**Sweepers** P. T. Deutermann,1998-08-15 The U.S. Navy made him the ultimate killer. Now they can't stop him... It begins with a routine police investigation. A beautiful woman is dead. A detective needs answers. And a newly appointed Pentagon admiral is scrambling for his career and for his life. Suddenly, the inner ring of the Pentagon is being rocked by a living nightmare: a Sweeper—a trained covert assassin, an ex-SEAL scarred by one horrific episode in Vietnam—has gone rogue. And his killing has just begun... With a searing insider's view of Pentagon politics, retired Navy captain P.T. Deutermann writes military suspense worthy of Tom Clancy and Nelson DeMile. Now, in his electrifying new novel, a powerful ex-Marine and a courageous woman face a kill zone: of deception, ambition, and sweeping revenge...

**Kayak: The New Frontier** William Nealy,2007-05-01 Completely updated to reflect the latest in paddling equipment and kayak technology, William Nealy's illustrated kayaking manual is as practical as it is dead-on hilarious. Whether detailing hardcore hippy hairboaters or insane youngsters clattering tiny play boats down steep, rocky creeks, Nealy is back and more useful and entertaining than ever. Over 400 illustrations help Nealy break down even the most complex kayaking skills, making difficult whitewater techniques understandable. You may break a rib laughing, but with Nealy holding your hand you'll be less likely to break a bone while boofing an insane rapid (or maybe an entire waterfall).

*Rafe Dalton Mire*,2019-06-18 In the tradition of James Clavell, Rafe--Lincoln's Samurai Agent is a swashbuckling tale of a young man and woman who shoot and slash their way through a samurai dominated society on a mission for Abraham Lincoln. Rafe fights swords with pistols while a young woman learns to survive in a different culture. Rafe--Lincoln's Samurai Agent is historical fiction with page turning action. While fighting a war at home, Lincoln demonstrated the depth of his leadership by building a transcontinental railroad and expanding foreign trade to help finance the Civil War. When the Tokugawa government wanted a geologist to inspect their mines, Abe responded by sending Raphael Pumpelly to Japan. Rafe was inspired by this story. During the 1860's, the United States and Japan were thrown into violent civil wars. Rafe and Carolyn leave one country at war only to be caught in the middle of another society exploding in violence. Documented in this story is the first attack by the United States on the Japanese homeland. In 1863, the U.S.S. Wyoming defeated Japanese gunboats and fired on forts in the Shimonoseki Straits.

Sweepers Sweepers Man Your Brooms Jeff Zahratka,2008-07 The humor and innocence of the United States Navy Sailor is captured in the unique and sportive tales of a salty master chief set in the final quarter of the twentieth century. Sweepers sweepers man your brooms is a phrase readily recognized by any Sailor who ever woke up on a United States Navy ship. In his Navy memoirs Retired Navy Master Chief Jeff Zahratka, a twenty six year veteran chronicles rich adventures that carry the reader to exotic settings from Karachi Pakistan to Severmorsk Russia. Sweepers Sweepers is a colorful story with uncanny notice of the odd occurrences that take place between the life lines of Navy ships and isolated shore establishmentsnot a story about bombs, battles, or spectacular explosions, Sweepers Sweepers Man Your Brooms is his story about how people of great diversity coexist in eighty-man bedrooms while living out of devices known as coffin lockers. Consistently found in the effectuation of extraordinary events, the ubiquitous American Sailor may be found crawling through garbage in an equatorial Shellback initiation or baring their derrieres at a Soviet aircraft carrier while traversing the Cape of Good Hope. He may be discovered in hand to hand combat, not with a human enemy manned up at a fire control console on an Aegis cruiser, but with a toilet brush in a Greek hotel room, fighting to the death with a mutated species of an ancient Hellenic centipede. The author fails miserably at camouflaging his affection for the city of Pittsburgh and his long time devotion to their high powered sports teams. He provides many insightful moments relating to being a fan from afar through some of the greatest years in Steeler and Pirate sports history. The story is a rich and historically accurate account of a caste of characters from seaman recruits with attitudes honed on tough urban streets, to brown juice spitting good ole boys that learned to love the sea. There are associations and first hand opinions on the actions of young naval officers who today are among the top ranking leaders of the force. Sweepers Sweepers Man Your Brooms is a tapestry of the social morays, historical events, and military technologies that define the character of the Navy for the last thirty years. The reader will experience sufficient history to educate, and an infusion of personal opinion which will serve as a catalyst for debate. Above all; however, the story will remind Americans why they love Sailors, and remind old Sailors of why they love the Navy.

**Ninja! Attack of the Clan** Arree Chung,2016-06-07 Maxwell is a strong, courageous, silent ninja who wants somebody to play with, but it seems Mama, Papa, and little sister Cassy are all too busy.

*Health and Development* Iris Borowy,Bernard Harris,2023-01-30 Health and development require one another: there can be no development without a critical mass of people who are sufficiently healthy to do whatever it takes for development to occur, and people cannot be healthy without societal developments that enable standards of health to be maintained or improved. However, the ways in which health and development interact are complex and contested. This volume unites eleven case studies from nine countries in three continents and two international organizations since the late-nineteenth century. Collectively, they show how different actors have struggled to reconcile the sometimes contradictory nature of health and development policies, and the subordination of these policies to a range of political objectives.
