Learn Your Vitamins Viktoria Waite,2020-04-14 The Learn Your Vitamins illustrated book of rhymes for children, will introduce a child to the world of nutrition and encourage them to try a variety of foods rich in vitamins and nutrients. It is designed for toddlers and preschool children, as well as early readers to teach them about food, healthy eating habits, and a variety of fruits and vegetables.This 8.5 by 6.5 paperback book is paired with illustrations made by the author, many of which are full page. The author strongly believes that illustrations are an important part of children's literature because it creates greater opportunity for visualization and imagination.The book is written in first person in a playful manner and incorporates one of many children's favorite games I spy with my little eye... to set up a fun and interactive learning experience. To make this book personable, the author/ illustrator introduces the narrator at the end of the book. It is a spunky garden elf, Kiki who plays the guessing game with the children from the beginning of the story.

Wong's Nursing Care of Infants and Children - E-Book Marilyn J. Hockenberry,2022-12-23 Provide quality nursing care through each stage of child development! Wong's Nursing Care of Infants and Children, 12th Edition uses an easy-to-follow, family-centered approach to describe the care of children at each age and stage of development. The book begins with a discussion of the influences on and assessment of child health, then provides chapters on child health promotion and health problems — all organized by age groups and body systems. Up-to-date, evidence-based information helps you develop critical thinking skills along with the sensitivity needed to become a compassionate, caring pediatric nurse. Written by a team of experts led by Marilyn J. Hockenberry, Wong's continues to be the leading text in pediatric nursing. Focus on family-centered care emphasizes the role and influence of the family in child health and illness with a separate chapter and Family-Centered Care boxes. Full-color drawings and photographs reflect the latest in nursing care. Nursing Care Guidelines boxes offer clear, step-by-step instructions for interventions in a variety of situations and conditions, and Nursing Care Plan boxes included expected patient outcomes and rationales for nursing interventions. Nursing Tips include helpful hints and practical, clinical information. Translating Evidence into Practice and Applying Evidence to Practice boxes help you apply research to improve the outcomes of nursing care. Atraumatic Care boxes contain techniques for care that manage pain, discomfort, or stress, along with approaches to promote self-esteem and prevent embarrassment. Emergency Treatment boxes serve as a quick reference for interventions in critical situations. Cultural Considerations and Cultural Competence content provides tips from clinical experts. Community and Home Health Considerations boxes address issues such as increasing immunization rates, decreasing smoking among teens, and preventing lead poisoning. Drug Alerts highlight important drug-related information for safe, appropriate care. Nursing Alerts call out critical considerations such as key assessment data, risk factors, and danger signs that must be considered in providing care. Research Focus boxes emphasize research with concise reviews of important evidence.
