

# Njcom New York Yankees News

Jessica Luther,Kavitha Davidson

**Yankees '98** The New York Daily News,1998-11 The Yankees didn't just win the World Series, they made baseball history. This full-color retrospective commemorates the entire Yankees season from the pre-season arrival of El Duque, to David Wells' perfect game, to the Yankees' unprecedented achievements throughout the post season. This book includes week-by-week review of the season, complete post season box scores, player profiles and much more.

Jeter New York Daily News,2001-05-20 Jeter is a collection of Daily News stories and photos describing Derek Jeter's rise to stardom as a shortstop for the New York Yankees. It features color photos throughout and stories about famous and not-so-famous moments in his career. Moments like playing in his first World Series and having his car stolen. Some of his accomplishments include winning the American League Rookie of the Year Award, receiving the Joan Payson Award for community service, an being named to the All-star team.

**Now Pitching for the Yankees** Martin Appel,2001 For nearly ten years, Marty Appel was part of the New York Yankees' public relations team, serving as its director from 1974 to 1977. In this

book he paints intimate portraits -- by turns hilarious and poignant - of the superstars and the benchwarmers of that era, both on and off the field. The lineup of colorful characters includes tempestuous owner George Steinbrenner, managers Casey Stengel and Billy Martin, and future Hall of Famers Mickey Mantle, Yogi Berra, Whitey Ford, and Reggie Jackson. Appel's job was to keep the Yankees in the news. And given the team's high profile, that task was rarely difficult, sometimes disastrous, and often gratifying.

New York Times Story of the Yankees The New York Times, 2021-03-16 Experience a century of the pride, power, and pinstripes of the Yankees, Major League Baseball's most successful team, as told through the stories of their hometown newspaper, The New York Times. The New York Yankees are the most storied franchise in baseball history. They consistently draw the largest home and away crowds of any team, command the largest broadcast audiences in baseball, draw the greatest number of on-line followers, and routinely sell more copies of books and magazines than any other professional sports team. The New York Times Story of the Yankees includes more than 350 articles chronicling the team's most famous milestones—as well as the best writing about the ball club. Each article is hand-selected from The

Times by the peerless sportswriter Dave Anderson, creating the most complete and compelling history to date about the Yankees. Organized by era, the book covers the biggest stories and events in Yankee history, such as the purchase of Babe Ruth, Roger Maris's 61st home run, and David Cone's perfect game. It chronicles the team's 27 World Series championships and 40 American League pennants; its rivalries with the Brooklyn Dodgers and the Boston Red Sox; controversial owners, players, and managers; and more. The articles span the years from 1903—when the team was known as the New York Highlanders—to the present, and include stories from well-known and beloved Times reporters such as Arthur Daley, John Kieran, Leonard Koppett, Red Smith, Tyler Kepner, Ira Berkow, Richard Sandomir, Jim Roach, and George Vecsey. Hundreds of black-and-white photographs throughout capture every era. A foreword by die-hard Yankees fan, Alec Baldwin, completes the celebration of baseball's greatest team.

Wikipedia contributors,

*The 100 Years in Pinstripes* New York Daily News, 2020-07-07

This beautiful keepsake highlights the people and moments which

have defined Yankees baseball throughout the years, from Babe Ruth's 61 home runs and the '27 Yankees, to Joe DiMaggio's 56-game hitting streak, to the Mantle-Maris home run race, the Yankees dynasty in the late 1990s, and the latter years of the Core Four giving way to the current crop of stars. Historic newspaper columns and front pages accompany an unbeatable selection of both celebrated and rare photos, making for the ultimate tribute to the singular culture and heritage of this franchise.

