

Next Generation

Marshall Goldsmith, Cathy Greenberg, Alastair Robertson, Maya Hu-Chan

Next Generation Leader Andy Stanley,2011-10-19 A growing number of next generation Christians are eager to learn, grow, and lead in ministry or in the marketplace. Mentoring young leaders, as they face the unique issues of a changing world, has been pastor and Visioneering author Andy Stanley's passion for more than a decade. Here, he shares material from his leadership training sessions, developed to address essential leadership qualities such as character, clarity, courage, and competency. This is the perfect guide for any new leader -- or for the mentor of a future leader! Clear, stylish typeset, with user-friendly links to referenced Scripture.

Star Trek: The Next Generation 365 Paula M. Block,Terry J. Erdmann,2012-11-16 A complete episode-by-episode exploration of the hit TV series—with rarely seen photos and illustrations. With the launch of *Star Trek: The Next Generation*, Gene Roddenberry somehow managed to recapture lightning in a bottle. This new incarnation of *Star Trek* was an instant hit, and its popularity inspired four films and three spin-off television series. A must-have for fans, *Star Trek: The Next Generation 365* provides a fresh, accessible overview of the entire series, including an authorized guide to all 178 episodes. Featuring classic and rarely seen photography and illustrations, this visual celebration of the voyages of Captain Picard, his crew, and the *Enterprise-D* offers a loving look back at the Emmy and Hugo Award-winning series.

Gen Z @ Work David Stillman,Jonah Stillman,2017-03-21 A generations expert and author of *When Generations Collide* and *The M-Factor* teams up with his seventeen-year-old son to introduce the next influential demographic group to join the workforce—Generation Z—in this essential study, the first on the subject. They were born between between 1995 and 2012. At 72.8 million strong, Gen Z is about to make its presence known in the workplace in a major way—and employers need to understand the differences that set them apart. They're radically different than the Millennials, and yet no one seems to be talking about them—until now. This generation has an entirely unique perspective on careers and how to succeed in the workforce. Based on the first national studies of Gen Z's workplace attitudes; interviews with hundreds of CEOs, celebrities, and thought leaders on generational issues; cutting-edge case studies; and insights from Gen Zers themselves, *Gen Z @ Work* offers the knowledge today's leaders need to get ahead of the next gaps in the workplace and how best to recruit, retain, motivate, and manage Gen Zers. Ahead of the curve, *Gen Z @ Work* is the first comprehensive, serious look at what the next generation of workers looks like, and what that means for the rest of us.

Next Generation Infrastructure Hillary Brown,2014 In response to the infrastructure crisis in the U.S.--brought to the forefront by the Minneapolis bridge collapse and the devastation of Hurricane Sandy--Hillary Brown proposes a new way to approach infrastructure needs. The alternative approach proposed in this volume calls for more diversified, distributed, and interconnected infrastructure that integrates (and in some cases mimics) natural systems--

Genesis Wave: Book One John Vornholt,2000-09-01 Intended to create life from nothingness, the Genesis Device had the potential to become a weapon of awe-inspiring destructiveness, capable of rearranging matter and life energy on a planetary scale. After the cataclysmic explosion of the Genesis Planet, and the Klingon Empire's attempt to steal the top-secret technology for its own military purposes, Starfleet wisely decided to destroy all data and records on Project Genesis, hoping to bury its deadly secrets forever. Nearly a century later, all that remains of Genesis is the knowledge stored in the mind of an elderly, almost-forgotten scientist named Dr. Carol Marcus. But Dr. Marcus has gone missing, and a menace from bygone days has come rushing back with a vengeance. Sweeping across the Alpha Quadrant at a terrifying speed, a mysterious wave of energy is wiping out populations of entire planets, rearranging matter on a molecular level to create bizarre new landscapes and life-forms. The *Starship Enterprise™*, commanded by Captain Jean-Luc Picard, is the first Starfleet vessel to discover the threat, but Picard and his crew are not the only ones in danger. Billions of living beings and hundreds of inhabited planets lie in the path of the mutagenic wave, which is expanding outward as it traverses the cosmos. Earth and the Romulan Empire face total obliteration. To discover the origin of the wave, Picard and his crew must probe the long-buried mysteries of the past. But even if he can uncover the shocking history of the Genesis Wave, is there any way to save the future from its unleashed fury? The *Genesis Wave, Book One*, is the beginning of an apocalyptic two-part adventure that will pit the desperate crew of the *Starship Enterprise* against a disaster of galactic proportions.

