iProduttivo | Metodi e app per vivere e lavorare con iphone e ipad - Con questi strumenti anche tu sarai sempre organizzato e superproduttivo Silvio Gulizia, 2015-06-30T00:00:00+02:00 Pratica guida che insegna a usare iPhone e iPad per organizzare al meglio la vita e il proprio lavoro e aumentare nettamente la produttività aziendale. L'autore - esperto in app gestionali e da sempre project manager di importanti startup - parte dall'organizzazione di base del tuo smartphone o tablet, per passare subito dalla teoria alle attività da mettere in pratica, indicando quei metodi e applicazioni più utili per vivere più serenamente e lavorare risparmiando tempo e fatica. Spesso non ci rendiamo conto che il nostro device Apple è molto più che un mezzo di navigazione o accesso ad iCloud, molto più che controllare la posta e trovare luoghi o contenuti. La gestione del tempo, nota come Time Management, è un'operazione molto delicata e che richiede molta conoscenza di sé, dei propri limiti e possibilità, e anche e soprattutto dei software gestionali esistenti. Puoi coordinare più persone su un progetto, puoi sincronizzare Siri con l'app gestionale e con un comando vocale organizzare l'agenda in modo più dettagliato, puoi programmare al millimetro le telefonate per ottimizzare la giornata. Essere iProduttivo è uno stile di vita. L'immagine di copertina è stata realizzata da Giorgio Gualandris.

Casino Women Susan Chandler,Jill B. Jones,2011-09-01 Casino Women is a pioneering look at the female face of corporate gaming. Based on extended interviews with maids, cocktail waitresses, cooks, laundry workers, dealers, pit bosses, managers, and vice presidents, the book describes in compelling detail a world whose enormous profitability is dependent on the labor of women assigned stereotypically female occupations—making beds and serving food on the one hand and providing sexual allure on the other. But behind the neon lies another world, peopled by thousands of remarkable women who assert their humanity in the face of gaming empires' relentless quest for profits.The casino women profiled here generally fall into two groups. Geoconda Arguello Kline, typical of the first, arrived in the United States in

the 1980s fleeing the war in Nicaragua. Finding work as a Las Vegas hotel maid, she overcame her initial fear of organizing and joined with others to build the preeminent grassroots union in the nation—the 60,000-member Culinary Union—becoming in time its president. In Las Vegas, the hottest union city in America, the collective actions of union activists have won economic and political power for tens of thousands of working Nevadans and their families. The story of these women's transformation and their success in creating a union able to face off against global gaming giants form the centerpiece of this book. Another group of women, dealers and middle managers among them, did not act. Fearful of losing their jobs, they remained silent, declining to speak out when others were abused, and in the case of middle managers, taking on the corporations' goals as their own. Susan Chandler and Jill B. Jones appraise the cost of their silence and examine the factors that pushed some women into activism and led others to accept the status quo. *Casino Women* will appeal to all readers interested in women, gambling, and working-class life, and in how ordinary people stand up to corporate actors who appear to hold all the cards.