**The Wonder Team** Leo Trachtenberg, 1995 Details events leading to the 1927 World Series, when the New York Yankees, including Babe Ruth, Lou Gehrig, and Waite Hoyt, became baseball's best team ever. Draws on interviews with everyone connected to the team, from players and management to batboys, and relates stories concerning players' personalities, skills, and hijinks on and off the field. Includes 1927 statistics and biographical sketches of management, players, and staff, plus bandw photos. Paper edition (unseen), \$13.95. Annotation copyright by Book News, Inc., Portland, OR

**New York Times Story of the Yankees** The New York Times, 2012-05-01 Experience a century of the pride, power, and pinstripes of the Yankees, Major League Baseball's most

successful team, as told through the stories of their hometown newspaper, The New York Times. The New York Yankees are the most storied franchise in baseball history. They consistently draw the largest home and away crowds of any team, command the largest broadcast audiences in baseball, draw the greatest number of on-line followers, and routinely sell more copies of books and magazines than any other professional sports team. The New York Times Story of the Yankees includes more than 350 articles chronicling the team's most famous milestones—as well as the best writing about the ball club. The articles span the years from 1903—when the team was known as the New York Highlanders—to the present, and include stories from well-known and beloved Times reporters

such as Arthur Daley, John Kieran, Leonard Koppett, Red Smith, Tyler Kepner, Ira Berkow, Richard Sandomir, Jim Roach, and George Vecsey. Hundreds of black-and-white photographs throughout capture every era. A foreword by die-hard Yankees fan, Alec Baldwin, completes the celebration of baseball's greatest team.

David Wright Mary Boone, 2011-08 As a Little Leaguer, David Wright didn't get to play his favorite position: shortstop. His dad was his coach and he believed young David needed to prove he could make the big plays out in right field before being moved infield. The plan worked. David put in dozens of hours of extra time practicing his fielding and hitting. He was determined to be the best. That dedication—and talent—put him on the fast-track through the minor leagues and, at age 22, earned him the role of third baseman for the New York Mets. A fan favorite, Wright played on MLB's National League All-Star Team in 2006, 2007, 2008, and 2009. In 2010, he became the youngest Mets player ever to reach 1,000 hits. Learn what motivates this hardworking player with the million-dollar smile.

*New York Times Story Of The Yankees* The New York Times, 2016 Experience a century of the pride, power, and

pinstripes of the Yankees, Major League Baseball's most successful team, as told through the stories of their hometown newspaper, The New York Times. The New York Yankees are the most storied franchise in baseball history. They consistently draw the largest home and away crowds of any team, command the largest broadcast audiences in baseball, draw the greatest number of on-line followers, and routinely sell more copies of books and magazines than any other professional sports team. and include stories from well-known and beloved Times reporters such as Arthur Daley, John Kieran, Leonard Koppett, Red Smith, Tyler Kepner, Ira Berkow, Richard Sandomir, Jim Roach, and George Vecsey. Hundreds of black-and-white photographs throughout capture every era. A foreword by die-hard Yankees fan, Alec Baldwin, completes the celebration of baseball's greatest team.

**New York Yankees 365** The Associated Press, 2009-09-01  
Ruth. Gehrig. DiMaggio. Mantle. Maris. Jackson. Jeter. Among sports teams the world over, the New York Yankees reign supreme. With a fan base that spans generations and continents, household name players in every era of their existence, and an unparalleled record of success, the Yankees are as much an American institution as they are a famed and beloved baseball legacy. **New York Yankees 365** is a colorful archive of and tribute to the history of the Yankees, giving a complete overview of the team's ups and downs, heroes and antiheroes, and most memorable moments. Charting their early struggles as the New York Highlanders to their first game in the new Yankee Stadium, **New York Yankees 365** brings life to all the triumphs and icons--both on the field and off. Taken from the voluminous photo

archives of the Associated Press, these images are joined by insightful commentary and a running timeline of key Yankee milestones.

**For the Love of the New York Yankees** Dave Kaplan, 2009  
Lively, fascinating read for Yankees fans of all ages Colorful anecdotes, quotations, fun facts, stat lists, and stories that celebrate the history and lore of the Yankees Packed with meticulously researched profiles and statistics of the greatest Yankees Terrific conversation piece that will entertain, amuse, and amaze

**Bush League, Big City** Michael Sokolow, 2023-04-01  
Bush League, Big City tells the interwoven stories of two low-level minor league baseball teams brought to New York City in the late 1990s. It also illuminates the history of the New York-Penn League, America's oldest and longest-running minor league, from its inception in 1939 until its abrupt contraction by Major League Baseball in 2020. With an eye for details and firsthand accounts by many of the baseball people involved, Michael Sokolow tells the story of two franchises that went in very different directions, as the Cyclones achieved astronomical success while Staten Island's 'Baby Bombers' sank under the weight of debt and recriminations.

