Student Diversity at the Big Three Marcia Graham Synnott,2013 Strengthening affirmative action programs and fighting discrimination present challenges to America's best private and public universities. U.S. college enrollments swelled from 2.6 million students in 1955 to 17.5 million by 2005 (the figure included millions of older students). Ivy League universities, specifically Harvard, Yale, and Princeton, face significant challenges in maintaining their professed goal to educate a reasonable number of students from all the ethnic, racial, religious, and socio-economic groups while maintaining the loyalty of their alumni. College admissions officers in these elite universities have the daunting task of selecting a balanced student body. Added to their challenges, the economic recession of 2008-2009 negatively impacted potential applicants from lower-income families. Evidence suggests that high Standard Aptitude Test scores are correlated with a family's socioeconomic status. Thus, the problem of selecting the best students from an ever-increasing pool of applicants may render standardized admissions tests a less desirable selection mechanism. The next admissions battles may be whether well-endowed universities should commit themselves to a form of class-based affirmative action in order to balance the socioeconomic advantages of well-to-do families. Such a policy would improve prospects for students who may have dreams, aspirations, and ambitions for a type of education that is beyond their reach without preferential treatment. As in past decades, admissions policies may remain a question of balances and preferences. Nevertheless, the elite universities are handling admission decisions with determination and far less prejudice than in earlier eras.

Media Management Ann Hollifield,Jan LeBlanc Wicks,George Sylvie,Wilson Lowrey,2015-08-11 Media Management: A Casebook Approach provides a detailed consideration of the manager's role in today's media organizations, highlighting critical skills and responsibilities. Using media-based cases that promote critical thinking and problem-solving, this text addresses topics of key concern to managers: diversity, group cultures, progressive discipline, training, and market-driven journalism, among others. The cases provide real-world scenarios to help students anticipate and prepare for experiences in their future careers. Accounting for major changes in the media landscape that have affected every media industry, this Fifth Edition actively engages these changes in both discussion and cases. The text considers the need for managers to constantly adapt, obtain quality information, and be entrepreneurial and flexible in the face of new situations and technologies that cannot be predicted and change rapidly in national and international settings. As a resource for students and young professionals working in media industries, Media Management offers essential insights and guidance for succeeding in contemporary media management roles.

Dilettante Dana Brown,2022-03-22 A witty, insightful, and delightfully snarky blend of pop culture meets memoir meets real-life Devil Wears Prada as readers learn the stories behind twenty-five years at Vanity Fair from the magazine's former deputy editor "Dilettante offers the best seat in the house into the workings of one of the great cultural institutions of our time."—Buzz Bissinger, New

York Times bestselling author of *Friday Night Lights* Dana Brown was a twenty-one-year-old college dropout playing in punk bands and partying his way through downtown New York's early-nineties milieu when he first encountered Graydon Carter, the legendary editor of *Vanity Fair*. After the two had a handful of brief interactions (mostly with Brown in the role of cater waiter at Carter's famous cultural salons he hosted at his home), Carter saw what he believed to be Brown's untapped potential, and on a whim, hired him as his assistant. Brown instantly became a trusted confidante and witness to all of the biggest parties, blowups, and takedowns. From inside the famed *Vanity Fair* Oscar parties to the emerging world of the tech elite, Brown's job offered him access to some of the most exclusive gatherings and powerful people in the world, and the chance to learn in real time what exactly a magazine editor does—all while trying to stay sober enough from the required party scene attendance to get the job done. Against all odds, he rose up the ranks to eventually become the magazine's deputy editor, spending a quarter century curating tastes at one of the most storied cultural shops ever assembled. *Dilettante* reveals Brown's most memorable moments from the halcyon days of the magazine business, explores his own journey as an unpedigreed outsider to established editor, and shares glimpses of some of the famous and infamous stories (and people) that tracked the magazine's extraordinary run all keenly observed by Brown. He recounts tales from the trenches, including encounters with everyone from Anna Wintour, Lee Radziwill, and Condé Nast owner Si Newhouse, to Seth Rogen, Caitlyn Jenner, and acclaimed journalists Dominick Dunne and Christopher Hitchens. Written with equal parts affection, cultural exploration, and nostalgia, *Dilettante* is a defining story within that most magical time and place in the culture of media. It is also a highly readable memoir that skillfully delivers a universal coming-of-age story about growing up and finding your place in the world.