So the Next Generation Will Know Sean McDowell,J. Warner Wallace,2019-05-01 Whether you're a Christian parent, youth leader, or educator who works with Generation Z, this book was written for you. As powerful ideas in our increasingly secular culture shape more of this generation, trusted leaders must share what they know about Jesus in ways that will reach them. But how? Backed by the latest research and first hand experience, this powerful book shows how to share biblical truth with a generation that desperately needs to hear it in a way that draws them in instead of pushing them away. Written by two youth influencers and experts on Generation Z, Sean McDowell, Ph.D., and J. Warner Wallace, *So the Next Generation Will Know* is an extraordinarily practical and relatable guide for anyone concerned with ensuring the next generation understands and embraces a biblical worldview.

Star Trek: The Next Generation Cats Jenny Parks,2018-03-27 The cats are back in their continuing mission: to boldly go where no one has gone before. This companion to the bestselling *Star Trek Cats* brings the many adventures of *Star Trek: The Next Generation* to life in a faithfully feline homage to the hit series. From encounters with the Borg to adventures on the holodeck, Captain Picard and the rest of the U.S.S. *Enterprise NCC-1701-D* crew are reimagined as cats with lovingly detailed and eyebrow-raising scenes from throughout the award-winning series, perfect for *Star Trek* fans across the Galaxy. TM & © 2018 CBS Studios Inc. STAR TREK and related marks and logos are trademarks of CBS Studios Inc. All Rights Reserved.

The Captains' Honor David Dvorkin,Daniel Dvorkin,2000-09-22 A series of vicious attacks by the enigmatic M'Dok Empire has devastated the planet Tenara -- bringing the U.S.S. *Enterprise™* and another Federation starship, the *Centurion*, to the planet's aid. The *Centurion's* captain is Lucius Sejanus -- a powerful, magnetic man who favors taking a far stronger stance against the M'Dok than Captain Picard. And as the conflict escalates, Sejanus's instincts seem to be correct...for it appears only extreme measures can stop the murderous raids on Tenara. Now the people of Tenara must decide which path they will follow -- the way of peace, or the road to war. But unknown to any one of the *Centurion's* officers has made that decision for them -- and plans to provoke a full-scale war between the Federation and the M'Dok Empire!

The Next Generation Companion Larry Nemecek,2012-09-25 First published in 1992 and last revised in 1995, this is a fitting record of a show that changed the rules by which television was made. The first adventure drama series ever to run to seven seasons and more than 170 episodes, Star Trek: The Next Generation broke audience records wherever it was shown and remains the most widely viewed and consistently popular of all the Star Trek series. This new edition of the series companion has been brought bang up to date to include not only all seven years of the TV series but also all four films which have featured the Next Generation crew. In addition to Generations (1994), we now have full details of First Contact (1997), Insurrection (1998) and the very latest incarnation, Nemesis (2002). A positive feast of information, the Companion includes complete plot summaries and credits for each individual episode and film. There are fascinating behind-the-scenes glimpses into how each one was made, and in-depth analysis really brings The Next Generation universe to life. Illustrated throughout with more than 150 black and white photographs, this is a truly invaluable reference guide.

The Continuing Mission Judith Reeves-Stevens,Garfield Reeves-Stevens,1998 This tribute to the creation of Star Trek: The Next Generation celebrates the tenth anniversary of the popular TV series, profiling the people who originated it. 700+ illustrations & color photos.

Requiem Michael Jan Friedman,Kevin Ryan,1994 While the Federation stands on the brink of war, Captain Picard is stranded in the past.

Debtor's Planet W. R. Thompson,1994 When the Ferengi plan to enslave the people of Megara and use them to destroy the Federation, Captain Jean-Luc Picard of the Starship Enterprise must try to convert a duplicitous ambassador to the planet to good. Original.

Reunion Michael Jan Friedman,2012-12-11 Before he commanded the Starship Enterprise, Jean-Luc Picard was the captain of the deep space exploration vessel, the U.S.S. Stargazer, on an incredible twenty-two year voyage. Now Picard is reunited with his old crew for the first time in over a decade, on a mission to see his former first officer installed as ruler of the Daa'Vit Empire. The reunion turns deadly when a ruthless assassin begins eliminating the U.S.S. Stargazer crew one by one. Picard's present and former shipmates must join forces to solve the mystery of the Captain's past, before the killer strikes again.

Survivors Jean Lorrah,2000-05-23 Treva is an isolated human colony on the fringes of known space on the verge of becoming a true interstellar community, a full fledged member of the Federation. But now the U.S.S. EnterpriseTM has received a distress signal for Treva is in the throes of a violent revolution, a revolution led by a merciless warlord who has committed countless atrocities in the name of freedom. Data and Lt. Tasha Yar are dispatched to investigate. Once they reach Treva, they discover the truth, and any possible solution may be far more complex than a simple rebellion. Treva's president wants more than Starfleet's good words in her fight against the rebels, she wants their weapons technology. And before the battle is over, she means to get them. Over Data's and Yar's dead bodies, if necessary.

