Cereal City Guide: New York Rosa Park, Rich Stapleton, 2018-12-04 From the leading independent travel and style magazine Cereal comes Cereal City Guide: New York: a portrait of the Empire City offering a finely curated edit on what to see and do for discerning travelers and locals alike. Rich Stapleton and Rosa Park, Cereal's founders, travel extensively for the magazine and were inspired to create a series of city guides that highlighted their favorite places to visit. Now, after building a loyal readership that counts on their unique, considered advice, they are relaunching the books with a fresh design and new content. Rather than a comprehensive directory of all there is to see and do, these Cereal City Guides offer instead an edit of points of interest and venues that reflect Cereal's values in both quality and aesthetic sensibility. Rich and Rosa have personally visited hundreds of venues in New York, distilling their preferred locales down to their firm favorites. From the inspired boutiques which reflect that distinctive New Yorker eclecticism to the local restaurants that feed them, these are the finds that that will offer a more personal take on the city. Meticulously researched and illustrated with original photography, each guide includes: photo essays of striking images of the city an illustrated neighborhood map interviews and essays from celebrated locals, such as chef Camille Becerra, shop owner Kai Avent-deLeon, and more lists of essential architectural points of interest, museums, galleries, day trips outside the city, and unique goods to buy an itinerary for an ideal day in New York Cereal City Guide: New York is a design-focused portrait of an iconic city, offering a distinctive look at the best museums, galleries, restaurants, and shops. Also, check out Cereal City Guide: London and Cereal City Guide: Paris.

Not For Tourists Guide to New York City 2022 Not For Tourists, 2021-10-12 With details on everything from the Empire State Building to Max Fish, this is the only guide a native or traveler needs to navigate New York's neighborhoods and find the best restaurants, shopping, and more. AIA Guide to New York City Norval White, Elliot Willensky, Fran Leadon,2010-06-09 Hailed as extraordinarily learned (New York Times), blithe in spirit and unerring in vision, (New York Magazine), and the definitive record of New York's architectural heritage (Municipal Art Society), Norval White and Elliot Willensky's book is an essential reference for everyone with an interest in architecture and those who simply want to know more about New York City. First published in 1968, the AIA Guide to New York City has long been the definitive guide to the city's architecture. Moving through all five boroughs, neighborhood by neighborhood, it offers the most complete overview of New York's significant places, past and present. The Fifth Edition continues to include places of historical importance--including extensive coverage of the World Trade Center site--while also taking full account of the construction boom of the past 10 years, a boom that has given rise to an unprecedented number of new buildings by such architects as Frank Gehry, Norman Foster, and Renzo Piano. All of the buildings included in the Fourth Edition have been revisited and re-photographed and much of the commentary has been re-written, and coverage of the outer boroughs--particularly Brooklyn--has been expanded. Famed skyscrapers and historic landmarks are detailed, but so, too, are firehouses, parks, churches, parking garages, monuments, and bridges. Boasting more than 3000 new photographs, 100 enhanced maps, and thousands of short and spirited entries, the guide is arranged geographically by borough, with each borough divided into sectors and then into neighborhood. Extensive commentaries describe the character of the

divisions. Knowledgeable, playful, and beautifully illustrated, here is the ultimate guided tour of New York's architectural treasures. Acclaim for earlier editions of the AIA Guide to New York City: An extraordinarily learned, personable exegesis of our metropolis. No other American or, for that matter, world city can boast so definitive a one-volume guide to its built environment. -- Philip Lopate, New York Times Blithe in spirit and unerring in vision. -- New York Magazine A definitive record of New York's architectural heritage... witty and helpful pocketful which serves as arbiter of architects, Baedeker for boulevardiers, catalog for the curious, primer for preservationists, and sourcebook to students. For all who seek to know of New York, it is here. No home should be without a copy. -- Municipal Art Society There are two reasons the guide has entered the pantheon of New York books. One is its encyclopedic nature, and the other is its inimitable style-- 'smart, vivid, funny and opinionated' as the architectural historian Christopher Gray once summed it up in pithy W & W fashion. -- Constance Rosenblum, New York Times A book for architectural gourmands and gastronomic gourmets. -- The Village Voice

A History Lover's Guide to New York City Alison Fortier, 2016-02-29 This guidebook to the Big Apple goes beyond the traditional tour, offering visitors a fascinating exploration of the city's rich history. New York is a city of superlatives. It has the largest population, greatest wealth, broadest diversity, and most elegant museums in the nation. With that comes an amazing history that you can experience firsthand with this unique guide. George Washington took his first oath of office on the steps of Federal Hall. Visitors can still dine at the famed Fraunces Tavern and worship at historic St. Paul's Chapel. From the Brooklyn Bridge to stunning skyscrapers, the city celebrates its own history and that of the nation. Join author Alison Fortier as she traces the history and heritage of America's largest metropolis.
