Skill Building for ESL and Special Education Kristine Setting Clark,2016-09-13 Simply English is an ESL curriculum adaptable for elementary though adult learners. Its goal is to help the limited and/or non-English speaker achieve fluency in English words that are essential for everyday life. Simply English can also be incorporated into Special Education programs for students who need help with spelling, definitions of words, and correct application of grammatical structures. The forty-four units are organized, presented and applied to everyday, real-life situations. They include whole class and small group activities. Each unit contains the following material: Competency Goals, Vocabulary: Listen, Read, Say, and Structures and Skill Building. Student Textbook will help you to achieve fluency in English words and phrases which are essential for everyday life. There is also a coordinating Student Workbook to be used along with the textbook to give you practice with spelling, word definitions and correct application of grammatical structures.