Along the way, the book visits small communities in upstate New York, New England, and Canada, introduces the multimillionaires who came to dominate small-time baseball ownership, and tells the tale of two of the most expensive minor-league baseball stadiums ever built. It also sheds light on the complex, behind-the-scenes influence of New York City politics, as the indomitable will of Mayor Rudy Giuliani reshaped the geography of both the city and professional baseball. *Bush League, Big City* is a compelling examination of both the power and limits of nostalgia in a sport that is increasingly focused on the bottom line.

**Mike Torrez** Jorge Iber, 2016-08-02 The history of baseball is filled with players whose careers were defined by one bad play. Mike Torrez is remembered as the pitcher who gave up the infamous three-run homer to Bucky Bleeping Dent in the 1978 playoffs tie-breaker between the Red Sox and Yankees. Yet Torrez's life added up to much more than his worst moment on the mound. Coming from a vibrant Mexican American community that settled in Topeka, Kansas, in the early 1900s, he made it to the Majors by his own talent and efforts, with the help of an athletic program for Mexican youth that spread through the Midwest, Texas and Mexico during the 20th century. He was in the middle of many

transformative events of the 1970s--such as the rise of free agency--and was an ethnic role model in the years before the Fernandomania of 1981. This book covers Torrez's life and career as the winningest Mexican American pitcher in Major League history.

New York Yankees Yankees, 2003 The New York Yankees. One hundred seasons of baseball. One hundred years of tradition. This official book celebrates the most successful team in sports history. Lavishly illustrated and designed with more than 175 photographs from the Yankees' own archives, some never seen before, this dazzling volume brings to life a century of baseball with the Bronx Bombers. This winning retrospective captures the glorious championships, intense rivalries, and unparalleled players who have thrilled millions of fans year after year. From the unbeatable, record-breaking 1927 Yankees managed by Hall-of-Famer Miller Huggins to the ongoing legacy of Joe Torre and his phenomenal four World Series victories; from such unforgettable players as the Babe, Lou Gehrig, and Yogi Berra, to today's powerhouse hitters Derek Jeter, Bernie Williams, and Jason Giambi; from the early magnificent days in the House That Ruth Built to the Steinbrenner era that heralded unprecedented

excellence for three decades and counting—here is an inimitable portrait of America’s team. Taking you where no other book has gone before—onto the field and into the bull pens and locker rooms—it features notable essays by leading writers like Roger Kahn and Robert Creamer, along with dozens of candid, first-person accounts and reminiscences from the players themselves. A must-have keepsake for every fan, this fitting tribute to the Yankees 100th season, a is brimming with some of the most astonishing athletes and accomplishments ever, including Joe DiMaggio’s fifty-six game hit streak, Roger Marris’ sixty-one homers, and Mickey Mantle’s Triple Crown season. Like the Yankees themselves, this book is sure to be a classic.

**Loving Sports When They Don't Love You Back** Jessica Luther, Kavitha Davidson, 2020-09-01 Triumphant wins, gut-wrenching losses, last-second shots, underdogs, competition, and loyalty—it’s fun to be a fan. But when a football player takes a hit to the head after yet another study has warned of the dangers of CTE, or when a team whose mascot was born in an era of racism and bigotry takes the field, or when a relief pitcher accused of domestic violence saves the game, how is one to cheer? Welcome to the club for sports fans who care too much. In *Loving Sports*

When They Don't Love You Back, acclaimed sports writers Jessica Luther and Kavitha A. Davidson tackle the most pressing issues in sports, why they matter, and how we can do better. For the authors, "sticking to sports" is not an option—not when our taxes are paying for the stadiums, and college athletes aren't getting paid at all. But simply quitting a favorite team won't change corrupt and deplorable practices, and the root causes of many of these problems are endemic in our wider society. An essential read for modern fans, *Loving Sports When They Don't Love You Back* challenges the status quo and explores how we might begin to reconcile our conscience with our fandom.

