Mark C. Bodanza

Best of Rivals Adam Lazarus,2012-08-28 In this revealing, in-depth look at the NFL's greatest quarterback controversy, Adam Lazarus takes readers into the locker room and inside the huddle to deliver the real story behind the rivalry—when Joe Montana and Steve Young battled on and off the field and forged one of the finest football dynasties of all time. From 1987 to 1994, the two future Hall of Famers spurred each other on to remarkable heights, including three Super Bowl wins and four MVP awards, and set new standards for quarterback excellence. The two men couldn't have been more different in background, personality, and playing style, and their competition created as much tension as it did greatness, forcing Montana to prove that he was still the game's best quarterback and Young to prove that he was a worthy successor. Featuring candid interviews with Montana, Young, Jerry Rice, George Seifert, and many more, *Best of Rivals* brings to life the story of two sports legends, the golden era of football their rivalry presided over, and the amazing legacy it produced.

The League John Eisenberg,2018-10-09 The epic tale of the five owners who shepherded the NFL through its tumultuous early decades and built the most popular sport in America The National Football League is a towering, distinctly American colossus spewing out \$14 billion in annual revenue. But it was not always a success. In *The League*, John Eisenberg focuses on the pioneering sportsmen who kept the league alive in the 1920s, 1930s, and 1940s, when its challenges were many and its survival was not guaranteed. At the time, college football, baseball, boxing, and horseracing dominated America's sports scene. Art Rooney, George Halas, Tim Mara, George Preston Marshall, and Bert Bell believed in pro football when few others did and ultimately succeeded only because at critical junctures each sacrificed the short-term success of his team for the longer-term good of the league. At once a history of a sport and a remarkable story of business ingenuity, *The League* is an essential read for any fan of our true national pastime.

A Game That Forged Rivals Mark C. Bodanza,2009-08 From their founding, the Massachusetts communities of Leominster and Fitchburg have shared the same river. More than that, they have long shared a special football competition that has sometimes spilled beyond the field. Author and historian Mark Bodanza captures the human drama of one of the nation's oldest football rivalries; the high schools of Leominster and Fitchburg have met on the gridiron for 114 years. Compiled from newspaper articles, school yearbooks, game programs, eyewitness accounts, letters, photos, and archival records, he not only chronicles the development of football from its earliest days, but also tells the story of two communities that saw, in football, a way to grasp civic pride.

The Greatest College Football Rivalries of All Time Martin Gitlin,2014-08-14 College football is one of the most popular sports in the United States. Fans follow their favorite team with unflinching loyalty, and nowhere do the colors come out more fervently than when rivals face off. These games bring out the passion, the rituals, and even the rage of football fans across the country. Whether based on history and tradition, or proximity and local pride, college rivalry games have an intensity unmatched by any other sporting event. *The Greatest College Football Rivalries of All Time: The Civil War, the Iron Bowl, and Other Memorable Matchups* showcases the best of these competitions. Martin Gitlin details game highlights, the history behind the rivalries, and how the fans, players, and coaches have impacted the matchups. The fourteen top rivalries are covered, including the always-intense battles between the Ohio State Buckeyes and the Michigan Wolverines, the great in-state rivalry between the Auburn Tigers and the Alabama Crimson Tide, and the historic contests between the Army Black Knights and the Navy Midshipmen. In addition to capturing the action of the games, this book also covers the personal stories that heighten the passion and intensity of the rivalries—including pranks pulled over the years by opposing fans. With stats and series highlights detailed in each entry, and featuring historical and contemporary photographs throughout its pages, *The Greatest College Football Rivalries of All Time* is a must-read for every fan of college football.

