With Slade ready to collect his father's rightful claim and force Mariah and her family out on the streets, Mariah must turn to God for guidance. Though Mr. Frederick Cooper, a local landowner, promises to answer her financial woes if she agrees to be his bride, Mariah finds herself drawn instead to the angry young man demanding her home. As the days dwindle until the rest of the Donovan clan arrives at the Lazy M ranch, Mariah and Slade must rise above the resentment of their fathers and see their true feelings before greed changes their futures forever.

Mommy's Hometown Hope Lim, 2022-04-12 When a young boy and his mother travel overseas to her childhood home in Korea, the town is not as he imagined. Will he be able to see it the way Mommy does? This gentle, contemplative picture book about family origins invites us to ponder the meaning of home. A young boy loves listening to his mother describe the place where she grew up, a world of tall mountains and friends splashing together in the river. Mommy's stories have let the boy visit her homeland in his thoughts and dreams, and now he's old enough to travel with her to see it for himself. But when mother and son arrive, the town is not as he imagined. Skyscrapers block the mountains, and crowds hurry past. The boy feels like an outsider—until they visit the river where his mother used to play, and he sees that the spirit and happiness of those days remain. Sensitively pitched to a child's-eye view, this vivid story honors the immigrant experience and the timeless bond between parent and child, past and present.

Now there's only one way Mackenzie and Slade can win: to trust in each other and to stop hiding from the lies they've told, the secrets they've kept, the mistakes they've made, and the attraction that still burns between them.

Teaming up with her to take down those who threaten our freedoms seems like a perfect way to get close to her. But there's more at stake than ever before. Emerson I never forgot him. Now, with him right here, I can feel how much I've missed: His touch, his scent, his taste. Except, there's more on the line than a love affair. We have to keep it professional. But can I do that when I need so much more from this undercover agent?

Slade Alaska Angelini, 2014 MARY is the perfect tool to use against the man who took his sister, Lily. It calls to her like nothing she's ever felt before. dark...forever? WARNING: This book contains very graphic violence, disturbing situations, dubious consent, and very strong language. All Captive to the Dark books are STANDALONES except for Special Editions which are focused on favorite secondary characters. They all have a HEA.

The Sweet Talker (Sports Romance) Cathryn Fox, 2021-10-05 "My go to author for sexy romance." - Lauren Blakely, #1 NYT'S Bestselling author. I wasn't looking for love. Falling for someone would dishonor the memory of my late husband. But wouldn't you know it. Love found me anyway—in the form of a NHL player who was celebrating Christmas in Holiday Peak. Brody Tucker's reputation preceded him. But he brought me back to life again—made me realize I was only going through the motions. Now one question remains. Can I move forward with him, find happiness again with a guy who seemed to know my deepest thoughts, my private secrets even though I had no idea how? I was ready to make the leap, take a chance on love, until I discovered the Sweet Talker was playing an off ice game I knew nothing about.

The Case for Marriage Linda Waite, Maggie Gallagher, 2002-03-05 A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal www.broadwaybooks.com

Tethered Souls Beth Flynn, 2018-05-18 My family has secrets. I'm always the good girl, doing what's necessary to keep my loved ones safe. I've kept the darkest secrets from everyone I know. As painful as it is to hold them all inside where they live and gnaw away at me, that's where they must stay. I haven't seen my closest childhood friend, Christian Bear, since I was a teenager—he hasn't changed a bit. He's still temperamental and plays by his own rules with the law following two steps behind him. Christian remembers me. But he doesn't know the first thing about me anymore. I should've shared my feelings with him the day before I moved away with my family, promising him I'd stay in touch. It broke my heart when he didn't keep his end of the bargain. As a consequence, we haven't spoken in years. Even though Christian and I have always had undeniable chemistry, I won't let him shatter my heart a second time. Christian has shown up in my life again with secrets of his own, and demanding answers. That doesn't mean I'm willing to give them. He'll know my secrets when I'm ready. Our secrets, the risks we're taking, and the danger he imposes make it impossible to know what our future holds. Either our tethered souls will bind back together, or our secrets will separate us forever. Tethered Souls is the second spin-off novel from The Nine Minutes Trilogy. It can be read as a standalone, but would most likely be more enjoyable if read after Nine Minutes, Out of Time, and A Gift of Time. It contains major spoilers from the trilogy, and although not necessary, the reader might benefit by understanding the background stories of the main characters that are described in the series. There are many twists and turns in all my books that can best be connected

if read consecutively. RECOMMENDED FOR READERS 18 AND OLDER DUE TO STRONG LANGUAGE, SEXUAL SITUATIONS, AND VIOLENCE.

Fandom as Methodology Catherine Grant, Kate Random Love, 2019-12-03 An illustrated exploration of fandom that combines academic essays with artist pages and experimental texts. Fandom as Methodology examines fandom as a set of practices for approaching and writing about art. The collection includes experimental texts, autobiography, fiction, and new academic perspectives on fandom in and as art. Key to the idea of “fandom as methodology” is a focus on the potential for fandom in art to create oppositional spaces, communities, and practices, particularly from queer perspectives, but also through transnational, feminist and artist-of-color fandoms. The book provides a range of examples of artists and writers working in this vein, as well as academic essays that explore the ways in which fandom can be theorized as a methodology for art practice and art history. Fandom as Methodology proposes that many artists and art writers already draw on affective strategies found in fandom. With the current focus in many areas of art history, art writing, and performance studies around affective engagement with artworks and imaginative potentials, fandom is a key methodology that has yet to be explored. Interwoven into the academic essays are lavishly designed artist pages in which artists offer an introduction to their use of fandom as methodology. Contributors Taylor J. Acosta, Catherine Grant, Dominic Johnson, Kate Random Love, Maud Lavin, Owen G. Parry, Alice Butler, SooJin Lee, Jenny Lin, Judy Batalion, Ika Willis. Artists featured in the artist pages Jeremy Deller, Ego Ahaïwe Sowinski, Anna Bunting-Branch, Maria Fusco, Cathy Lomax, Kamau Amu Patton, Holly Pester, Dawn Mellor, Michelle Williams Gamaker, The Women of Colour Index Reading Group, Liv Wynter, Zhiyuan Yang

