The Prophecies of Nostradamus Ryan Nagelhout,2014-12-15 The prophecies of sixteenth-century French astrologer Nostradamus still resonate in our world. Many of his predictions have seemed to correlate with major world events. There are more predictions that may yet come to pass. However, there's much controversy surrounding Nostradamus's complicated writings. His use of anagrams and multiple languages make some doubt whether today's translations are even accurate. Believers and nonbelievers both will be fascinated at this look at the mysterious man's life in plague-infested France as well as his most famous predictions. Readers will be able to decide for themselves whether they believe in the mystical powers of Nostradamus.

The Prophecies of Nostradamus By Nostradamus,2019-06-15 The renowned prophet Nostradamus (Michel de Nostradame) was born on December 14, 1503 in St. Remy, Provence, France. Nostradamus came from a long line of Jewish doctors and scholars. His family had converted from Judaism to Christianity in 1502, as a result of persecution on the ascension of Louis the XII. After a classical education he studied medicine, herbalism and astrology. During Nostradamus' lifetime the Black Death (today known as the bubonic plague) wiped out over a quarter of Europe. It is no wonder that a sense of apocalyptic terror fills Nostradamus' quatrains. Nostradamus had the visions which he later recorded in verse while staring into water or flame late at night, sometimes aided by herbal stimulants, while sitting on a brass tripod. The resulting quatrains (four line verses) are oblique and elliptical, and use puns, anagrams and allegorical imagery. Most of the quatrains are open to multiple interpretations, and some make no sense whatsoever. Some of them are chilling, literal descriptions of events, giving specific or near-specific names, geographic

locations, astrological configurations, and sometimes actual dates. It is this quality of both vagueness and specificity which allows each new generation to reinterpret Nostradamus. Nostradamus is said to have predicted his own death. When his assistant wished him goodnight on July 1, 1566, Nostradamus reputedly pronounced, You will not find me alive at sunrise. He was found dead on July 2, 1566.

Nostradamus Lee McCann,2013-02-20 Lee McCann's riveting book gives us a fascinating glimpse into the life of Michel Nostradamus-- part historical novel, part academic examination of the accuracy of Nostradamus' prophecies. Both are readable and enjoyable, just what the layman has been looking for! Since governments, sects, and countries will undergo such sweeping changes, diametrically opposed to what now obtains, that were I to relate events to come, those in power now-- monarchs, leaders of sects and religions-- would find these so different from their own imaginings that they would be led to condemn what later centuries will learn how to see and understand. - Nostradamus

Les Propheties Nostradamus,2022-05-29 The Prophecies of Nostradamus has remained one of the most read and spoken of the book throughout the history. It was first published in 1555 and became quite popular already during the life of Nostradamus as some of his prophesies came true. Mostly, Nostradamus's predictions were about general types of events, like natural disasters and conflict-related events that tend to occur regularly as time goes on. No wonder people believe that his prophecies have predicted actual events through centuries. From the death of Henry II, the French Revolution, the rise of Napoleon, the rise of Adolf Hitler, to the 9/11 attacks - all these events are believed to be foreseen by Nostradamus.

The Life and Times of Nostradamus Russell Roberts,2019-12-05 Few people in history have incited such debate and further examination as the French prophet known as Nostradamus. What manner of man was he? Was he really able to part the mists of time and see into the future? Was it possible that he could predict events and identify people separated hundreds of years from his own time? Or are his predictions just vague and ambiguous enough that they can be made to fit almost any occasion? Perhaps one way to find answers to these questions is to examine the entire life of this remarkable man not just the small portion that his predictions constitute. Read about the influences of his youth, his training as a physician, and the reasons he began making his predictions. You may then have the power to better understand who and what he actually was and the times in which he lived.

M. Nostradamus Daniel A Melendez,2020-04-05 Discover in this book more than ninety questions every Christian should ask about the prophet Nostradamus and his prophecies. And their answers that confirm he was a holy man and prophet of God. Christians will forget what pagan writers wrongly said about him! Many Christians do not know that the Messiah gave to M. Nostradamus hundreds of prophecies connected to the Bible prophecies. However, how are Christians going to read those predictions, if they wrongly think the holy man M. Nostradamus, was a vulgar seer, clairvoyant, magician, soothsayer, medium, sorcerer, or astrologer? You, in this book (M. Nostradamus: Holy man and Prophet of God), will find more than ninety questions and answers that demonstrate M. Nostradamus was a holy man and prophet of God. The clergy has not realized that the prophet Nostradamus had received his prophecies from the Lord Jesus Christ, an angel, the Holy Spirit, and visions of divine inspiration. Some Christians believe in the pagans' misinterpretations of the first two quatrains (q I 1 and I 2). They wrongly say the prophet Nostradamus used a pot full of water sat on a tripod to see in it the prophecies. They do not know that the word tripod does not appear in those two quatrains. Pagan people took the word tripod from chapter 5 of the letter to HENRY that says that Nostradamus received his prophecies through the one part of the tri whose feet are like bronze. They did not realize that this last expression represents the Lord Jesus Christ. He calls Himself, the One whose feet are like burnished bronze (Rev. 2: 18). After mentioning those words, Nostradamus to confirm he was addressing the LORD, said that many people attributed

to him the prophecies that only belong to the eternal God alone. Because of it, they should ask pardon to M. Nostradamus and God, who gave him the predictions. Some people wrongly condemned the prophet, Nostradamus, as being an astrologer because he worked with the Judaic Astrology or Hebrew Astrology. The man of God, M. Nostradamus, died in the year 1566 AD, and the science of Astronomy officially appeared after the year 1642 AD. The Jews in the past used the Judaic Astrology to fix the dates of their traditional festivals. They needed to know the position of the sun and the phases of the moon so that they could keep the month of Abib (Deut. 16: 1) and the commandment of the LORD (Exod. 12: 1-2). The Christian author (Daniel A Melendez) wishes to open Christian's eyes to the truth of God hidden for centuries about M. Nostradamus. Because of it, he decided to write this book of 212 pages. The title of that volume is M. Nostradamus: Holy man and prophet of God.
