Lovemarks Kevin Roberts,2005-12-01 Ideas move mountains, especially in turbulent times. Lovemarks is the product of the fertile-iconoclast mind of Kevin Roberts, CEO Worldwide of Saatchi & Saatchi. Roberts argues vociferously, and with a ton of data to support him, that traditional branding practices have become stultified. What's needed are customer Love affairs. Roberts lays out his grand scheme for mystery, magic, sensuality, and the like in his gloriously designed book Lovemarks." —Tom Peters Tom Peters, one of the most influential business thinkers of all time, described the first edition of Lovemarks: the future beyond brands as "brilliant." He also announced it as the "Best Business Book" published in the first five years of this century. Now translated into fourteen languages, with more than 150,000 copies in print, Lovemarks is back in a revised edition featuring a new chapter on the peculiarly human experience of shopping. The new chapter, Diamonds in the Mine, is an insightful collection of ideas for producers and consumers, for owners of small stores and operators of superstores. So forget making lists! Shopping, says Kevin Roberts, is an emotional event. With this as a starting point, he looks at the history of shopping and how it has changed so dramatically over the last ten years. Using the Lovemark elements of Mystery, Sensuality, and Intimacy, Roberts delves into the secrets of success that can be used to create the ultimate shopping experience.

New Developments in Behavioral Research: Theory, Method and Application Barbara C. Etzel,Judith M. LeBlanc,Donald M. Baer,2020-09-10 Originally published in 1977, these examples of research and scholarly argument were collected in honor of Professor Sidney W. Bijou. In the language of academics, they constitute a Festschrift: a festival of scholarly writing, performed to celebrate the career of a person who produced, and stimulated others to produce, exactly such contributions throughout a long, valuable, and productive professional history. Since 1955, Dr Bijou had worked almost exclusively within the approach variously labelled as the functional analysis of behavior, the experimental analysis of behavior, operant conditioning, or Skinnerian psychology. From his point of view, it seems clear, the first of these labels was the correct one. It was the principle of objective, direct, observable analysis that attracted him.

Cases in Public Relations Management Patricia Swann,2014-02-18 Developed for advanced students in public relations, Cases in Public Relations Management uses recent cases in public relations that had outcomes varying from expected to unsuccessful. The text challenges students to think analytically, strategically, and practically. Each case is based on real events, and is designed to encourage discussion, debate, and exploration of the options available to today's strategic public relations manager. Key features of this text include coverage of the latest controversies in current events, discussion of the ethical issues that have made headlines in recent years, and strategies used by public relations practitioners. Each case has extensive supplemental materials taken directly from the case for students' further investigation and discussion. The case study approach encourages readers to assess what they know about communication theory, the public relations process, and management practices, and prepares them for their future careers as PR practitioners. New to the second edition are: 27 new case studies, including coverage of social media and social responsibility elements New chapters on corporate social responsibility (CSR) and activism End-of-chapter exercises Embedded hyperlinks in eBook Fully enhanced companion website that includes: Instructor resources: PowerPoint presentations, Case Supplements, Instructor Guides Student resources: Quizzes, Glossary, Case Supplements

Innovators in Digital News Lucy Küng,2015-07-16 News organisations are struggling with technology transitions and fearful for their future. Yet some organisations are succeeding. Why are organisations such as Vice and BuzzFeed investing in journalism and why are pedigree journalists joining them? Why are news organisations making journalists redundant but recruiting technologists? Why does everyone seem to be embracing native advertising? Why are some news organisations more innovative than others? Drawing on extensive first-hand research this book explains how different international media organisations approach digital news and pinpoints the common organisational factors that help build their success.

Night+Day New York Brian Niemitz,2006 This sleek guide emphasizes the details that busy and discerning travelers need to know: the very best venues and activities, the prime time to be in every spot, and packed with insider tips. Structured around styles (such as hot & cool, hip, classic) that make up New York's unique character, the guide's easy to use format gives travelers a selection based on the city's array of personalities, not geography or price.

A New Glimpse of Day One Samuel D. Giere,2009 With Day One, Genesis 1.1-5, as a focus and informed by the understanding that all texts are intertexts, S.D. Giere shapes and employs a method that harnesses the idea of intertextuality for the purpose of exploring the history of interpretation of a biblical text. With a unique compilation of intertexts of Gen 1.1-5, the work explores the intertextual reach of Day One in Hebrew and Greek texts up to c. 200 CE. What emerges is a glimpse of the intertextuality of Day One that provides insight into the complexity of the intertextuality of a biblical text and the relationship of intertextuality and interpretation.

The Culture Advantage Daniel Strode,2022-08-03 Innovation is the key to making your business go the distance. Innovate or die they say. But where does innovation lie? The answer is in your people. Far from being the privilege of the unicorns of Silicon Valley, innovation isn't dependent on business model, structure or even budget. By harnessing your people's power through a corporate culture of innovation, you unlock business opportunities that your competition won't have access to. The Culture Advantage is a blueprint to designing, implementing and sustaining a culture that will not only celebrate innovation, but will imbue it in everything your company, and its people, do. Culture evangelist, Daniel Strode, with the help of some of the world's historically most inspiring and innovative businesses like The Walt Disney Company and The LEGO Group, as well as newer companies like Art Blocks from the Web 3.0 and blockchain space, breaks down the innovation puzzle. Through evaluating your business model; daring to chip away at it; empowering your people through technologies; psychological safety and leadership; putting constraints onto their creative efforts; and hiring and collaborating with the right types of innovators, you'll discover how to enhance your adaptability and futureproof your business.
