**New York (N.Y.). Mayor's Taxi Study Panel**

**New York Cab Driver and His Fare** Charles Vidich,2017-09-29 Using information derived from research and interviews with cab drivers, Vidich has written a basic work on New York City cab drivers (hacks) that also provides passengers (fares) with a survival manual. Cab drivers are quoted by newspaper columnists, politicians, and at dinner parties; yet a hard look at the profession and its role in the transportation system of the city has been completely lacking. Vidich brings out in clear language the conflicts between the cab driver's position as a dispenser of a public service and his needs as a working person subjected to violence and pressure. It is difficult to imagine a more enjoyable introduction to an industry whose members are a folk tradition. At the same time, this book provides insight into the history and sociology of an important urban institution. It is a book about cab drivers everywhere; and cab drivers and fares in all cities have a new handbook in this volume.

**Taxi!** Biju Mathew,2008 Drawing on conversations with the drivers themselves, **Taxi!** details both the pressures and triumphs of life behind the wheel. Mathew reveals in this highly readable, fast-paced survey of New York's taxi business, that just about everything has been dramatically altered except the yellow paint.

**Confessions of a New York Taxi Driver (The Confessions Series)** Eugene Salomon,2013-01-31 Driving a cab for more than 30 years Gene Salomon has collected a remarkable selection of stories. He shares the very best in this unforgettable memoir.

**Taxi!** Graham Russell Gao Hodges,2020-03-17 Why the cabdriver is the real victim of the false promises of Uber and the gig economy. 2007 Noteworthy Book in Industrial Relations and Labor Economics, Princeton University Industrial Relations Section Hailed in its first edition as a classic study of New York City's history and people, Graham Russell Gao Hodges's **Taxi!** is a remarkable evocation of the forgotten history of the taxi driver. This deftly woven narrative captures the spirit of New York City cabdrivers and their hardscrabble struggle to capture a piece of the American dream. From labor unrest and racial strife to ruthless competition and political machinations, Hodges recounts this history through contemporary news accounts, Hollywood films, and the words of the cabbies themselves. A new preface recalls the author's five years of hacking in New York City in the early 1970s, and a new concluding chapter explores the rise of app-based ridesharing services with the arrival of companies like Uber and Lyft. Sharply criticizing the use of the independent contractor model that is the cornerstone of Uber and the gig economy, Hodges argues that the explosion of for-hire vehicles in Manhattan reversed decades of environmental anti-congestion efforts. He calls for a return to the careful regulations that governed taxicabs for decades and provided a modest yet secure living for cabbies. Whether or not you've ever hailed a cab on Broadway, **Taxi!** provides a fascinating perspective on New York's most colorful emissaries.

**New York City Taxi & Limousine Drivers Guide** Tim Mosher,Stuart Allen Taub,1997

**Pushing the HACK** Andrew Bayroff,2010-09-20 Stories and Insight from a 100-Year-Old Retired New York City Taxi Driver. Read what a 100 year old retired NYC taxicab driver has to say when asked straight forward questions about his family, career and life behind the wheel In New York City. Book Includes: Q&A, trivia, history and fun facts about NYC and its famous taxis and much, much more! Please Note: For some reason the Preview of the book online (cover and back) looks distorted. I assure you the printed book is beautiful.

**Streetwise** Diego Gambetta,Heather Hamill,2005-06-30 A taxi driver's life is dangerous work. Picking up a bad customer can leave the driver in a vulnerable position, and erring even once can prove fatal. To protect themselves, taxi drivers must quickly and accurately assess the trustworthiness of complete strangers. In **Streetwise**, Diego Gambetta and Heather Hamill take this predicament as a prototypical example of many trust decisions, where people must act on limited information and judge another person's trustworthiness based on signs that may or may not be honest indicators of that person's character or intent. Gambetta and Hamill analyze the behavior of cabbies in two cities where driving a taxi is

especially perilous: New York City, where drivers have been the targets of frequent and violent robberies, and Belfast, Northern Ireland, a divided metropolis where drivers have been swept up in the region's sectarian violence. Based on in-depth ethnographic research, *Streetwise* lets drivers describe in their own words how they seek to determine the threat posed by each potential passenger. The drivers' decisions about whom to trust are treated in conjunction with the sign-management strategies of their prospective passengers—both genuine passengers who try to persuade drivers of their trustworthiness and the villains who mimic them. As the theory that guides this research suggests, drivers look for signs that correlate closely with trustworthiness but are difficult for an impostor to mimic. A smile, a business suit, or a skullcap alone do not reassure drivers, as any criminal could easily wear them. Only if attached to other signs—a middle-aged woman, a business address, or a synagogue—are they persuasive. Drivers are adept at deciphering deceitful signals, but trickery is occasionally undetectable, so they must adopt defensive strategies to minimize their exposure to harm. In Belfast, where drivers are locals and often have histories of paramilitary involvement, macho posturing often serves to deter would-be criminals, while New York cabbies, mostly immigrants who view themselves as outsiders, try simply to minimize the damage from attacks by appeasing robbers and carrying only small amounts of cash. For most people, erring in a trust decision leads to a broken heart or a few dollars lost. For cab drivers, such an error could mean losing their lives. The way drivers negotiate these high stakes offers us vivid insight into how to determine another person's trustworthiness. Written with clarity and color, *Streetwise* invites the reader to ride shotgun with cabbies as they grapple with a question of relevance to us all: which signs of trustworthiness can we really trust? A Volume in the Russell Sage Foundation Series on Trust

**The New York State Taxicab Driver's Companion** Attorney at Law Marc ZIROGIANNIS, 2010-06-02 An work created to be a the comprehensive manual for beginning Taxi and Limo drivers in New York State as well as the reference guide to experienced livery drivers. The work contains information invaluable to the entire livery profession. Contains photos, checklists, and a wealth of information.

