More Notes From the Universe Mike Dooley, 2012-12-11 The Universe is here to remind us that we are in control. To have the life you desire, all you have to do is ask. The secret to manifesting change is not focusing on the how, but instead the end result of what you're after and the kind of life you want. Then, once you are truly focused, the Universe will conspire on your behalf. Author Mike Dooley has turned over every stone, knocked on every door, and followed every impulse. From the lessons he learned, Dooley is now able to share the Universe's wisdom with the world. He serves as an interpreter for the Universe and this second collection of empowering, invaluable truths can be read front to back or at random.
