Existing ebook owners should see these changes when they open the book. Minecraft has changed a lot over the last year and more people are trying out the survival version for a challenge. Some are even using it as a battleground. Grievers roam the lands and the community has evolved to allow them an existence - the PvP and anarchy realms where anything goes except cheating of course. Assumes some very basic knowledge of the game. 84 pages (varies by device) including 20 pages of screenshots from actual gameplay to show strategy and features in action. Learn how to set up safe realms and spot people abusing your hospitality on public realms. Covers latest game content including the recent village and pillage update. Please note that commentary on new features may not be 100% accurate but I do test them in the streams but the basic strategy for survival remains sound and is updated as necessary. Also includes pointers to valuable information sources that will fill out your knowledge to make you an all-round player. Age 8-50yrs+. This book should be used as an essential strategy guide and roadmap for playing Survival Mode. It does NOT replace the comprehensive guides produced by Mojang themselves, it compliments them. For example, this book may refer to using a particular tool but not go into much depth on it, therefore, Mojang's set of ebooks should be part of your reference collection. About Minecraft Bedrock Edition covers Android, VR, Xbox, Windows, IOS, Nintendo Switch and Kindle and allows players from any of those platforms amongst others to play together in the same Minecraft game using a feature called crossplay. Crossplay in Minecraft is seamless. You wouldn't know that someone was using a different type of device unless they told you. PlayStation and Java Edition versions of Minecraft will operate slightly different to Bedrock so it is important to check with the sites and sources that are mentioned to adapt your gameplay to make sure things work as you want them to if you do use this book on those platforms.