**Report on Availability of Taxicabs at Night, on Weekends, and on Holidays** James Chard, New York (N.Y.). Taxi and Limousine Commission, 1971

**Why You Can't Find a Taxi in the Rain and Other Labor Supply Lessons from Cab Drivers** Henry S. Farber, National Bureau of Economic Research, Princeton University. Industrial Relations Section, 2014 In a seminal paper, Camerer, Babcock, Loewenstein, and Thaler (1997) find that the wage elasticity of daily hours of work New York City (NYC) taxi drivers is negative and conclude that their labor supply behavior is consistent with target earning (having reference dependent preferences). I replicate and extend the CBLT analysis using data from all trips taken in all taxi cabs in NYC for the five years from 2009-2013. The overall pattern in my data is clear: drivers tend to respond positively to unanticipated as well as anticipated increases in earnings opportunities. This is consistent with the neoclassical optimizing model of labor supply and does not support the reference dependent preferences model. I explore heterogeneity across drivers in their labor supply elasticities and consider whether new drivers differ from more experienced drivers in their behavior. I find substantial heterogeneity across drivers in their elasticities, but the estimated elasticities are generally positive and only rarely substantially negative. I also find that new drivers with smaller elasticities are more likely to exit the industry while drivers who remain learn quickly to be better optimizers (have positive labor supply elasticities that grow with experience).

*Lonely Planet Best of New York City 2020* Lonely Planet, Lorna Parkes, Regis St Louis, Hugh McNaughtan, 2019-09-01 Lonely Planet's Best of New York City is your passport to the most up-to-date advice on what to see and skip, and what hidden discoveries await you. Delve into the past in the Metropolitan Museum; and walk over the Brooklyn Bridge at dusk, as skyscrapers begin to light up the night; all with your trusted travel companion.

**Lonely Planet Discover New York City 2019** Lonely Planet, Ali Lemer, Ray Bartlett, Regis St Louis, Robert Balkovich, 2018-09-01 Lonely Planet's Discover New York City 2019 is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you.

**New York City Taxi & Limousine Drivers Guide** Hagstrom Map Company,2002-12-01

**Taxi Confidential** Amy Braunschweiger,2009-09 An outrageous encounter in a cab is a rite of passage in New York City. Trap two or more strangers in a careening yellow sedan and add an unexpected variable-say, a well-armed transvestite hooker, the urgent need for a restroom, or a stabbing victim-and the story that emerges is sure to be worth telling. In *Taxi Confidential*, cabbies ranging from a lead-footed pothead to a philosophizing immigrant sage grapple with what chance tosses their way. Author Amy Braunschweiger uncovers the best taxi stories from the 1970s through present day, and takes the reader on a 100-mile-per-hour ride through Gotham's darkest alleys, roughest neighborhoods, and hidden sweet spots.

**The Meter's Running** Jerry Tierstein,2003-07 Now That Time Has Had Its Say tells the story of the Indiana Central Canal, from the time when horses and flatboats carried freight and passengers down its length, to today, when museums, office buildings, and condominiums are being built along its banks. The book is the product of more than two years of research by J. Darrell Bakken, retired vice-president of engineering of the Indianapolis Water Company, who worked in previously untapped archives, discovering documents and never-before published photographs which helped yield the history of the twenty-five mile canal. This technical history begins in 1835, when Indiana caught canal fever and began a multi-million dollar project to build a network of canals to transport passengers and freight throughout the state. One section of that project, the Indiana Central Canal, started in northern Marion County in Broad Ripple, continued through the city of Indianapolis, and ended in Johnson County, near the town of Waverly. For more than forty years the canal was a failure both practically and financially. Finally in 1881 the canal became part of the new Indianapolis Water Company, and from then until the current day it has been an important part of the history of the city of Indianapolis. The latter part of the book documents the impact of community leaders such as General Thomas A. Morris, F. A. W. Davis, Hugh M. K. Landon, Clarence H. Geist, and Thomas W. Moses, and reveals how, from the 1970s onward, the downtown canal became a driving force in the transformation of Indianapolis into one of America's most livable cities.

**National Geographic Traveler: New York** Michael S. Durham,2006 Now fully revised and updated, this guide to New York City offers the incomparable expertise of National Geographic for this comprehensive guidebook to the Big Apple, illustrated with 200 color photos and ten maps.

## **New York Taxi Cab Riders Nyc Taxi Free Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading New York Taxi Cab Riders Nyc Taxi Free free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is

Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects.

Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading New York Taxi Cab Riders Nyc Taxi Free free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world.

Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading.

Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading New York Taxi Cab Riders Nyc Taxi Free free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading New York Taxi Cab Riders Nyc Taxi Free. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading New York Taxi Cab Riders Nyc Taxi Free any PDF files. With these platforms, the world of PDF downloads is just a click away.

## FAQs About New York Taxi Cab Riders Nyc Taxi Free Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. New York Taxi Cab Riders Nyc Taxi Free is one of the best book in our library for free trial. We provide copy of New York Taxi Cab Riders Nyc Taxi Free in digital format, so the resources that you find are reliable. There are also many Ebooks of related with New York Taxi Cab Riders Nyc Taxi Free. Where to download New York Taxi Cab Riders Nyc Taxi Free online for free? Are you looking for New York Taxi Cab Riders Nyc Taxi Free PDF? This is definitely going to save you time and cash in something you should think about.
