Shortly after joining the National Film Board, he began to make film history with his innovative techniques and his films based on Inuit legends. The director of more than 27 acclaimed NFB films, including an Academy Award for Le Chateau de sable / The Sand Castle, he is recognized worldwide as a master of stop-motion animated films. In his lifetime, Co Hoedeman has accomplished his dreams, despite the agonies of a World War, the trials of immigration, and the barriers of starting a new life as a stranger in a strange land. Frame by Frame presents that life and journey.
