Not to Destroy, But to Fulfill Linus K. H. Chua, 2010-01-15 In Matthew 5:17-48, we see the Lord Jesus speaking clearly about His relationship to the law of the Old Testament and about how His people should understand and respond to that law. Unfortunately, this important passage of Scripture often is either misunderstood or totally ignored by many Christians today. In *Not to Destroy, But to Fulfill*, Linus Chua presents what he believes is a proper understanding of this crucial passage. He also seeks to draw out some important applications and implications for the modern Christian.----Linus Chua is a member of Pilgrim Covenant Church in Singapore and is currently pursuing the M.Div. degree with Whitefield Theological Seminary in preparation for the pastoral ministry. He is also the author of *Catechism in Conversation*, which gives a brief introduction to the Westminster Shorter Catechism in conversational style.

The Gospel According to Matthew, 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

*The God I Don't Understand* Christopher J. H. Wright, 2009-05-26 Many Christians believe that they have to understand everything about their faith for that faith to be genuine. This isn't true. There are many things we don't understand about God, His Word, and His works. And this is actually one of the greatest things about the Christian faith: that there are areas of mystery that lie beyond the keenest scholarship or even the most profound spiritual exercises. Sadly, for many people these problems raise so many questions and uncertainties that faith itself becomes a struggle. But questions, and even doubts, are part of faith. Chris Wright encourages us to face the limitations of our understanding and to acknowledge the pain and grief they can often cause. In *The God I Don't Understand*, he focuses on four of the most mysterious subjects in the Bible and reflects upon why it's important to ask questions without having to provide the answer: The problem of evil and suffering. The genocide of the Canaanites. The cross and the crucifixion. The end of the world. However strongly we believe in divine revelation, we must acknowledge both that God has not revealed everything and that much of what he has revealed is not plain. It is because Dr. Wright confronts biblical problems with a combination of honesty and humility that I warmly commend this book. —John Stott

Reasonable Faith William Lane Craig, 2008 This updated edition by one of the

world's leading apologists presents a systematic, positive case for Christianity that reflects the latest work in the contemporary hard sciences and humanities. Brilliant and accessible.

*Revelation*, 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

*The Hebrew Gospel of Matthew* George Howard, 2005-07 For centuries the Jewish community in Europe possessed a copy of Matthew in the Hebrew language. The Jews' use of this document during the Middle Ages is imperfectly known. Occasionally excerpts from it appeared in polemical writings against Christianity.

A Modern Exposition of the 1689 Baptist Confession of Faith Samuel E. Waldron, 2013 A modern exposition of the 1689 Baptist Confession of Faith. In this extensive exposition of the 1689 Baptist Confession of Faith, Sam Waldron shows that this work is a masterly statement of the historic Christian faith. His direct and lucid style will help ministers, students and laymen alike to a clear understanding of the Confession and to see its relevance and application to our modern age. Modern Christianity is awash in a flood of doctrinal relativity. Satan and his forces love the imprecision and ambiguity which are rampant in our day. As C. H. Spurgeon observed, 'The arch-enemy of truth has invited us to level our walls and take away our fenced cities'. This exposition was originally published in 1989 to mark the 300th anniversary of the publication of the Second London Confession, which also became known as the 1689 Baptist Confession of Faith. Today, reformed Baptists world-wide hold this Confession in high esteem and many churches continue to regard it as their official statement of faith. Included in this publication is a helpful introduction on the legitimacy and use of confessions by Dr R. P. Martin, currently Pastor of Emmanuel Reformed Baptist Church in Seattle, Washington.

*Not to Destroy But to Fulfill* Javier Lopez, 2016-11-21 Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil. (Matthew 5:17) What is the Messiah really like? What if the Law of Moses were still active? How does salvation happen? How can I be joined to the Messiah and restored to the Father? These questions and many more are

answered in this comprehensive Hebraic study. Also included: - passages from rabbinical writings - information on Biblical prophecies - an extensive 30 page glossary, a study in itself, which discusses key terms and teachings on a variety of topics touched on in the book

MacArthur's Millennial Manifesto Samuel E. Waldron,2008-05 At the 2007 Shepherds' Conference, Pastor John MacArthur delivered a controversial message entitled, Why Every Self-Respecting Calvinist is a Premillennialist. In this book, Dr. Sam Waldron addresses the assertions of MacArthur historically, exegetically and theologically. Although his arguments are rigorous, the entire tenor of the book is level-headed and irenic. This friendly response grants modern day Amillennialists the opportunity to thoughtfully engage their Dispensational brethren.

**Mounce's Complete Expository Dictionary of Old and New Testament Words** William D. Mounce,2009-12-15 For years, Vine's Expository Dictionary has been the standard word study tool for pastors and laypeople, selling millions of copies. But sixty-plus years of scholarship have shed extensive new light on the use of biblical Greek and Hebrew, creating the need for a new, more accurate, more thorough dictionary of Bible words. William Mounce, whose Greek grammar has been used by more than 100,000 college and seminary students, is the editor of this new dictionary, which will become the layperson's gold standard for biblical word studies. Mounce's is ideal for the reader with limited or no knowledge of Greek or Hebrew who wants greater insight into the meanings of biblical words to enhance Bible study. It is also the perfect reference for busy pastors needing to quickly get at the heart of a word's meaning without wading through more technical studies. What makes Mounce's superior to Vine's? The most accurate, in-depth definitions based on the best of modern evangelical scholarship Both Greek and Hebrew words are found under each English entry (Vine's separates them) Employs both Strong's and G/K numbering systems (Vine's only uses Strong's) Mounce's accuracy is endorsed by leading scholars

Heaven and Hell Bart D. Ehrman,2021-03-23 Over half of Americans believe in a literal heaven, in a literal hell. Most people who hold these beliefs are Christian and assume they are the age-old teachings of the Bible. Ehrman shows that eternal rewards and punishments are found nowhere in the Old Testament, and are not what Jesus or his disciples taught. He recounts the long history of the afterlife, ranging from The Epic of Gilgamesh up to the writings of Augustine, focusing especially on the teachings of Jesus and his early followers. Ehrman shows that competing views were intimately connected with the social, cultural, and historical worlds out of which they emerged. - adapted from jacket
