The Folded Clock Heidi Julavits,2016-03-08 A New York Times Notable Book Rereading her childhood diaries, Heidi Julavits hoped to find incontrovertible proof that she was always destined to be a writer. Instead, they “revealed me to possess the mind of a phobic tax auditor.” Thus was born a desire to try again, to chronicle her daily life—now as a forty-something woman, wife, mother, and writer. A meditation on time and self, youth and aging, friendship and romance, faith and fate, and art and ambition, in *The Folded Clock* one of the most gifted prose stylists in American letters explodes the typically confessional diary form with her trademark humor, honesty, and searing intelligence.

The Continuous Katherine Mortenhoe D. G. Compton, 2016-07-05 Katherine Mortenhoe lives in a near future very similar to the present day. Only in her time, dying from anything but old age is unheard of; death has been cured. So when Katherine is diagnosed with a terminal brain disease brought on by an inability to process an ever increasing volume of sensory input, she immediately becomes a celebrity to the “pain-starved public.” But Katherine rejects her tragic role: She will not agree to be the star of a Human Destiny TV show, her last days will not be documented or broadcast. What she doesn’t realize is that from the moment of diagnosis she’s been watched, not only by television producers but by a new kind of program host, a man with a camera behind his unsleeping eyes. Like Margaret Atwood’s *MaddAddam* trilogy, Kazuo Ishiguro’s *Never Let Me Go*, and the television series *Black Mirror*, *The Continuous Katherine Mortenhoe* is a thrilling psychological drama that is as wise about human nature as it is about the nature of technology.

Welcome to America, Mr. Sherlock Holmes Christopher Redmond, 1987-11-01

Christopher Redmond’s fascinating account of Doyle’s first trip to America has been reconstructed from newspaper accounts describing the places Doyle visited, from the Adirondacks to New York, Chicago, and Toronto. Despite the gruelling tour schedule, Doyle met dozens of the most important literary and social lights of America. Everywhere he went he was mobbed by public hungry for news of the man he had killed off a year earlier — Sherlock Holmes, who was front page news. In Redmond’s lively narrative, which is based

on letters, newspaper reports, and other newly unearthed sources, you will discover, as Doyle himself put it, the romance of America.
