Novak Djokovic: a Biography of the Serbian Superstar Benjamin Southerland,2017-03-26 Learn about the inspirational story of Novak Djokovic In Novak Djokovic: A Biography of the Serbian Superstar you will learn about the life, professional career, and accomplishments of Novak Djokovic. There were two tennis superstars who ruled the sport--and this is the story of the player who pushed them aside to dominate tennis. Novak Djokovic wasn't supposed to be a tennis player, but as a child he decided to pick up a racquet; and that eventually led him to being the player to end the era of Roger Federer and Rafael Nadal. His story is unlike other players', as he dodged air strikes in Serbia to practice, then headed to Germany to learn about the game, and progressed to being the highest money earner that tennis has ever seen. All his Grand Slam wins and all his great rivalries made him a player without equal. Few tennis players have grabbed the attention of tennis fans like Novak Djokovic has. His complete game has won him all four Grand Slam tournaments. He has set records and is among an elite group of all-time greats. But before he dethroned Roger Federer as tennis' best, he had a unique, and unlikely, journey from tennis courts on a mountain to Centre Court at Wimbledon. Here is a preview of this biography: Novak, Tennis and Serbia The German Tennis Academy 2005 Australian Open Qualifier First ATP Title Winning the 2008 Australian Open Chasing Federer Ranked Number 1 in 2011 Battling Federer, Murray and Nadal Finally Gets the French Open Djokovic Versus Sampras, Laver, Federer and Other Greats Here is an excerpt from the book: As Novak's victories kept adding up, the media spotlight intensified on him, and reporters and fans often talked about how he bounced the ball a lot before he served. As many as fifteen or twenty times, the number of times he bounced the ball before serving irritated some players and fans. Mind games are a big part of sports, and if Novak was doing it to get an advantage, it probably worked more than once. People started counting the bounces, and Novak must have as well: My record was in 2007 during the Davis Cup against Australia. I made the ball bounce thirty-eight or thirty-nine times (before serving). It was a great year for Novak. He won \$12,595,903. He won 92% of his matches. He added ten more titles to his trophy case. Novak set impressive win streaks, including thirty-one wins in consecutive Masters matches and also a streak of forty-three tennis-match wins. He won a title at three Grand Slams and advanced to the semifinal in the other. He achieved the No. 1 ranking in the world. Novak had it all.

Novak Djokovic Riccardo Crivelli,2023-11-23 The Djoker, Nole, Plastic Man. Sono tanti i soprannomi affibbiatigli, ma tutti accomunati da un fil rouge chiaro e inconfutabile: si sta descrivendo un campione assoluto del tennis mondiale, si sta parlando di Novak Djokovic. Partendo dalle bombe di Belgrado fino ad arrivare all'olimpico dello sport "nobile" per eccellenza, Nole ha scritto – nel bene e nel male – innumerevoli pagine di questa disciplina: l'incredibile numero di ventuno titoli in trentadue finali disputate (secondo solo a Nadal), la nomea di "terzo incomodo" all'interno dell'epopea tennistica degli ultimi vent'anni tenuta da Rafa e Roger Federer, fino ad arrivare alle più recenti e controverse vicende legate al Covid e alla sua forte presa di posizione. In questo volume, l'arguta penna di Riccardo Crivelli racconta la storia sportiva e umana di un antieroe senza mezze misure. Dinnanzi al Djoker, al suo peculiare stile e al suo inarrivabile strapotere fisico, amore e odio si mescolano senza soluzione di continuità.

