Can I Trust the Bible? R. C. Sproul, 2019-03-14 What is the Bible? Can we really trust it? Many people today assume that the Bible is full of errors and contradictions. At best, it is a mildly interesting look at the lives and beliefs of people who lived centuries ago. In this booklet, Dr. R.C. Sproul shows that these common assumptions are wrong. The Bible is the Word of God, and therefore it is trustworthy, authoritative, and without error. What it says is of life-changing importance and should not be neglected by anyone. We can always trust what God reveals about Himself in His Word. The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers.

The Book of Revelation Decoded Rabbi K. A. Schneider, 2017 Understand the connection between the Old Testament and the end times, what to expect during the last days, and how to stand firm in Christ in the face of opposition. Rabbi K. A. Schneider decodes the Book of Revelation, showing how the end-time events prophesied in the New Testament book correspond with the teachings of the Torah and the Hebrew prophets. You will discover how the Passover foreshadows the great tribulation, and what the

Hebrew prophets reveal about the anti-Messiah, Armageddon, hell, the return of the Messiah, the millennial kingdom, heaven, and much more. As the world grows darker and darker, many people have a sense of impending doom. This book will teach you what to expect during the last days and how to stand firm in Christ even in the face of opposition.

Uncanceled Phil Robertson, 2022-02-08 Win the War for Your Own Integrity After Phil Robertson quoted Scripture in an interview with a national magazine, his hit show, Duck Dynasty, put him on "indefinite hiatus." Phil immediately knew what had happened: he had become a target of cancel culture. Since that time, Phil has spoken out against public shaming, strategic campaigns to get Bible-believing employees fired, and other tactics that are wreaking havoc in our society. In a deeply divided country, with so many bent on condemning and silencing others, Phil calls for us to carry out the unifying message of Jesus Christ. In *Uncanceled*, Phil shares his own experiences with cancel culture as he encourages

us to turn to Scripture as we navigate politics, personal conversations, and new cultural norms; helps us see the psychological and political motivations behind silencing conservative voices; reminds us that the goal is not to convince others to like us but to win the war for our own integrity by refusing to bow down to the god of political correctness; and shows us how to trade retaliation for the love and forgiveness that God offers. *Uncanceled* is a blueprint for standing up for the truth of Jesus Christ in a culture that has forgotten how to have respectful conversations. As Phil reminds us, when we embrace the truth that Jesus Christ already paid an enormous debt to cancel our sins, we find a path to redemption, a way to forgiveness, and a means for godly connection.

Effortless Change Andrew Wommack, 2011-02-01 The Word of God is like a seed and your heart is the soil. Most Christians want change in some area of their lives. They try and try to make those changes but soon find themselves falling back into the same habits and behaviors. Self-discipline and self-control have once again failed them. So how does lasting change take place? A worm...

New Testament History and Literature Dale B. Martin, 2012-04-24 In this engaging introduction to the New Testament, Professor Dale B. Martin presents a historical study of the origins of Christianity by analyzing the literature of the earliest Christian movements. Focusing mainly on the New Testament, he also considers nonbiblical Christian writings of the era. Martin begins by making a powerful case for the study of the New Testament. He next sets the Greco-Roman world in historical context and explains the place of Judaism within it. In the discussion of each New Testament book that follows, the author addresses theological themes, then emphasizes the significance of the writings as ancient literature and as sources for historical study. Throughout the volume, Martin introduces various early Christian groups and highlights the surprising variations among

their versions of Christianity.

The Bible For Dummies Jeffrey Geoghegan, Michael Homan, 2016-05-31 The Bible For Dummies (9781119293507) was previously published as The Bible For Dummies (9780764552960). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. Discover the world's all-time bestseller in an entirely new light Ninety percent of Americans own a copy of the Bible, and while it's the most widely read book, it's also the least understood. Regardless of your religion, understanding the Bible brings much of Western art, literature, and public discourse into greater focus—from Leonardo da Vinci's Last Supper painting to the Wachowski brothers' The Matrix movies. People have historically turned to religion to deal with tragedy and change, and with the right insight, the Bible can be an accessible, helpful guide to life's big questions. The Bible For Dummies appeals to people of all faiths, as well as those who don't practice any particular religion, by providing interfaith coverage of the entire Bible and the often fascinating background information that makes the Bible come alive. You'll find answers to such questions as: Where did the Bible come from? Who wrote the Bible? How is the Bible put together? Follow the history of the Bible from its beginning thousands of years ago as tattered scrolls to its status as the bestseller of all time. The Bible For Dummies covers these topics and more: Ten people in the Bible you should know The Hebrew Bible The Apocrypha's hidden treasures What's new about the New Testament Israel's wisdom, literature, and love poetry The Bible's enduring influence The prophets: more than fortunetellers Whether you're interested in broadening your spiritual horizons, uncovering the symbolism of Western culture, or gaining a deeper understanding of the book you grew up reading, The Bible For Dummies has all the information you need to navigate this ancient and fascinating book.

Unleashing the Word Max McLean, Warren Bird, 2009-11-03 Modern society is awash in words. An auditory tidal wave cascades from our televisions, radios, media players, and the Internet. Today's distracted worshippers often feel spiritually shortchanged when the Scriptures are spoken without passion and power. This lively and encouraging resource is the collaboration of a gifted Bible narrator and a mentor to church leaders. In it they show how churches can train their own teams of Scripture readers. These laypeople can—with enthusiasm, conviction, and passion—"unleash the Word of God," and prepare hearts to receive the message. Spoken well, the Word of God opens and penetrates the listener's heart. Simple, straightforward, and culturally relevant, this unique book provides the necessary tools to teach you how to read the Bible aloud, in a way that communicates its life-changing power!

Holy Bible (NIV) Various Authors, 2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. The Book of Signs Dr. David Jeremiah, 2019-03-05 From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events. Many Christians struggle to understand the Book of Revelation. "The end times." "The

apocalypse.” “The day of judgment.” These terms are both fascinating and frightening – but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, *The Book of Signs* is an encouraging guide to the Book of Revelation. In *The Book of Signs*, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, *The Book of Signs* is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God’s promises for the future with a renewed sense of hope and purpose.

Learn more about this whole-church experience at TheStory.com. An excerpt from *The Story*: After Judas left, Jesus gave the disciples a glimpse of what was to come. He foreshadowed the fact that he was going to be "broken" and "poured out"—he was going to take humanity's punishment for sin on himself. While they were eating, Jesus took bread, and when he had given thanks, he broke it and gave it to his disciples, saying, "Take and eat; this is my body." Then he took a cup, and when he had given thanks, he gave it to them, saying, "Drink from it, all of you. This is my blood of the covenant, which is poured out for many for the forgiveness of sins. I tell you, I will not drink from this fruit of the vine from now on until that day when I drink it new with

you in my Father's kingdom." Jesus warned his disciples that he would be with them only a little while longer. He went on to comfort his confused followers. "Do not let your hearts be troubled. You believe in God; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going." Thomas said to him, "Lord, we don't know where you are going, so how can we know the way?" Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me. If you really know me, you will know my Father as well. From now on, you do know him and have seen him." 11.5-point type size
