This book is intended for use by children and adults. You can have fun alone or together with your child, learning the basics of music theory while listening to your favourite songs. Practical exercises and videos will help you to develop the necessary skills to use the keyboard

and guitars to express yourself. I will explain to you: - How to feel the heartbeat of the song - What is a metronome and why it is so vital to use it - Basic note and rest lengths - What is the time signature and how to count music - How to read music and what is the pitch of the sound - How to remember note locations - How to develop your fine motor skills and coordination . In the first theory book, I explain the rhythm and the pitch - the two main things if you want to understand, read, and play music. This book is universal and can be used by any student that wants to play any musical instrument. Violin, guitar, piano, singing - all of these and other instruments use the same notation and the same basic rules. After this book, you will be able to feel the rhythm of nearly any song that you hear. You will be able to read notes in treble clef and even more - you will be ready to start playing nearly any musical instrument. Reading sheet music is important, but practical skills are vital for any musician as well. At the end of the book, you will find the list of recommended songs to listen to. Remember - it is impossible to play music if you don't listen to it. That's why listening exercises are vital. If you are a beginner or always wanted to start understanding the music, but didn't know where to start - your moment is here!

Super Easy Keyboard for Kids. Learn How to Transpose: Learn to Play 22 Simple Songs in Different Keys Helen Winter, This book is for kids or adults who are absolute beginners in music. We tried to write it as simply as possible. We use an "easy-to-play" visual aid so any beginner can play music quickly. Neither kids nor their parents have to read sheet music or have a musical background. No previous knowledge is necessary. Every song has a large and simple, letter-coded visual, along with traditional sheet music. The instruction is designed so that children begin with simple circles and gradually advance to reading notes using sheet music. We try to make this transition as easy as a game, where children advance to higher levels themselves. There is a total of 22 songs and 2 options to help children to begin to play right away. **PLAYING BY LETTER CIRCLE PLAY WITH THE MUSICAL STAFF** The player can first follow the circles and then repeat with the classic note symbols and staff. The helpful letters are always above the notes. There are 3 parts in this book. They are equal to 3 levels. **Level 1.** Songs that are played in one octave. All songs here appear twice: once written with circles and the next time with classic music notes. This will help kids remember the staff notes. For example: Mary Had a Little Lamb - Ver 1 - CIRCLES Mary Had a Little Lamb - Ver 1 - NOTES **Level 2** In this part, you will find one version with both circles and notes and a more advanced version of the song with notes and musical notation. For example: Hot Cross Buns - Version 1 - CIRCLES Hot Cross Buns - Version 1 - NOTES Hot Cross Buns - Version 2 - NOTES (Here the player will play songs in a different key and learn how to transpose.) Generally, the version of the song written with sheet music is a little bit more complex than a letter-coded version. Such versions already have music notations such as rests or beams, etc. You can find an illustrated explanation of the notation at the end of this book. **Level 3** Here, the first two songs are versions of the same melody (different combinations of notes) written with circles and notes. This is important so that the beginner can see how the same melody can be played in different keys. First of all, this book is addressed to newcomers to any keyboard instrument (such as Piano or Synthesizer). We offer 22 one-hand piano songs. Also, it is a perfect self-training guide for children and beginner adults to mastering the challenges of percussion instruments such as xylophone, glockenspiel, melodica, or recorder. Additionally, you find funny riddles with engaging activities to teach musical notes and symbols. Table of contents **Level 1** Mary Had