The Sporting Statesman - Novak Djokovic and the Rise of Serbia Chris Bowers,2014-05-08 Novak Djokovic is not just one of the world's great tennis players - he is the defacto ambassador for his homeland, Serbia. Not an easy job, given the lingering resonance in the world's news bulletins of Serbia's role in the 1990s Yugoslav wars. To this day, the words 'Serbia' and 'atrocities' are linked in the minds of many. In this study of both Djokovic and Serbia, Chris Bowers paints two powerful portraits. He traces the story of the boy from modest surroundings, telling of how he met the woman who not only taught him tennis but how to deal with life as a high-profile icon, charts his battle with illness and his relationship with a volatile father, and how his on-court deeds have made his country proud. But he also tells the story of Serbia, pulling no punches about its role in the 1990s wars but offering a sensitive interpretation of the hopes and aspirations of a people with a troubled past. Bowers, biographer of Swiss tennis star Roger Federer and the British deputy-prime-minister Nick Clegg, weaves together these sporting and geo-political

strands to present a sensitive portrait of a man and his people, and how determination married to sensitivity can create a sporting statesman.

Serve to Win Novak Djokovic,2013-08-20 Novak Djokovic reveals the gluten-free diet and fitness plan that transformed his health and pushed him to the pinnacle. In 2011, Novak Djokovic had what sportswriters called the greatest single season ever by a professional tennis player: He won ten titles, three Grand Slams, and forty-three consecutive matches. Remarkably, less than two years earlier, this champion could barely complete a tournament. How did a player once plagued by aches, breathing difficulties, and injuries on the court suddenly become the #1 ranked tennis player in the world? The answer is astonishing: He changed what he ate. In *Serve to Win*, Djokovic recounts how he survived the bombing of Belgrade, Serbia, rising from a war-torn childhood to the top tier of his sport. While Djokovic loved and craved bread and pasta, and especially the pizza at his family's restaurant, his body simply couldn't process wheat. Eliminating gluten—the protein found in wheat—made him feel instantly better, lighter, clearer, and quicker. As he continued to research and refine his diet, his health issues disappeared, extra pounds dropped away, and his improved physical health and mental focus allowed him to achieve his two childhood dreams: to win Wimbledon, and to become the #1 ranked tennis player in the world. Now Djokovic has created a blueprint for remaking your body and your life in just fourteen days. With weekly menus, mindful eating tips for optimal digestion, and delicious, easy-to-prepare recipes, you'll be well on your way to shedding extra weight and finding your way to a better you. Djokovic also offers tips for eliminating stress and simple exercises to get you revved up and moving, the very same ones he does before each match. You don't need to be a superstar athlete to start living and feeling better. With *Serve to Win*, a trimmer, stronger, healthier you is just two weeks away.

It describes Djokovic's modest upbringing, revealing how he met the woman who taught him both to play tennis and how to deal with life as a high-profile icon. It charts Djokovic's battle with illness, his relationship with a volatile father, and how his on-court deeds have made his country proud. It also tells the story of Serbia, offering a nuanced portrait of a people with a troubled past, and offers an unrivaled assessment of the player's recent drop in form--and the untold reasons behind it.

Logic and Algorithms in Computational Linguistics 2021 (LACompLing2021) Roussanka Loukanova,Peter LeFanu Lumsdaine,Reinhard Muskens,2023-03-11 This book assesses the place of logic, mathematics, and computer science in present day, interdisciplinary areas of computational linguistics. Computational linguistics studies natural language in its various manifestations from a computational point of view, both on the theoretical level (modeling grammar modules dealing with natural language form and meaning and the relation between these two) and on the practical level (developing applications for language and speech technology). It is a collection of chapters presenting new and future research. The book focuses mainly on logical approaches to computational processing of natural language and on the applicability of methods and techniques from the study of formal languages, programming, and other specification languages. It presents work from other approaches to linguistics, as well, especially because they inspire new work and approaches.

