TiVo Hacks Raffi Krikorian, 2003-08-22 TiVo Hacks helps you get the most out of your TiVo personal video recorder. Armed with just a screwdriver and basic understanding of PC hardware (or willingness to learn), preeminent hackability awaits. This book includes hacks for changing the order of recorded programs, activating the 30-second skip to blaze through commercials, upgrading TiVo's hard drive for more hours of recording, use of TiVo's Home Media Option to remotely schedule a recording via the Web, log in to the serial port for command-line access to programming data, log files, closed-captioning data, display graphics on the TiVo screen, and even play MP3s. Readers who use advanced hacks to put TiVo on their home network via the serial port, Ethernet, USB, or wireless (with 802.11b WiFi) will watch a whole new world open up. By installing various open source software packages, you can use TiVo for mail, instant messaging, caller-ID, and more. It's also easy to run a web server on TiVo to schedule recordings, access lists of recorded shows, and even display them on a web site. While TiVo gives viewers personalized control of their TVs, TiVo Hacks gives users personalized control of TiVo. Note: Not all TiVos are the same. The original TiVo, the Series 1, is the most hackable TiVo out there; it's a box thrown together with commodity parts and the TiVo code is running on open hardware. The Series 2 TiVo, the most commonly sold TiVo today, is not open. You won't see hacks in this book that involve modifying Series 2 software.

Dutch Silver J.W. Frederiks,2012-12-06 This third volume on Dutch Silver does not need a lengthy introduction, since it is a continuation of the second volume, describing and reproducing the wrought plate of the other provinces of the Netherlands, i. e. Zeeland, Utrecht, North-Brabant, Limburg, Gelderland, Overijssel, Friesland and Groningen. The province of Drenthe, until recent years a district with a poor population, has never produced important pieces of silver, but only rather insignificant folk art which need not be included in this book. The general observations contained in the introduction to Volume II apply also to this volume. Here we shall add only certain particular observations regarding the most important and characteristic productions of the various provincial masters. Many of their works are well above the standard normally reached by local celebrities, and some mention of their particular skills and versatility is, therefore, called for. The silver of ZEELAND is, in general, of fine quality and neatly executed. Though this island province, lying between Holland and Belgium, had much easier communications with the Southern Netherlands than with Holland, it is evident that the influence of the latter on the Zeeland silversmiths was predominant. One of the most outstanding pieces of Dutch silver, the eight-pointed dish of 1631 made by the Middelburg silversmith and engraver Johannes Loeff (no.

The Flesh Cartel, Season 1: Capture Rachel Haimowitz, Heidi Belleau, 2013-01-15 Sublime service, made to order. In this first installment of the exciting new psychosexual thriller, The Flesh Cartel, orphaned brothers Mat and Dougie Carmichael are stolen in the night from their own home. Taken to a horrifying processing facility, they are assessed, microchipped, and subjected to unspeakable brutality—all in preparation for sale to the highest bidder. In a world where every person has a price, the beautiful and subduable PhD student Dougie is highly prized. His brother, a rough-edged MMA fighter, is less desirable—and potentially too dangerous—but he still has his own appeal. Abused and locked up under round-the-clock surveillance, with no idea where they are or even why they've been taken, escape seems impossible, which leaves staying together their only hope. And after being separated once by the foster system, they'll do anything to keep it from happening again. Anything at all. **See this title's page on RiptidePublishing.com for content warnings.**

The Flesh Cartel, Season 5: Wins and Losses Rachel Haimowitz, Heidi Belleau, 2013-02-22 In episode five of The Flesh Cartel, Nikolai is well on his way to undermining the bond between Mat and Dougie, but there's still a long road ahead. Training slaves is a process full of setbacks, and with these two, the situation is more complex and precarious than usual. Walking the line with Mat is especially challenging. Too severe a hand leaves him fearful, even broken, but too light a touch leaves him disobedient and full of fury. Dougie, on the other hand, wants desperately to end his suffering and loneliness and fear. But his unwillingness to disappoint his

brother means he can't bring himself to submit. Controlling Mat with pain alone is futile, so Nikolai must take a defter route by decoding Mat's deeper desires: why does he fight, and why does he want so badly to win? By contrast, Dougie may need a firmer touch than the pleasure and affection Nikolai has so far shown him. To convince Dougie of how much he stands to gain by giving all of himself to Nikolai, he must first teach him how much more he has left to lose. **See this title's page on RiptidePublishing.com for content warnings.**