Next Generation Leadership Adam Kingl,2020-02-04 Employers who refuse to adapt to the expectations of younger generations are losing out on top talent, as they leave for positions at companies with more modern practices. Learn what companies need to do to fit into the new normal in the workplace. Generation Y sees the world differently than any other generation in modern memory. And nowhere is this more evident than in the workplace. The astronomical shifts that this generation has seen in the economy, technology, and the world have changed what they want from life and work--which is not a 9-5 existence for forty-plus years, leading to a typical retirement at sixty-five. What older generations call a poor work ethic from a spoiled generation, Gen Y sees as a different way of doing things. Companies that don't get on board risk losing the diverse, young talent that is critical for them to be able to compete. Companies that take the time to listen realize that what Gen Y is asking for isn't that crazy; in fact, it's better in many ways. A demand for work-life balance isn't a cry for fewer work hours--it's a cry to be able to work from outside the office beyond a rigid 9-5 schedule (which can lead, ironically, to Gen Y employees working even more hours than you expected). Leaving a job after a couple years isn't an inability to commit--it's a need to learn more, expand their experience, and develop their career at a faster pace, something that is helpful to companies that hire those individuals, including your own. Elevating nontraditional benefits over financial benefits is a step toward creating an emotional connection to the company where employees spend the majority of their time and invest significant mental and emotional efforts. The need to work for a company with a purpose is a reflection of the power that social media has had on the social consciousness. This book will explore what's behind these shifts in the character of the emerging workforce. It shows that, as Gen Y assumes managerial positions, the nature of leadership and business will change over the next few decades in irrevocable and profound ways.

Global Leadership Marshall Goldsmith,Cathy Greenberg,Alastair Robertson,Maya Hu-Chan,2003-04-28 The follow-up to Marshall Goldsmith's 500,000-copy bestseller The Leader of the Future, Global Leadership: The Next Generation systematically identifies what tomorrow's leaders will need to know, do and believe in order to successfully lead the global enterprise of the future. Drawing on the results of an extraordinary 2-year Accenture study of emerging business leaders, this book shows why the skills of today's global leaders won't be enough--and why tomorrow's leaders won't resemble today's. Goldsmith and his co-authors first identify five new factors of leadership and their implications: global thinking, appreciation of diversity, technological savvy, a willingness to partner and an openness to sharing leadership. They explain what it will mean to lead in an era where intellectual capital is the dominant source of value; how to lead people whose backgrounds and values may be radically dissimilar from yours; and why achieving personal self-mastery is now a fundamental prerequisite for leading others. From the evolution of federated, semi-autonomous organizational structures to the personal leadership challenges now arising from globalism, this book offers unprecedented insights into the new challenges of leadership--and what it will take to meet them.

Star Trek The Next Generation: The Art of Juan Ortiz Juan Ortiz,2017-09-05 Following on from Juan Ortiz's fabulous Original Series movie-poster collection, this latest treat for art-loving Trek fans features 178 posters that capture the essence of The Next Generation. Inspired by indie-film and black-light posters, comics and rock/punk culture and showcasing Ortiz's unique creative vision, this new instalment of original Trek art is sure to delight fans worldwide.

Millennials Rising Neil Howe,William Strauss,2009-01-16 By the authors of the bestselling 13th Gen, an incisive, in-depth examination of the Millennials--the generation born after 1982. In this remarkable account, certain to stir the interest of educators, counselors, parents, and people in all types of business as well as young people themselves, Neil Howe and William Strauss provide the definitive analysis of a powerful generation: the Millennials. Having looked at oceans of data,

taken their own polls, talked to hundreds of kids, parents, and teachers, and reflected on the rhythms of history, Howe and Strauss explain how Millennials have turned out to be so dramatically different from Xers and boomers. Millennials Rising provides a fascinating narrative of America's next great generation.

Gemworld John Vornholt, 2000 Lieutenant Melora Pazlar, first seen in the Deep Space Nine episode that bears her name (Melora), is the only Elaysian in Starfleet. Stationed on board the USS Enterprise, six years after her short-lived romance with Dr Bashir, she receives a desperate call for help from her crystalline, multi-species homeworld. When subspace contact fails, Captain Picard sends the Enterprise to investigate, only to find the ship nearly torn apart by a dimensional rift and stranded, badly damaged, below the shields that protect the carefully constructed planet. With both escape and rescue impossible, Picard and crew set out to discover the cause of the rift and the strange, cancerous growth in the crystal choking the planet itself. A Federation ship attempts to reach the Enterprise but is destroyed, and when thoron radiation threatens to kill the crew, all signs on the planet point to sabotage...
