The Point of the Gun Doug Nickle,Bruce Owen,2017-11-22 Gun ownership is surging in America as citizens realize they must be their own first responders in matters of personal security. Choosing a gun and learning how to use it is

critically important. This guide cuts through all the chatter and provides simple, yet comprehensive information to prospective gun buyers. This book explains the fundamental and operational differences between revolvers and semi auto handguns, to help you choose which is best for your everyday personal protection needs. Youll learn about the various holster and carry methods, open vs. concealed carry, and essential firearm self defense philosophy. The authors also explore the advantages of shotguns and the often misunderstood AR platform carbine for home defense. Whether you are a soon-to-be, new, or longtime gun owner, youll learn important information that can help you protect your life and the lives of your loved ones in The Point of the Gun.