Perfect Rivals Jeff Carroll,2010-08-31 College football is a sport of rivalries—and no two teams were ever more perfectly matched than the Miami Hurricanes and the Notre Dame Fighting Irish. In *Perfect Rivals*, award-winning sportswriter Jeff Carroll takes us inside the locker rooms and onto the gridiron, as two storied programs with very different cultures battle for national supremacy, school pride, and the soul of the game itself. Beginning with the Hurricanes' nationally televised 58–7 pasting of the Irish at the Orange Bowl in November 1985, the two teams faced each other five times over a six-year span. The last three of those games had national championship implications, as a resurgent Notre Dame sought to reclaim its historic preeminence against a faster, mouthier, more talented Miami squad notorious for trash-talking opponents, stalking out of pregame buffets, and wearing military fatigues on the team plane. The games were marked by heartbreaking finishes, disputed plays, and nasty onfield brawls. Adding fuel to the fire was a controversial slogan created by a Notre Dame student and picked up by the press—"Catholics vs. Convicts"—which served to heighten the cultural (and, some would say, racial) tension between the opposing schools. Carroll's fast-paced, up-close-and-personal narrative centers on a handful of colorful characters on both sides of the rivalry: the coaches, from dapper Jimmy Johnson to punctilious Lou Holtz, and the players, including Miami's Steve Walsh, a quiet Midwesterner and one-time Holtz recruit who defied the freewheeling Miami stereotype, and devout Baptist Tony Rice, only the second black quarterback in Notre Dame history, who defined the rivalry and decided the contests. Filled with you-are-there depictions of game action and insights drawn from Carroll's unfettered access to many of the major figures involved, *Perfect Rivals* is a vivid re-creation of one of the most entertaining eras in the history of college football.

Saturday Rules Austin Murphy,2009-10-13 Austin Murphy knows a thing or two about football. His twenty-three years at *Sports Illustrated* include six covering the NFL and a decade chronicling the college game. In *Saturday Rules*, Murphy leaves no doubt as to which beat he preferred. Does the NFL have better athletes? Yes. Does it entail more direct flights? Undoubtedly. Which game is better, more entertaining, less predictable? It's not even close—college football wins by two touchdowns. With rich traditions and deep passions—marching bands and menageries of living, breathing animal mascots; arm-long lists of ancient blood grudges—college football is far more captivating, fan-friendly, and, frankly, more fun than the corporate, clinical, risk-averse, imitation-intensive, hermetically sealed game they play on Sunday.

No two programs are more storied than Notre Dame and USC, headed by those ex-NFL rivals and philosophical (and physiological) opposites Charlie Weis and Pete Carroll, perhaps the biggest names in the college game. With the inside scoop on these top-ranked teams, Murphy closely follows their arcs through the 2006 season, up to their late-November showdown in the L.A. Coliseum. He puts you in the field, in the meeting room, and in the huddle as both teams fight to keep alive their national title ambitions. Between trips to South Bend and Los Angeles, Murphy ranges repeatedly into Big Ten country, hooking up with Michigan and Ohio State, whose November 17 collision in Columbus constitutes one of the book's most memorable chapters. He ventures into the proud SEC, bearing witness to Florida's single loss of the season (and the ensuing rolling of Toomer's Corner). He is in the Rose Bowl for the season's most stunning upset (UCLA 13, USC, 9), and is in that grand old bowl a month later, as the Trojans are born anew. Murphy is on the field after the national title game, asking the Gators how they pulled off the upset. (This is a fast . . . ass . . . team! replies linebacker Brian Crum.) And he makes it his business to drop in on the Boise State Broncos after their miraculous, trick-play-intensive upset of Oklahoma in the Fiesta Bowl. Whether hanging out with members of the Ohio State marching band (including the senior sousaphonist, who will dot the i in the Buckeyes' famed cursive Ohio), or sampling the frighteningly potent Gator-Killer punch at TGFKATWLOCP (The Game Formerly Known as the World's Largest Outdoor Cocktail Party), or staying up past his bedtime to witness Notre Dame's midnight drum circle, Murphy is the perfect guide for this rich and raucous celebration of the pageantry and tradition, the talismans and rituals, that prove beyond the shadow of a doubt that when it comes to football, Saturday rules.

Rivals David K. Wiggins, R . Pierre Rodgers, 2012-01-01 The sixteen original essays in this collection cover influential and famous rivalries from a variety of sports, including track and field, golf, boxing, basketball, tennis, ice skating, baseball, football, soccer, and more. The essays are diverse, but together they illustrate what is common to any rivalry: equally matched opponents that often have decidedly different backgrounds, styles, and personalities. These differences may center on race and culture, political and societal ideologies, personality, geography, or religion—a mix intensified by fans and the media. From highly publicized and emotionally charged individual competitions to bitterly fought team contests, *Rivals* illuminates what one-of-a-kind opponents and the passion they inspire tell us about ourselves and our society.

