American Families in Crisis Jeffrey S. Turner, 2009-03-03 An authoritative reference that helps general readers understand the varieties of crises impacting modern-day families and the intervention techniques designed to resolve them. An urgent, authoritative resource, *American Families in Crisis* spans the full spectrum of events and conditions that endanger families, offering the latest research and insights while evaluating current strategies and techniques for dealing with challenging family behaviors. The handbook begins by analyzing the history of family crises in the United States, then looks at how to identify, prevent, and respond to specific problems—everything from marital strife, teen runaways, and unemployment to school shootings, natural disasters, problems created by the Internet, and extended military deployment. The coverage is backed by hundreds of current key reference sources, plus chapters on notable contributors to the field, important data and documents, and resources for further information.

The Seven Longest Yards Chris Norton, Emily Norton, 2019-07-09 He was told he'd never walk again. She was losing hope that she'd ever feel whole again. This is their miraculous true story of defying the impossible. In my very first impression of Chris, I was blown away by his determination to stay positive, do the work, and trust that God had a bigger story in mind . . . this book is a master class in the power of perseverance. -Tim Tebow
Quadriplegics simply do not walk again - yet millions watched as Chris Norton defied incredible odds and took step by impossible step across his graduation stage. With his fiancée Emily by his side, those unbelievable steps became the start of an extraordinary journey for them both. Told from both of their unique perspectives, this moving story invites you to find, as Chris and Emily have, that God can transform our lowest points into life's greatest gifts. In a moment, Chris went from a talented college football player with a promising future to a quadriplegic with a 3 percent chance of ever moving or feeling anything below his neck, much less walking again. Determined to prove the doctors wrong, he pushed himself through grueling, daily workouts to achieve his goal four years later: walking the stage to receive his college diploma with Emily's help, and to the world's astonished applause. Meanwhile, Emily faced her own challenges as she sunk into a deep battle against anxiety and depression, despite her life's outward blessings. Day by day, decision by decision, Chris and Emily committed themselves to taking the extra step, trusting God, and leaning on the help of others. In a story of courageous faith and grit, this extraordinary couple's journey ultimately led them to tackle the seven longest yards - down the wedding aisle and into a new life together. And what a new life it is: Chris and Emily have adopted five beautiful girls and welcomed foster children - seventeen and counting! - into their home and hearts. Let this book be your inspiration for defying your own impossible, and finding joy on the other side.

My Parent's Keeper Jody Gastfriend, 2018-05-22 "Unflinchingly tackles a complex aspect of eldercare in each chapter . . . an indispensable resource for family caregivers."—Patrick O'Malley, author of *Getting Grief Right* When it comes time to provide care for those who once cared for us, where can we turn? This book offers practical guidance for a broad range of caregiving situations when family caregivers assume their new role. *My Parent's Keeper* . . . Uses the latest research and draws on case histories and interviews. · Is a resource as well as a source of inspiration, with a blend of powerful

stories and practical advice. · Helps caregivers cope with numerous challenges, including parents who need but refuse help; siblings who don't get along; the complexity of healthcare systems; financial issues; juggling work and caregiving; the use of technology; the power of connecting with a loved one who has dementia; and realizing the benefits amid the burdens of caregiving. "Jody Gastfriend has created the ultimate GPS for family caregivers. At once humane and helpful, personal and political, she charts the long, hard, and rewarding role that all of us will take caring for our families and each other. Don't leave home without it!"—Ellen Goodman, Pulitzer Prize-winning columnist and founder of The Conversation Project "My Parent's Keeper shines a light on the conundrum of caregiving—as adult children, our best intentions are insufficient to help our parents and ourselves. We need a plan in advance of need—this book offers up-to-date guideposts for this inevitable caregiving journey."—Laurie M. Orlov, author of *When Your Parents Need Elder Care: Lessons from the Front Lines*

Children and the Internet Sonia Livingstone, 2013-05-06 Is the internet really transforming children and young people's lives? Is the so-called 'digital generation' genuinely benefiting from exciting new opportunities? And, worryingly, facing new risks? This major new book by a leading researcher addresses these pressing questions. It deliberately avoids a techno-celebratory approach and, instead, interprets children's everyday practices of internet use in relation to the complex and changing historical and cultural conditions of childhood in late modernity. Uniquely, *Children and the Internet* reveals the complex dynamic between online opportunities and online risks, exploring this in relation to much debated issues such as: Digital in/exclusion Learning and literacy Peer networking and privacy Civic participation Risk and harm Drawing on current theories of identity, development, education and participation, this book includes a refreshingly critical account of the challenging realities undermining the great expectations held out for the internet - from governments, teachers, parents and children themselves. It concludes with a forward-looking framework for policy and regulation designed to advance children's rights to expression, connection and play online as well as offline.

