Rick Steves France 2017 Rick Steves, Steve Smith, 2017-01-17 You can count on Rick Steves to tell you what you really need to know when traveling in France. With this guide, you'll explore sleepy villages, romantic hill towns, and cosmopolitan cities, including Paris, Avignon, and Nice. Climb the Eiffel Tower, wander world-renowned museums, and dine at sidewalk cafés. Then escape to the sunny countryside, where you can explore castles of all shapes and sizes or pedal your way from village to vineyard. With its Swiss-like Alps, Italian-style Riviera, and Germanic Alsace, France offers Europe's greatest variety. A good vin rouge is never more than a stroll away. Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll get up-to-date recommendations about what is worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.

Society and the Internet Mark Graham,William H. Dutton,2019-07-18 How is society being reshaped by the continued diffusion and increasing centrality of the Internet in everyday life and work? Society and the Internet provides key readings for students, scholars, and those interested in understanding the interactions of the Internet and society. This multidisciplinary collection of theoretically and empirically anchored chapters addresses the big questions about one of the most significant technological transformations of this century, through a diversity of data, methods, theories, and approaches. Drawing from a range of disciplinary perspectives, Internet research can address core questions about equality, voice, knowledge, participation, and power. By learning from the past and continuing to look toward the future, it can provide a better understanding of what the ever-changing configurations of technology and society mean, both for the everyday life of individuals and for the continued development of society at large. This second edition presents new and original contributions examining the escalating concerns around social media, disinformation, big data, and privacy. Following a foreword by Manuel Castells, the editors introduce some of the key issues in Internet Studies. The chapters then offer the latest research in five focused sections: The Internet in Everyday Life; Digital Rights and Human Rights; Networked Ideas, Politics, and Governance; Networked Businesses, Industries, and Economics; and Technological and Regulatory Histories and Futures. This book will be a valuable resource not only for students and researchers, but for anyone seeking a critical examination of the economic, social, and political factors shaping the Internet and its impact on society.

Versailles A World Heritage Site Jérôme Sabatier, Travel guide updated in February 2019. An exceptional palace for an exceptional king, Louis XIV, the Palace of Versailles remains the emblem of French monarchy. And no word would be enough to define its magnificence, surrounded by sumptuous French gardens, groves and fountains, a canal, a park sufficiently large for hunting outings and of course, in contrast to this exceptional and unique ensemble, the bucolic grounds of Marie-Antoinette's Estate. And it is here at Versailles that the history of 17th and 18th century France was written. Here you'll find all the information necessary to prepare your trip and your stay in Versailles in order to discover this exceptional site of indisputable universal value. You will find the following under the sections for the site : the reasons for its selection for the World Heritage list, the history of the site, many practical informations (Tourist Offices, suggested tours, museums, events, transports), and a selection of accommodation and

restaurants. Informations, prices and opening hours shown are for 2019. But most importantly, this Versailles, A World Heritage Site travel guide also offers a suggested itinerary for visiting each site and monument. You'll also find tips (transport, pricing, activities ...), anecdotes and all the possibilities for family-friendly visits to encourage children and families in their discovery. Let us guide you...
