**The Sense of an Ending** Julian Barnes,2011-10-05 BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

**The Noah Diary** Jordan Douglas,2021-03-15 The well-known personal diary of Texas Cowgirl Jordan Douglas in college, at age 19. A Daddy's Girl and Texas Tomboy, she grew up in rural Texas roping and riding on horses with her Father, and found out love could be harder for a Tomboy who weren't as pretty as the cheerleaders. She had kept secret diaries through her teens of her ideas of love, sexual secrets, and as older guy friends shared benefits, they rejected her afterwards. She wrote about her strict religious upbringing and guilt from self-intimacy, and private sexual fantasies about the perfect Cowboy, her father. Her Daddy Issues, and not recognizing her darker sexual needs exploded to the surface her 2nd year in College, and was recorded by her, in 'The Noah Diary. With her secret Daddy Issues, her thick, Texas curves in her favorite Cowgirl boots and short-shorts, found herself in the arms of a stranger and older Cowboy named 'Noah' who was 27 years old, and whose style of intimacy was emotionally and physically brutal and poisoning to her mind. Jordan began a sexually-dominated summer with her hands tied behind her back, getting forced to explore her darker sexual desires of real sexual humiliation, stimulating sexual-emotional abuse, and disturbing sexual mind-play drawing out her need for more than Daddy's approval. Noah used these on her all summer as he forced her sexual needs past limits she couldn't handle, punishing her with her own desires to screaming excess, drugging her daily, and bringing her into complete Submission to his stimulating Daddy role over her. She had found true love in this journey of self-discovery and understanding, and began to feel like a beautiful cheerleader with her new Daddy, and as the summer came to an end, she feared leaving Noah to go back to college, feared facing her religious parents, her lies to them about working all summer, the truth that she had flunked her last semester to be with Noah, and they paid the bill. She had to return home to face her mistakes, when all she wanted, was happily ever after in Texas.

**Verity** Colleen Hoover, 2021-09-27 Mais um romance de sucesso. Verity é perturbador, arrepiante e inesperado. Uma experiência inesquecível. Lowen Ashleigh é uma escritora que se debate com grandes dificuldades financeiras, até que aceita uma oferta de trabalho irrecusável: terminar os três últimos volumes da série de sucesso de Verity Crawford, uma autora de renome que ficou incapacitada depois de um terrível acidente. Para poder entrar na cabeça de Verity e estudar as anotações e ideias reunidas ao longo de anos de trabalho, Lowen aceita o convite de Jeremy Crawford, marido da autora, e muda-se temporariamente para a casa deles. Mas o que ela não esperava encontrar no caótico escritório de Verity era a autobiografia inacabada da autora. Ao lê-la, percebe que esta não se destinava a ser partilhada com ninguém. São páginas e páginas de confissões arrepiantes, incluindo as memórias de Verity relativas ao dia da morte da filha. Lowen decide ocultar de Jeremy a existência do manuscrito, sabendo que o seu conteúdo destroçaria aquele pai, já em tão grande sofrimento. Mas, à medida que os sentimentos de Lowen por Jeremy se intensificam, ela apercebe-se de que talvez seja melhor ele ler as palavras escritas por Verity. Afinal de contas, por mais dedicado que Jeremy seja à sua mulher doente, uma verdade tão horrenda faria com que fosse impossível ele continuar a amá-la. Os elogios da crítica: «Aviso: Verity não vai derreter-lhe o coração... Vai incendiar-lhe a alma.» - Kindle Crack Book Reviews «Isto não é um livro, é uma experiência visceral!» - B. B. Easton, autora bestseller

**A Secret Password Book** Sophie Johnson, 2015-02-23 Don't keep a written password book, that is the usual advice and you should follow it. However it is so convenient to have your passwords close at hand that we are tempted to keep one anyway. How about a Secret Password Book then? This clever journal offers you the way to write down your passwords in a manner that only you can read, the formula shown is simple and has unlimited different and impenetrable passwords to keep your information safe and secure. The cover is also part of the secret, it is plain and does not shout 'here are all my passwords'. In this day and age we have passwords for so many things, websites, memberships, social sites, games plus the really secret ones such as banks, Paypal, phones and other very private accounts. There are of course online ways to keep your passwords but somehow we still reach for a pen as it is quicker and easier to record and find them in a notebook. We are told to use a different password for each site but I suspect that most of us are afraid of not being able to remember them and so we use a favourite one over and over. Of course that offers hackers a wide open gate to your privacy once they have managed to crack one site, they have them all and some websites have far less security than others. This simple Secret Password Book formula shows you how to overcome the risks and you can still enjoy the speed and ease of keeping a written password journal. You won't run out of passwords and neither will you be worried about having lots of them and remembering them. There are spaces for over 400 passwords with plenty of room to record notes, changes and reminders. At the end of the journal there are several pages for you to write non secret things that you need to remember easily such as phone numbers, bank account names etc. So keep your Secret Password Book to hand and enjoy

the security of knowing that only you can unlock those personal passwords. There is a good suggestion that you might consider purchasing two of the Secret Password Book and keeping one written with the passwords written in clear and storing it separately in a safe so that if anything happened to you, your relatives would be able to deal with your password protected sites.

*Chimes of a Lost Cathedral* Janet Fitch,2019-07-02 A young Russian woman comes into her own in the midst of revolution and civil war in this brilliant novel set in a world of furious beauty (Los Angeles Review of Books). After the loves and betrayals of *The Revolution of Marina M.*, young poet Marina Makarova finds herself alone amid the devastation of the Russian Civil War -- pregnant and adrift, forced to rely on her own resourcefulness to find a place to wait out the birth of her child and eventually make her way back to her native city, Petrograd. After two years of revolution, the city that was once St. Petersburg is almost unrecognizable, the haunted, half-emptied, starving Capital of Once Had Been, its streets teeming with homeless children. Moved by their plight, though hardly better off herself, she takes on the challenge of caring for these orphans, until they become the tool of tragedy from an unexpected direction. Shaped by her country's ordeals and her own trials -- betrayal and privation and inconceivable loss -- Marina evolves as a poet and a woman of sensibility and substance hardly imaginable at the beginning of her transformative odyssey. *Chimes of a Lost Cathedral* is the culmination of one woman's s journey through some of the most dramatic events of the last century -- the epic story of an artist who discovers her full power, passion, and creativity just as her revolution reveals its true direction for the future.

Blindsight Peter Watts,2006-10-03 Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*I Love Jesus, But I Want to Die* Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.