Novak Djokovic R Federer,2019-12-14 Novak Djokovic, born on 22nd May 1987, Belgrade, SR Serbia, SFR Yugoslavia, is a professional tennis player, ranked world No. 1 in men's singles tennis by the Association of Tennis Professionals (ATP). Novak Djokovic: the Inspiring Story of One of Tennis' Greatest Legends Clayton Geoffreys,2017-03-05 Learn the Inspiring Story of One of Tennis' Greatest Stars, Novak Djokovic! Read on your PC, Mac, smartphone, tablet or Kindle device! In *Novak Djokovic: The Inspiring Story of One of Tennis' Greatest Legends*, you will learn the inspirational story of one of tennis' premier legends, Novak Djokovic. Novak Djokovic has come a long way since reaching his first Grand Slam final in the 2007 US Open. There was little doubt that even in his defeat to fellow legend, Roger Federer, that Djokovic was going to be embarking on an illustrious tennis career. He has since validated this belief. At the age of twenty-nine, Novak Djokovic is a 12-time Grand Slam champion, and has held the top spot of the ATP Tour for more than 220

weeks. The most impressive part has been his absolute dominance in the last half decade of tennis, as he has won multiple Australian Opens, Wimbledons, and US Opens. In this unauthorized biography, we'll explore Djokovic's journey to becoming one of the greatest, and learn what it has taken him to reach where he is today. Here is a preview of what is inside this book: Early Life and Childhood Junior Years and Early Career Djokovic's First Major Title, The 2008 Australian Open Years of Dominance and Key Majors Most Notable Rivalries Djokovic's Personal Life Djokovic's Impact on Tennis and Beyond The Legacy of Novak Djokovic An excerpt from the book: He is combustible while competitive; temperamental, yet oh so talented. He is prickly, yes, but a definite prodigy. The owner of a swashbuckling style he has ridden to success. He is controversial at times, sure, but a champion without a doubt. No one word is ever going to fully fit all of who Novak Djokovic is because the sum of all who he is transcends a mere one-word description. He is one of the greatest tennis players of his generation who has transcended into being one of the most impactful tennis players of any generation. He has willed himself from a talented yet scrawny Serbian teenager into a multiple-time Grand Slam winner who has the chance to do the unthinkable - surpass Roger Federer's record haul of Grand Slam titles, something once thought impossible for Federer himself to achieve. But how did he get here from there? How did the tennis player adored by many with chants of No-le arrive at the crossroads of greatness in a sport in which he has shared traits of both its heroes and villains? How has he come to thrive at a time where the division is enjoying some of its greatest depth of talent in its extensive history? Sacrifices were made by both him and his family. There were the perseverance and persistence to improve, first to simply be one of the Big Four who has defined the current state of men's tennis, and then to hold its throne. There was also an emotional maturing, one that has created a grounding in both his professional and personal worlds which helped him reach the pinnacle of his sport as the number one ranked player in the world and stay among its elite for a prolonged period. The Sporting Statesman Chris Bowers, 2015

A Champion's Mind Pete Sampras, Peter Bodo, 2009-05-26 In A Champion's Mind, the tennis great who so often exhibited visible discomfort with letting people "inside his head" finally opens up. An athletic prodigy, Pete resolved from his earliest playing days never to let anything get in the way of his love for the game. But while this determination led to tennis domination, success didn't come without a price. Here for the first time Pete speaks freely about the personal trials he faced—including the death of a longtime coach and confidant—and the struggles he gutted his way through while being seemingly on top of the world. Among the book's most riveting scenes are the devastating early loss that led Pete to make a monastic commitment to the game; fierce on-court battles with Andre Agassi; and the triumphant last match of Pete's career at the finals of the 2002 U.S. Open. A thoroughly compelling read that really probes the hard drive of a champion...All the emotion and insight that Sampras seems reluctant to express during his playing days come spilling forth. —Jon Wertheim, senior writer, Sports Illustrated

Novak Djokovic Jackson Carter, 2021-07-19 A child prodigy, Novak Djokovic quickly realized his dream of becoming the number one tennis player in the world. This book is an inspirational story of a boy who grew up in war-torn Serbia and survived the sport's most demanding rituals to become not only a global champion but also a devoted husband and father to his young family.