Locked Out Anna Chastain, 2018-06-22 My name is Holly O'Brian and I am a cautionary tale. I saw a sexy man across the bar, I let him walk me home, and now I'm pregnant. Obviously, I left out a few minor details, but I think you get the idea. I've lived a quiet adult life: high school librarian by day, book editor by night (glamorous, I know), and I was fine with it. I loved my jobs, I loved my cute little house...so why did I tempt the fates and go all cave woman over Dean Slade and drag him home with me by the hair (okay, that's a slight exaggeration)? Well, he is the most handsome man I've ever laid eyes on, it's true. He is broody and gruff and so, so sexy, also true. And the storm that hovers in his eyes, I can't help but want to be the calm to, at least for one night. So I guess there is no answer, I guess I followed my heart (a.k.a., my loins) and decided to spend a night with a sexy Marine. Only now I'm pregnant. And I have to tell him. And I have to let his family into my life. And I have to figure out how I'm going to make room in my schedule for a big, stupid, sexy Marine. Oh. My. Lanta, my life.

Rock by Rock Jennifer Bradbury, 2021-02-23 This luminous picture book tells the fascinating true story of artist Nek Chand and how his secret art project—hidden away in a jungle—became one of

India's most treasured wonders, second only to the Taj Mahal. In the bustle of the busy streets of Chandigarh, India, Nek Chand saw something no one else did. Where others saw rocks and stones, Nek saw the boyhood village he missed so dearly. Where others saw broken plates and glass, Nek saw laughing men. And where others saw trash, Nek saw beauty. Nek Chand's incredible rock garden, built from stone and scraps and concrete, began as a way for him to express his long-felt grief at having to leave his boyhood village due to the violence caused by the partition of India. What began as a secret and personal (not to mention initially illegal) project became so much more, not only to Nek but to all of India.

The Lost Link Michelle Bryan, 2020-03-05 I die every night in my dreams. Add to that the hallucinations of people I've never met and creatures that don't exist, and you can see why I don't let anyone in. People don't take well to weirdos that can't tell reality from illusion. That all changed the day a dragon attacked. Yup, that's right. A real-life, smoke breathing dragon hunted me down in the middle of a school day. I only escaped because a Faerie forced me to jump through a fire portal into a realm of magic. Normal, right? Just when I thought things couldn't get any weirder, I met him. The Fae prince. Eyes of jade, ebony hair, and a smile that made my knees weak. Too bad he was my mortal enemy sent to finish what the dragon started. Now faced with parallel worlds, a daring escape plan, and an evil queen bent on taking over the universe, only one thing is certain. I'm in way over my head.

The Wild Series Adriane Leigh, 2016-08-10 All three books in the USA Today bestselling Wild Series are included in this collection. The Wild Series is packed full of unfiltered, rough around the edges, dirty-talkin' alpha males intended for mature audiences. Read at your own risk! xo WILD (Book One) Kat Kennedy moved to the rugged coast of Maine to start a new life, but encountered much more than she bargained for in dark, dangerous, and seductive Lane Wild. Desire and temptation smolder before she succumbs to her darkest fantasies with the captivating stranger. She doesn't expect to see him again after an explosive one-night stand leaves her breathless and craving more, but just like lightning in the darkness, he shows up in her life at the most unpredictable moments. A sensual game of cat and mouse ensues before the attraction between them reaches a fever pitch--the magnetism combustible, the sexual tension nearly unbearable--and Kat finally abandons inhibition and explores the cunning, selfish, and sexual side of a world she's never known. They have the perfect non-relationship--passion-fueled nights with no strings attached--until life gets real and the past and present collide in a dangerous storm of lust and obsession. RIDGE (Book Two) Sometimes doing the wrong thing feels so right... I'm a player. I'm an asshole. I'm someone you should stay away from. I have demons. I've made mistakes. And the biggest can't be taken back. I've gone to hell and back in twenty-nine years and I'm only now coming to terms with moving forward, righting my wrongs, and making amends. Except not everyone deserves forgiveness. Sometimes the damage done is beyond repair. Everyday is exactly the same. I focus on the pain, in the quest to feel and forget, but I remember everything. When I close my eyes the darkness encroaches and some days it feels like the things that kill me are the things that make me feel alive. SLADE (Book Three) Behind every beautiful thing, there is some kind of pain... Always overlooked. Always just there. That's what Dillon was to me. Until one night. In one night she flipped my world on its axis and there's no going back. But she has secrets, and secrets fester like an open wound. They color the past and forecast the future, but I'm determined to open her up; free her from her memories so she can live in the light and have the life she deserves. It's just too bad that she wants nothing to do with me. But I'm nothing if not persistent and I'm not a man that gives up without a fight. I've had a taste and there's no walking away. I just have to convince her that I'm not what she fears, I'm what she wants.
