spur readers to learn more about this dark part of history.—School Library Journal starred review Lydia is thrilled to join the working girls in the factory, where they paint luminous watch dials for the soldiers fighting in World War I. In the future, these girls will be known as the tragic Radium Girls: factory workers not only poisoned by the glowing paint, but who also had to fight against men who knew of the paint's deadly effect. One hundred years later, Julie, whose life is on hold after high school, becomes intrigued by a series of mysterious antique paintings she finds in a thrift store. When she discovers their hidden-and increasingly nightmarish-glowing images, Julie is determined to learn more about them. As Julie's obsession mounts, truths about the Radium Girls-and her own complicated relationships-are revealed. Can she uncover the secrets behind the paintings before she puts herself and everyone she loves at risk?

Best Photoshop Filters Susannah Hall, 2011 Photoshop filters give digital painters and illustrators an alchemical array of creative effects quickly and easily. Filters can transform a standard photograph to give it the look of an oil painting, pencil drawing, or old film still, for example. They can be used to smudge an image, tear its edges, infuse it with a neon glow--in fact, the range of effects extends way beyond the standard settings as filters can be configured and combined in any number of ways. This beautifully designed visual reference opens with a brief introduction for beginners on how to set up smart filters, use the filter gallery, adjust the blend modes for different filters, and identify the effect of each blend mode. The bulk of the book, however, serves as a visual reference to the many, many, many types of filters within Photoshop, including artistic, brush stroke, distort, pixelate, sketch, stylize, texture filters, and more. For each group of filters, the book provides an overview that broadly explains the effects of each group of filters and how different settings affect them. The book then goes into greater detail showing swatches of photographs with the filters applied so readers can see the affects of the filters--used with their default settings, as well as with incremental changes made to their settings. The swatches create an invaluable reference, saving the reader from experimenting by having a ready-made, look-it-up guide to the possible effects of each filter.