Plugged-In Parenting Bob Waliszewski, 2011 *Plugged-In Parenting* comes at a time when parents find themselves between a rock and a hard place. They want to protect their children from the increasingly violent and sexualized content of movies, TV, the Internet, and music as well as cyberbullying and obsessive cell phone texting. But they fear that simply laying down the law will alienate their kids. Can parents stay connected to the media while staying connected to God and to each other? This book makes a powerful case for teaching kids media discernment, but doesn't stop there. It shows how to use teachable moments, evidence from research and pop culture, Scripture, questions, parental example, and a written family entertainment constitution to uphold biblical standards without damaging the parent-child relationship.

Wealth of Wisdom Tom McCullough, Keith Whitaker, 2018-12-03 A critical resource for families managing significant wealth *Wealth of Wisdom* offers essential guidance and tools to help high-net-worth families successfully manage significant wealth. Padres Conectados Bob Waliszewski, 2013-05-30 DIVPadres conectados llega en un momento en que los padres se encuentran entre la espada y la pared. Quieren proteger a sus hijos del contenido cada vez más violento y sexual de las películas, la televisión, Internet y música, así como el acoso cibernético y obsesivos mensajes de texto de teléfonos celulares. Pero temen que simplemente el que quieran establecer la ley los aleje de sus hijos. ¿Pueden los padres mantenerse en contacto con los medios de comunicación mientras se mantienen conectados con Dios y con ellos mismos? Este libro constituye un argumento poderoso para enseñar a los niños discernimiento y medios de comunicación. Además muestra cómo utilizar momentos de enseñanza, la evidencia de la investigación y la cultura pop, las Escrituras, preguntas, ejemplo de los padres, y un escrito de entretenimiento familiar constituido a mantener los estándares bíblicos sin dañar la relación padre-hijo. /div

Travel Writing and the Transnational Author S. Knowles, 2014-06-19 Travel Writing and the Transnational Author explores the travel writing and transnational literature of four authors from the 'postcolonial canon': Michael Ondaatje, Vikram Seth, Amitav Ghosh, and Salman Rushdie.

Child Poverty and Inequality Duncan Lindsey, 2008-09-12 One of the United States great promises is that all children will be given the opportunity to work to achieve a comfortable standard of living. That promise has faded profoundly for children who grow up in poverty, particularly black and Hispanic children, and many of the deepening fault lines in the social order are traceable to this disparity. In recent years the promise has also begun to fade for children of the middle class. Education and hard work, once steady paths to economic success, no longer lead as far as they once did. But that doesn't have to be the case, as Duncan Lindsey shows in this articulate, impassioned volume. We can provide true opportunity to all children, insuring them against a lifetime of inequality, and when we do, the walls dividing the country by race, ethnicity, and wealth will begin to crumble. Long a voice for combating child poverty, Lindsey takes a balanced approach that begins with a history of economic and family policy from the Great Depression and the development of Social Security and moves onward. He details the shocking extent of economic inequality in the U.S., pointing out that this wealthiest

of countries also has the largest proportion of children living in poverty. Calling for reform, Lindsey proposes several viable universal income security policies for vulnerable children and families, strategies that have worked in other advanced democracies and also respect the importance of the market economy. They aim not just to reduce child poverty, but also to give all children meaningful economic opportunity. Just as Social Security alleviates the sting of poverty in old age, asset-building policies can insulate children from the cumulative effects of disadvantage and provide them with a strong foundation from which to soar. Politicians, pundits, and parents always say that children are the future, but as long as so many grow up poor or without opportunity, that slogan will sound hollow. Duncan Lindseys book should be read by anyone who wants to know how we can take real action to brighten the future for children and for society as a whole.

The Changing Face of Motherhood in Spain Catherine Bourland Ross, 2015-12-24 The social construction of motherhood is a universal theme that is significant in all societies. This book shows how the social institutions of work, politics, sex, religion and psychology provide definitions of what a mother should be and how the works of Lucía Etxebarria reflect the changes in Spanish society regarding motherhood.

