Francois Catroux David Netto,2016-10-25 This first volume on François Catroux is a comprehensive consideration of the work and life of an international master of interior design. François Catroux is an innovator and explorer in interior design, who has always been a master of contemporary style. From his early days as a design prodigy, creating space-age boutiques for a house of couture and apartments that drew from Art Deco and modern design, to chic, mirror-studded interiors rich with glamour and elegant refinement in residences in Hong Kong, New York, and London, Catroux is at home in the vast world of design. His spaces may surprise with the introduction of irregular elements—a chandelier of elk horn or pink florescent lighting in a hallway—but Catroux’s hallmark sensibility combines the majesty and grandeur of high ceilings, elegant moldings, and gossamer draperies with elements that suggest comfort and tasteful, restrained opulence. Go-to accoutrements include sumptuous sofas, rich carpeting, gentle lighting, rooms lined with books, and ship staterooms in warm wood paneling with brass lamps, all measured according to a modern eye. This book looks at Catroux’s career chronologically, featuring his first projects in 1968 through his latest, completed only this year, and includes the interiors of houses and apartments around the globe, from Paris to New York, Hong Kong to Los Angeles. Luxuriously photographed, this volume is more than just a design monograph on one of the great, and so far relatively untold, careers in the history of design—it is also a lively and intimate read about a life lived in great style.

Maybe this was the reason why I always felt like an outsider growing up. I never belonged in the ordinary. I was born to live amidst magic. Enzo Griffin Enzo and Ava Griffin never expected to face their worst nightmare on Christmas eve. Though they always dreamed of magic, they never thought of its actual existence, and the consequence it carries. During a violent snow storm, they're visited by foul creatures called Shadow Spirits. The eerie beings kidnap both of their grandparents, vanishing into a portal found on the bark of a tree. After the frightening incident, Enzo and Ava discover Henderbell, a world full of magic, wonder, and secrets. But an impending doom is revealed to them. The king and queen of Henderbell are missing, and their absence could trigger the destruction of this new-found world and the human realm. On the quest to find both Henderbellian rulers, Enzo and Ava learn of a curse placed upon their own bloodline. But other ancient enemies have risen from their graves, seeking revenge for a past unknown to them. Enzo and Ava find friendship, courage, and love as they face unimaginable darkness in the quest to redeem the world they belong and the one they live in. Can you discover the curse hidden in the shadows?

Unknown Market Wizards Jack D. Schwager, 2020-11-03 The Market Wizards are back! *Unknown Market Wizards* continues in the three-decade tradition of the hugely popular *Market Wizards* series, interviewing exceptionally successful traders to learn how they achieved their extraordinary performance results. The twist in *Unknown Market Wizards* is that the featured traders are individuals trading their own accounts. They are unknown to the investment world. Despite their anonymity, these traders have achieved performance records that rival, if not surpass, the best professional managers. Some of the stories include: - A trader who turned an initial account of \$2,500 into \$50 million. - A trader who achieved an average annual return of 337% over a 13-year period. - A trader who made tens of millions using a unique approach that employed neither fundamental nor technical analysis. - A former advertising executive who used classical chart analysis to achieve a 58% average annual return over a 27-year trading span. - A promising junior tennis player in the UK who abandoned his quest for a professional sporting career for trading and generated a nine-year track record with an average annual return just under 300%. World-renowned author and trading expert Jack D. Schwager is our guide. His trademark knowledgeable and sensitive interview style encourages the Wizards to reveal the fascinating details of their training, experience, tactics, strategies, and their best and worst trades. There are dashes of humour and revelations about the human side of trading throughout. The result is an engrossing new collection of trading wisdom, brimming with insights that can help all traders improve their outcomes.