**New York Yankees** Michael E. Goodman, 2021 Encompassing the extraordinary history of Major League Baseball's New York Yankees, this photo-laden narrative underscores significant players, team accomplishments, and noteworthy moments that will stand out in young sports fans' minds.

**Miracle Moments in New York Yankees History** David Fischer, 2017-04-04 Throughout its illustrious history, the New York Yankees have produced some of the most memorable highlights in baseball annals. Babe Ruth's "called shot" home run, Joe DiMaggio's 56-game hitting streak, Derek Jeter's amazing "Flip

Play.” Most Yankees fans have seen newsreel footage of Lou Gehrig’s farewell speech, watched highlights of a young Mickey Mantle, and have heard the story of Billy Martin’s five managerial hirings and firings. But what makes the Yankees the world’s most celebrated sports franchise goes beyond sheer headlines? it is the stories of the men behind the headlines who have thrilled and enchanted New York fans since 1903. *Miracle Moments in New York Yankees History* is the ultimate tribute book for die-hard fans of the Bronx Bombers. Whether you’re a passionate booster from the days of Yogi Berra or a newly minted supporter of Alex Rodriguez, author David Fischer has compiled a supreme collection of 50 of the most prominent and relevant team successes, player feats, and award-winning accomplishments from the Yankees’ incredible past and present. And, much like the team itself, *Miracle Moments in Yankees History* is about far more than just miracle moments; in-depth player profiles, exciting game details, and the perspective of time bring the greatest achievements of history’s greatest Yankees to life.

**Yankee Stadium N. Y.) Daily News (New York,2002-04-01**  
Yankee Stadium has no equal. From the first day it opened in 1923 with a Babe Ruth homer to the Yankees' sweep of the 1999 World

Series, the house that Ruth built has seen its pinstripe heroes clinch dozens of pennants and win more world championships than any other franchise in all of sports. It has also seen New York's football Giants play some of pro football's greatest games and has witnessed some of college football's most famous moments, including the 1928 Army vs. Notre Dame game in which Irish coach Knute Rockne urged his team to win one for the Gipper. Legendary boxers such as Jack Dempsey, Gene Tunney, Max Schmeling, Joe Louis, Rocky Graziano, Sugar Ray Robinson, Ken Norton and the incomparable Muhammad Ali have all brought their incredible talents to Yankee Stadium. But the story of Yankee Stadium is more than just sports. The Stadium has served as a grand stage for some of the century's most historic and entertaining figures. It has received three Papal visits, honored Charles Lindbergh, welcomed a gathering of 120,000 Jehovah's Witnesses, hosted Billy Graham's crusades, applauded South Africa's Nelson Mandela and rocked with the music of Billy Joel, U2 and Pink Floyd.

**The Umpire Was Blind!** Jonathan Weeks, 2020-05-21 In the words of former American League umpire Nestor Chylak, umpires are expected to be perfect on the first day of the season and then get better every day. Forced to deal with sullen managers and

explosive players, they often take the blame for the failures of both. But let's face it--umpires are only human. For well over a century, the fortunes of Major League teams--and the fabric of baseball history itself--have been dramatically affected by the flawed decisions of officials. While the use of video replay in recent decades has reduced the number of bitter disputes, many situations remain exempt from review and are subject to swirling controversy. In the heat of the moment mistakes are often made, sometimes with monumental consequences. This book details some of these more controversial calls and the men who made them.

## **Njcom New York Yankees News Book Review: Unveiling the Power of Words**

In some sort of driven by information and connectivity, the energy of words has are more evident than ever. They have the capability to inspire, provoke, and ignite change. Such may be the essence of the book **Njcom New York Yankees News**, a literary masterpiece that delves deep into the significance of words and their impact on

our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book is key themes, examine its writing style, and analyze its overall effect on readers.