Rivals Tim Green, 2010-03-23 Cooperstown! Josh is thrilled when all his hard training pays off in a big way and his team, the Titans, makes it to a national tournament in Cooperstown, home of the National Baseball Hall of Fame. More is on the line for Josh than just a trophy. Winning would mean everything to his dad—now Josh's coach. Winning could mean a major endorsement deal for the Titans and the attention of big league scouts! After a dirty play and a brutal injury threaten to sideline Josh, he spies suspicious activity at the tournament. He tries to tell his good friend Jaden about what he's seen, but she's too busy spending time with the L.A. Comets' star player, Mickey Mullen Jr., to want to get involved. Jaden says she's doing research for the newspaper . . . but is she? Now Josh has a rival—both on the field and off—as he swings for the fences in a game that quickly becomes more dangerous. New York Times bestselling author Tim Green delivers a hard-hitting look at what some teams will do to win in this gripping companion to *Baseball Great*.

Brady vs Manning Gary Myers, 2015-09-22 New York Times Bestseller From Acclaimed sports journalist Gary Myers comes the definitive inside account of the greatest rivalry in NFL history Tom Brady and Peyton Manning are perhaps the two greatest quarterbacks of all time. They are living legends who have come to embody the quarterback position and shape an entire generation of the NFL. They have also been fierce rivals every step of the way, and their many epic duels have not only ranked among the best and most exciting games ever played, they have fundamentally shaped the lives of and careers of both men. But for all their shared brilliance, they are a study in contrasts. Tom is the underdog turned ultimate winner, an unheralded draft pick who went on to win a miraculous Super Bowl and become the leader of one of the NFL's greatest dynasties. He is as firmly associated with big game brilliance as anyone who has ever played. Meanwhile Peyton was born into NFL royalty and a mountain of outsized expectations, yet somehow lived up to and exceeded all the hype, claiming virtually every passing record along his path to football immortality. The contrast in greatness—between the overachieving underdog and the crown prince of football, between postseason brilliance and statistical dominance—has served as an endless source of fascination for fans and media, and over the years as the two players have faced off again and again in classic games, the argument has only intensified. But until now, there has never been a definitive treatment of the debate that tells the real story. What do Tom and Peyton actually think of each other? What do their coaches think of them? What about teammates and opposing players? What are they like behind closed doors and in the locker room, and how does that influence their careers? How did their vastly different upbringings shape them, and how has each handled the injuries, setbacks and defeats they've dealt with over their careers? In this extraordinary book, veteran NFL correspondent Gary Myers tackles this subject from every angle and with unprecedented access and insight, drawing on a huge number of never-before-heard interviews with Brady and Manning, their coaches, their families, and those who have played with them and against them. The result is a remarkable collection of the most entertaining and revealing stories ever told about Peyton and Tom, from how they developed their vastly different leadership styles, to the unlikely friendship they've built over the years, to their respective exploits as locker room pranksters. Wildly entertaining and deeply thought-provoking, *Brady vs Manning* is essential reading for anyone who truly wants to understand these extraordinary players.

The Last Headbangers: NFL Football in the Rowdy, Reckless '70s: the Era that Created Modern Sports Kevin Cook,2012-09-03 The inside story of the most colorful decade in NFL history—pro football’s raging, hormonal, hairy, druggy, immortal adolescence. Between the Immaculate Reception in 1972 and The Catch in 1982, pro football grew up. In 1972, Steelers star Franco Harris hitchhiked to practice. NFL teams roomed in skanky motels. They played on guts, painkillers, legal steroids, fury, and camaraderie. A decade later, Joe Montana’s gleamingly efficient 49ers ushered in a new era: the corporate, scripted, multibillion-dollar NFL we watch today. Kevin Cook’s rollicking chronicle of this pivotal decade draws on interviews with legendary players—Harris, Montana, Terry Bradshaw, Roger Staubach, Ken “Snake” Stabler—to re-create their heroics and off-field carousing. He shows coaches John Madden and Bill Walsh outsmarting rivals as Monday Night Football redefined sports’ place in American life. Celebrating the game while lamenting the physical toll it took on football’s greatest generation, Cook diagrams the NFL’s transformation from second-tier sport into national obsession.