The Contemporary Relational Supervisor 2nd edition Robert E. Lee, Thorana S. Nelson, 2021-08-11 The Contemporary Relational Supervisor, 2nd edition, is an empirically based, academically sophisticated, and learner-friendly text on the cutting edge of couple and family therapy supervision. This extensively revised second edition provides emerging supervisors with the conceptual and pragmatic tools to engage a new wave of therapists, helping them move forward together into a world of highly systemic, empirically derived, relational, developmental, and integrative supervision and clinical practice. The authors discuss major supervision models and approaches, evaluation, ethical and legal issues, and therapist development. They present methods that help tailor and extend supervision practices to meet the clinical, institutional, economic, and cultural realities that CFT therapists navigate. Filled with discussions and exercises to engage readers throughout, as well as updates surrounding telehealth and social justice, this practical text helps emerging

therapists feel more grounded in their knowledge and develop their own personal voice. The book is intended for developing and experienced clinicians and supervisors intent on acquiring up-to-date and forward-looking, systemic, CFT supervisory mastery.

Meaningful Absence Across Arts and Media ,2019-03-27 This volume focusses on the rarely discussed method of meaning production via the absence, rather than presence, of signifiers. It does so from an interdisciplinary perspective, which covers systematic, media-comparative and historical aspects, and reveals various forms and functions of missing signifiers across arts and media.

The Odious Ogre Norton Juster,2010 The author and the illustrator of THE PHANTOM TOLLBOOTH--together again This is the story of a really rotten Ogre who is extraordinarily large, exceedingly ugly, unusually angry, constantly hungry, and absolutely merciless. He terrorizes the entire countryside and all the surrounding towns, wreaking havoc, sowing confusion, and dining happily on the hapless citizens. Nothing can stop him. But then he takes a wrong turn and encounters a kind and friendly young lady who does her best to help him--with a surprising result.

Community Health and Wellness Anne McMurray,Jill Clendon,2011-07-22 A new edition of the esteemed nursing text exploring social, cultural and political issues affecting individual and community health What makes a healthy community? And how can nurses and midwives support community health and wellbeing? In *Community Health and Wellness*, 4th Edition: Primary health care in practice, authors Anne McMurray and Jill Clendon advance the discussion of health as a product of the interaction between people and their environment. Engagingly written and based on extensive research, this valuable nursing textbook is ideal for nursing students as well as those working in the field. Issues such a gender and cultural inclusiveness provide essential backdrops to evidence-based policy, research and the provision of equitable health care for all. The Miller Family case study This new edition of *Community Health and Wellness* features a common family case study running throughout the text. The Miller family crosses Australia and New Zealand; providing examples of primary health care issues in both countries. These include child health services, accessing care, adolescent health, contemporary family issues, ageing, cultural support and inclusive health care. • global insights with a focus on primary health care practice in Australia and New Zealand • promotion of community health care across the lifespan • a unique socio-ecological approach to community health • the Ottawa Charter, the Jakarta Declaration and the Bangkok Charter are included as contemporary health promotion guidelines for practice • extensive references providing current, specific source information • an emphasis on health literacy, intervention and health promotion • an evolving case study in each chapter, with links to reflective activities • a focus on learning outcomes to facilitate the integration of policy, research and practice • exploration of Australian and New Zealand nursing and midwifery roles in primary health care practice • strong pedagogy to increase engagement and emphasise key community health issues • reflective exercises and action points encouraging readers to consider key issues, their implications and next steps • research studies exemplifying each chapter's central theme and promoting evidence-based

practice

Legal Architecture Linda Mulcahy, 2010-12-16 *Legal Architecture* addresses how the environment of the trial can be seen as a physical expression of our relationship with ideals of justice. It provides an alternative account of the trial, which charts the troubled history of notions of due process and participation. In contrast to visions of judicial space as neutral, Linda Mulcahy argues that understanding the factors that determine the internal design of the courthouse and courtroom are crucial to a broader and more nuanced understanding of the trial. Partitioning of the courtroom into zones and the restriction of movement within it are the result of turf wars about who can legitimately participate in the legal arena and call the judiciary to account. The gradual containment of the public, the increasing amount of space allocated to advocates, and the creation of dedicated space for journalists and the jury, all have complex histories that deserve attention. But these issues are not only of historical significance. Across jurisdictions, questions are now being asked about the internal configurations of the courthouse and courtroom, and whether standard designs meet the needs of modern participatory democracies: including questions about the presence and design of the modern dock; the ways in which new technologies threaten to change the dynamics of the trial and lead to the dematerialization of our primary site of adversarial practice; and the extent to which courthouses are designed in ways which realise their professed status as public spaces. This fascinating and original reflection on legal architecture will be of interest to socio-legal or critical scholars working in the field of legal geography, legal history, criminology, legal systems, legal method, evidence, human rights and architecture.
