New York in Stride Jessie Kanelos Weiner,Jacob Lehman,2020-02-18 A locals' treasure map to the secret spots favored by true New Yorkers. The must-visit, must-see travel list given to you by the New Yorker friend you wish you had. Vibrantly illustrated throughout, this practical guide transports readers to discover an insider's view of the Big Apple. The vivid watercolors illustrate destinations of the architectural marvels, cultural hubs, food and drink spots, and music venues that make New York so exciting. Cultural musings, accessible histories, anecdotes, and informative details accompany the illustrations throughout, making this volume as practical as it is beautiful. The book features eleven curated neighborhood destination walks--guiding the reader through the energetic New York streets, passing restaurants and coffee shops, historical sights, museums and galleries, parks, and the kind of authentic and timeless sites that one hopes to find when imagining the city. Interwoven throughout are insider guides on how to eat like a New Yorker; explore the city's most beautiful parks and gardens; navigate transit via ferry, subway, and bike; visit some of NYC's most iconic TV and film locations.

The Manhattan Nobody Knows William B. Helmreich,2018-12-11 A one-of-a-kind walking guide to Manhattan, from the man who walked every block in New York City Bill Helmreich walked every block of New York City—six-thousand miles in all—to write the award-winning *The New York Nobody Knows*. Later, he re-walked most of Manhattan—721 miles—to write this new, one-of-a-kind walking guide to the heart of one of the world's greatest cities. Drawing on hundreds of conversations he had with residents during his block-by-block journey, *The Manhattan Nobody Knows* captures the unique magic and excitement of the island and highlights hundreds of facts, places, and points of interest that you won't find in any other guide. The guide covers every one of Manhattan's thirty-one distinct neighborhoods, from Marble Hill to the Financial District, providing a colorful portrait of each area's most interesting, unusual, and unfamiliar people, places, and things. Along the way you'll be introduced to an elderly Inwood man who lives in a cave; a Greenwich Village townhouse where Weathermen terrorists set up a bomb factory; a Harlem apartment building whose residents included W.E.B. DuBois and Thurgood Marshall; a tiny community garden attached to the Lincoln Tunnel; a Washington Heights pizza joint that sells some of the biggest slices in town; the story behind the Birdman of Washington Square Park; and much, much more. An unforgettably vivid chronicle of today's Manhattan, the book can also be enjoyed without ever leaving home—but it's almost guaranteed to inspire you to get out and explore this fascinating metropolis. Covers every one of Manhattan's neighborhoods, providing a colorful portrait of their most interesting, unusual, and unfamiliar people, places, and things Each neighborhood section features a brief overview and history; a detailed, user-friendly map keyed to the text; and a lively guided walking tour Draws on the author's 721-mile walk through every Manhattan neighborhood Includes insights from conversations with hundreds of residents

Frommer's 24 Great Walks in New York AA Media Ltd.,2011-02-08 Features 24 walking tours of New York including: Museum Mile an exploration of Harlem Greenwich Village special interest tours focused on the art, architecture, history and music of New York.

The New York Nobody Knows William B. Helmreich,2015-08-25 As a kid growing up in Manhattan, William Helmreich played a game with his father they called Last Stop. They would pick a subway line and ride it to its final destination, and explore the neighborhood there. Decades later, Helmreich teaches university courses about New York, and his love for exploring the city is as strong as ever. Putting his feet to the test, he decided that the only way to truly understand New York was to walk virtually every block of all five boroughs--an astonishing 6,000 miles. His epic journey lasted four years and took him to every corner of Manhattan, Brooklyn, Queens, the Bronx, and Staten Island. Helmreich spoke with hundreds of New Yorkers from every part of the globe and from every walk of life, including Mayor Michael Bloomberg and former mayors Rudolph Giuliani, David Dinkins, and Edward Koch. Their stories and his are the subject of this captivating and highly original book. We meet the Guyanese immigrant who grows beautiful flowers outside his modest Queens residence in order to always remember the homeland he left behind, the Brooklyn-raised grandchild of Italian immigrants who illuminates a window of his brownstone with the family's old neon grocery-store sign, and many, many others. Helmreich draws on firsthand insights to examine essential aspects of urban social life such as ethnicity, gentrification, and the use of space. He finds that to be a New Yorker is to struggle to understand the place and to make a life that is as highly local as it is dynamically cosmopolitan.--Publisher's description.

A Walk in New York Salvatore Rubbino,2017-09-12 New York City the perfect place for a boy and his dad to spend the day! Follow them on their walk around Manhattan, from Grand Central Terminal to the top of the Empire State Building, from Greenwich Village to the Statue of Liberty, learning lots of facts and trivia along the way.

