This stand-alone, all-audio course can be used by those who have little or no knowledge of the language, by those who want to learn or brush up basic conversation skills, and by more advanced learners who require extra audio material to complement their current courses. The ten units or 'conversations' cover the situations you are most likely to find yourself in while on holiday or on business abroad. They are divided into two parts, with a dialogue in each part. The dialogue in Part 2 reuses the vocabulary and phrases from Part 1 in a slightly different context. Both parts start with an introduction to the words and phrases you'll need, followed by the dialogue. Finally it's 'Over to you': you take part in the same dialogues following the English prompts, playing all the roles in turn. So you get lots of opportunity to practise! Frequent track markers divide the CDs up into short, easy-to-use clips.