NYC Walks John Hill,2019-03-12 The first-ever walking tour guide of New York City's stunning contemporary architecture showcases the most intriguing new buildings in the city. It can be hard to keep up with New York City's surge of cutting-edge architecture since the turn of the millennium. This portable, easy-to-use guide directs readers to the city's newest architectural gems, all completed in the 21st century with some still under construction. Divided into ten 1- to 3-mile walks that extend from Columbia University through lower Manhattan and across to Brooklyn and Queens, this guidebook highlights over 150 buildings, popular destinations like the High Line and Lincoln Center, and trendy locations such as Williamsburg and the Bowery. Led by author John Hill, these tours are highly informative, engaging, and filled with fascinating insights and details. Maps and numerous photographs make this guide the perfect companion for anyone visiting New York City, architecture buffs, and those wishing to better know the city they call home.

City Walks Christina Henry De Tessan,2004

New York Theater Walks Howard Kissel,2007 (Applause Books). In *New York Theatre Walks* , Howard Kissel provides a series of seven self-guided walking tours not just of the theatre district

but of the East and West Village, the Lower East Side, and the Upper West Side neighborhoods uptown and downtown that illuminate the theatre's intimate relationship with the city. On one tour, we follow the career of Irving Berlin from the sites of his theatrical triumphs to the ultra-posh corner where this Lower East Side boy eventually made his home. There's also Adolph Green's Daily 'Commute,' a route on which he went to meet and work with his musical theatre writing partner Betty Comden, and on a culinary tour we see the way Times Square eateries contributed to theatre history. The book abounds in Broadway anecdotes, but it also gives the walker a sense of the city's own complex, rich history. East Side, West Side, All Around the Town, New York Theatre Walks provides enjoyment and instruction not just for visitors eager to get off the beaten path but for the native who wants to find the theatrical past lying behind the sights one passes on a regular basis.

Seeing New York Hope Cooke,2011-12-12 An off-the-beaten bath tour of New York that transcends the usual guide book.

Radical Walking Tours of New York City Bruce Kayton,2003 Traditional walking tours of New York enshrine the wealthy and the war heroes. Rarely seen are those buried in their wake - those who fought the power, pushing for a better world. In this exciting new guide, Bruce Kayton leads us to different kinds of monuments, offering readers a history of class struggles, labour movements and civil rights battles, with such sites as Emma Goldman's home in the East Village, Langston Hughes's house in Harlem and the site of Margaret Sanger's first birth control clinic. A new perspective on the history of New York and American radicalism.

New York Walks Andrew White,2000 This guide includes 23 walks exploring the Big Apple. The contributors - a collection of historians, novelists, journalists and comedians - are united by their passion for the city, drawing on personal infatuations and professional expertise. Whether exploring the ever-changing face of the Lower East Side, or the varied neighbourhoods of uptown Manhattan, the result is a collection of walks to be enjoyed at home or explored on the streets and in the parks, shops and bars of New York.

Magnetic City Justin Davidson,2017-04-18 From New York magazine's architecture critic, a walking and reading guide to New York City—a historical, cultural, architectural, and personal approach to seven neighborhoods throughout Manhattan, Brooklyn, and the Bronx, including six essays that help us understand the evolution of the city For nearly a decade, Pulitzer Prize-winning critic Justin Davidson has explained the ever-changing city of New York to his readers at New York magazine, introducing new buildings, interviewing architects, tracking the way the transforming urban landscape shapes who New Yorkers are. Now, his extensive, inspiring knowledge will be available to a wide audience. An insider's guide to the architecture and planning of New York that includes maps, photographs, and original insights from the men and women who built the city and lived in it—its designers, visionaries, artists, writers—Magnetic City offers first-time visitors and lifelong residents a new way to see New York. Includes walking tours throughout Manhattan, Brooklyn, and the Bronx • the Financial District • the World Trade Center • the Seaport and the Brooklyn waterfront • Chelsea and the High Line • 42nd Street • the Upper West Side • the South Bronx and Sugar Hill Praise for Magnetic City “An intimate, seductive guidebook.”—The New York Times “An enthralling new book makes clear that I'm not alone in my home-town infatuation . . . lends nuance, texture and historical perspective to my impression that New York City has never been so appealing or life-affirming as it is today.”—New York Post “[Davidson] combines a keen intelligence, experience, observational skills, expertise (especially but not solely architectural), and an elegant writing style to make this beautifully produced book indispensable.”—Booklist (starred review) “A street-level celebration of New York City in all ‘its perpetual complexity and contradiction’ . . . a worthy companion to Alfred Kazin's A Walker in the City and the American Institute of Architects guides to the architecture of New York as well as a treat for fans of the metropolis.”—Kirkus Reviews (starred review) “Justin Davidson does more than direct our feet to New York's hidden monuments. He explains the structure of the city with a clarity that would be bracing even for a Gotham habitué, but more than that, he finds the meaning in every building and byway.”—Andrew Solomon, National Book Award-winning author of Far from the Tree “Mr. Davidson's exceptional knowledge of our beloved city is inspiring. Magnetic City is now my official chaperone.”—Patti LuPone “Justin Davidson has a mind alive to every signal, and his brilliant prose style transmits that electricity in black-and-white type. He is thus born to the task of capturing the chaotic splendor of New York City on the page.”—Alex Ross, author of Listen to This “Justin Davidson's beautiful tours of New York City invoke and redouble our love of the metropolis.”—Jerry Saltz, senior art critic, New York

New York Offbeat Walks Stephen Millar,2023-03-10 This is NOT your typical guide— this book will show you the quirkier side of Manhattan. See where the slave market was in Colonial Manhattan, learn who the streets were named after, visit the site of Studio 54, CGBGs, William S. Burroughs' Bunker, and John Lennon's Nulopia, see the locations you'll recognize from The Godfather (1972), When Harry Met Sally (1989), The Devil Wears Prada (2006), and places where other famous movies were filmed, visit everything from tiny community gardens to skyscrapers beloved by billionaires . . . Each walk covers lesser-known architectural, historical, and cultural highlights. Five reasons to buy this book: a must for native New Yorkers who want to be informed about their city introduces movies that have become an important part of the history of NYC fits in your pocket so it's easy to start walks anywhere and anytime filled with fascinating anecdotes told with a hint of NYC sarcasm and humor contains 12 walks that will make you feel much fitter and smarter when you finish!

Walking Queens Adrienne Onofri,2014-07-21 Home to more than 2.3 million people who speak at least 150 different languages, Queens is heralded as the most multicultural place on Earth. People go there to watch Major League Baseball or the U.S. Open. Perhaps they venture just across the river, to check out a trendy new restaurant, bar, or performance space in Long Island City or Astoria, or ride the train all the way out to the beach on a summer's day. Now, with Walking Queens by local author Adrienne Onofri, readers get to know the whole borough. Each walk tells the story of a neighborhood: how it developed originally and how it's transformed over the years. Readers are pointed to distinctive architecture, landmark buildings, popular eateries, ethnic enclaves, celebrity residences, art and performance spaces, and natural scenery. There are tours that reveal forgotten moments in Queens history, or position you for a stunning view, or immerse you in all the sights, scents, and sounds of a melting pot. Maps and transportation directions make it easy to find your way. Whether you're looking for an afternoon stroll or a daylong outing, grab this book and start walking Queens!

New York, a Guide to the Metropolis Gerard R. Wolfe,1983

Andy Warhol's New York City Thomas Kiedrowski,2011-07-12 Andy, Andy everywhere. Twenty-three years after his death, few figures hover over New York City—its art, its street life, its commerce, its creativity, its nightlife, its myths, and its idea of itself—like Andy Warhol. Andy Warhol’s New York City provides a panoramic view of the artist’s life there from the fifties through the eighties. Eighty sites associated with the artist careen delightfully from coffee shops to museums, from disco clubs to churches, with dozens of glamorous and gritty places in between. Fashionistas will love reading about the rare pretzel-print dress Warhol designed (now in the Metropolitan Museum of Art) and seeing him looking like a character out of Mad Men as he’s photographed on the steps of the Met; cineastes will be riveted to the behind-the-scenes stories of his films; art lovers will appreciate the comprehensive listing of his many shows; and New York City history buffs will savor glimpses of the city’s icons—vanished (Schrafft’s), current (Serendipity 3), and never-realized (the Andy-Mat). There are sidebars on Warhol’s residences, favorite restaurants, and factories. Brief biographies of figures in the book familiarize the reader with the revolving cast of glittering characters that enter and leave the stage as Warhol’s story unfolds. Nine original drawings in the book were made specially for Andy Warhol’s New York City by the artist Vito Giallo, a former studio assistant of Warhol’s who executed hundreds of Warhol’s ink blot drawings, and who later owned the antique store where Warhol bought thousands of items that were posthumously auctioned at Sotheby’s.

Getting the books **New York City Walks** now is not type of challenging means. You could not only going once book gathering or library or borrowing from your contacts to get into them. This is an agreed easy means to specifically acquire lead by on-line. This online declaration New York City Walks can be one of the options to accompany you in imitation of having further time.

New York City Walks Introduction

In todays digital age, the availability of New York City Walks books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New York City Walks books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New York City Walks books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New York City Walks versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact

associated with book production and transportation. Furthermore, New York City Walks books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New York City Walks books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New York City Walks books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New York City Walks books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New York City Walks books and manuals for download and embark on your journey of knowledge?

FAQs About New York City Walks Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. New York City Walks is one of the best book in our library for free trial. We provide copy of New York

City Walks in digital format, so the resources that you find are reliable. There are also many Ebooks of related with New York City Walks. Where to download New York City Walks online for free? Are you looking for New York City Walks PDF? This is definitely going to save you time and cash in something you should think about.
